*Marine Act 1890.*

**CARRIAGE OF DANGEROUS GOODS BY SHIP.—PAROID ROOFING CEMENT.**

THE Marine Board hereby notifies that rolls of Paroid Roofing from New York are re-shipped at the Port of Melbourne, and that such rolls have been found to contain canisters containing a cementing liquid in connexion with which the Chief Inspector of Explosives reports:—

"This sample contains a liquid (light petroleum oil) which flashes at ordinary temperature; the tins containing the volatile liquid should, in my opinion, be packed separately from the paroid rolls and carried as dangerous cargo.—(Signed) C. NAPIER HAKE, 17th January, 1908."

The Board has decided that the "cement," whether carried in the rolls or separately, is to be treated as "dangerous goods" within the meaning of section 157 of the *Marine Act 1890*, and such cement when re-shipped at Melbourne must, in the interest of life and property, be carried on deck.

Applications, accompanied by a duty stamp of 5s. for registration must be made on usual form, and lodged at the Crown Lands Office, Melbourne.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made.

The applications received will be dealt with by a Local Land Board, the place and date of sitting of which will be hereafter notified.

Not more than one allotment may be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants may obtain from a Local Land Officer, or the Inquiry Branch, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

Plans (price 1s.) and further information may be obtained at the Inquiry Room, Lands Department, Melbourne, and Land Offices, Seymour, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Sale, and Warracknabeal.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

Conditional Purchase Lease.

Every conditional purchase lease will be dated the 1st day of April, 1908, and may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

Rent.

The purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments (including deposit), calculated according to the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

On a conditional purchase lease application a deposit equal to the two (2) first instalments of purchase money, together with fees (including survey charge) must be paid within fourteen days after an allotment has been recommended.

Every conditional purchase lease of an allotment will contain the following special conditions:—

- (a) a condition that the lessee or purchaser shall make substantial improvements on the land to the extent of 10s. per acre in each of the first three years from the date of lease or sale; and
- (b) a condition on the part of the lessee or purchaser to keep open all canals and drains.

The Board has power to grant, subject to such terms and conditions as it thinks fit, authority to the owner or occupier of any allotment to cut a drain through any adjoining allotment without making compensation to the owner or occupier thereof, such drain to run parallel with and within 10 links (approximately 6½ feet), where practicable, of a boundary line of such allotment.

On payment of deposit or rent, together with fees, a permit to occupy will forthwith issue.

Residence is not necessary.

Tenders should be placed in the Crown Lands Office Tender-box not later than Wednesday, 26th February, 1908.

**NOTE.**—No tender will be accepted unless the fee for the period from 1st March, 1908, to 30th September, 1908, and fee of Five shillings for licence, are forwarded.

**TENDERS** will be received up to Wednesday, 26th February, 1908, for the occupation, for grazing purposes only, of the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

## Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

## Special Conditions.

1. The period of occupation will be for seven months—from 1st March, 1908, to 30th September, 1908.
2. The fee for the period from 1st March, 1908, to 30th September, 1908, for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.
3. Tenders to be for so much per lot and block per annum.
4. Separate tenders must be lodged for each block.
5. *Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.*
6. The highest or any tender not necessarily accepted.
7. Tenderers must give their full name and ordinary postal address.
8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.
2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
