The security must be completed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

Tenders must be enclosed in a separate envelope, marked "Tender for Printing Papers, &c.," and be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

## CONDITIONS OF CONTRACT.

1. Where samples are provided for, the supplies are to be equal in quality, finish, and in all other respects to, and of the same colour as, the contract sample, but as to weight and otherwise are to conform to the specification. In cases where supplies of a particular maker or of a particular brand or trade mark or of a particular distinguishing mark of such maker, brand, or trade mark are required, the supplies shall conform in all respects with the specified requirements. All supplies are to be delivered as directed by the Government Printer, either at the Government Printing Office or at a store situate in the city of Melbourne, but delivery will not be deemed to have been made until the goods have been approved of.

2. The quantity mentioned in the schedules will be required from the contractor, who will be bound, however, to supply any further quantities, at the scheduled price, that may be ordered by the Government Printer during the currency of the contract. Four (4) months' notice of the ADDITIONAL REQUIREMENTS will be given to the contractor by the Government Printer.

3. In the event of the supplies not being delivered by the time specified in the schedule or order as the case may be, it will be competent for the Government Printer to purchase the same, or such articles as may be suitable for the service, at the risk of the contractor, from whose account any expense that may be incurred over and above the contract price will be deducted.

4. The supplies on delivery will be surveyed by a board appointed by the Government for that purpose, and the decision of the board is to be considered as final. Payment will be made on the board's certificate that the goods are of contract quality and in good order and condition.

5. If the board of survey shall decide that the goods are not of contract quality, the contractor must in that case remove the goods objected to and supply others in their stead, failing which the supplies may be purchased as in condition 3.

6. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense.

7. A repetition of irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding One hundred pounds, as the Government may direct, and the amount may be deducted as in condition 3, or from the contractor's security. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith and forfeit the security.

8. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

9. In the event of the contractor failing to carry out the contract, the contract security money will be absolutely forfeited, and the contractor disqualified from tendering for a period of twelve months.

10. *The packages, cases, &c., will become the property of the Government without extra charge.*

11. In the event of any alteration in the duties of Customs now being collected, which may affect any of the items included in these contracts, the Government or the contractor, as may be the case, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, provided that the duty on such item has actually been paid.

Treasurer.

#### TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box not later than Wednesday, 26th February, 1908.

NOTE.—*No tender will be accepted unless the fee for the period from 1st March, 1908, to 30th September, 1908, and fee of Five shillings for licence, are forwarded.*

TENDERS will be received up to Wednesday, 26th February, 1908, for the occupation, for grazing purposes only, of the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

#### Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

#### Special Conditions.

1. The period of occupation will be for seven months—from 1st March, 1908, to 30th September, 1908.

2. The fee for the period from 1st March, 1908, to 30th September, 1908, for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. *Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.*

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

In the Supreme Court of the State of Victoria.—In the matter of the Mildura Irrigation Acts and in the matter of an application by THE FIRST MILDURA IRRIGATION TRUST for an order for the sale of lands under the provisions of the said Acts.—Tuesday, the 17th day of December, 1907. Before His Honour Mr. Justice Hodges.

UPON motion this day made unto this Court by Mr. Levinson, of counsel for the above-named The First Mildura Irrigation Trust. Upon reading the affidavit of Henry George Brown, sworn the 11th day of December instant and filed herein with the exhibits therein referred to, this Court, being satisfied by the said affidavit that the rates, or a portion of the rates referred to in the Second Schedule to the Act, the *Mildura Irrigation Trusts Act* 1903 (number 1842), the amounts of which, and the allotments in respect of which the same are payable, are set forth in the schedule hereto, remained unpaid on the thirty-first day of December, 1904, and remain unpaid, and that notice referring to the said lands in the form required by the said Act has been duly given as therein provided. This Court doth order that unless the said amount or amounts of the said rates due in respect of each of the said lands respectively, together with interest thereon at the rate of Eight pounds per centum per annum up to the date of payment be paid to the said trust on or before the first day of February, 1908, there be a sale by the said trust, on a day to be fixed by the said trust, by public auction, of the said respective lands separately and in the manner and subject to the directions hereinafter appearing, that is to say:—The said trust shall have power to fix reserve prices in respect of each or any of the said respective lands, and shall give to the auctioneer a list or lists, in writing, of such reserve prices before the said lands are respectively sold, and shall have power to bid for and to purchase any of the said lands at such sale. And the said lands, or any of them, may, in the discretion of the said trust, be sold upon the terms following, that is to say:—If the purchase money for any of the said lands shall not exceed Fifty pounds, such purchase money shall be paid in cash, and if the purchase money for any of the said lands shall exceed Fifty pounds, then as to the Fifty pounds part thereof it shall be payable in cash, and of the balance one-fourth at the least shall be payable in cash, and the remainder shall be payable within six months from the date of the said sale, interest at the rate of Four pounds per centum per annum being payable on such remainder meanwhile. And the said sale shall be conducted by a local auctioneer, to be selected by the said trust, and his remuneration shall be that to be agreed upon between him and the said trust, but not exceeding the usual remuneration for his services. And the costs, charges, and expenses of the said trust of and incidental to the said sale, including therein the costs, charges, and expenses of the publication of the aforesaid notice, and of the notice by publication in the *Government Gazette* of this order, together with the said trust's costs, charges, and expenses of and incidental to this application, shall be apportioned among such of the said lands as shall have been sold at the said sale in proportion to the purchase money for which the same shall have been respectively sold, and the portion or share of all such costs,
