MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS.

SCHEDULE OF ALLOTMENTS.

THE land is situated near Ouyen, on the Mildura railway line, about midway between Wbomelaug and Mikdura. Applications (with uncancelled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, the 17th February, 1909.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

The applications received will be dealt with by Local Land Board at Birchip on Wednesday, the 3rd March, 1909, and following days, and at Warracknabeal on Monday, the 8th March, 1909, and following days as required.

When making application, the applicant should notify at which place he desires to attend the Local Land Board.

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £8 to £11 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the licence, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the licence. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the Lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than one allotment in this or any future mallee subdivision.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

IN pursuance of the powers conferred by the *Local Government Act 1903*, the President, Councillors, and Ratepayers of the Shire of Barrarbool order as follows:—

Sections 41, 42, and 43, Subdivision 9, Part I., of the Thirteenth Schedule of the *Local Government Act 1903*, are hereby adopted in the Shire of Barrarbool.

41. If any cattle are found without any person having charge of them—

(a) In any street, or

(b) Upon any land (not being a common) which is not enclosed or fenced with some sufficient fence within the meaning of the *Fences Act 1890* or any amendment thereof, and the openings (if any) in which fence are not secured and barred with gates or other fastenings of equivalent closeness and strength with the fence,

the proper officer of the Council may seize such cattle and impound them, or place them at some neighbouring place of safe custody.

42. The owner of such cattle shall forfeit a sum of not less than Five shillings nor more than One pound for every head of such cattle seized between sunrise and sunset, and not less than Ten shillings nor more than One pound for every head of such cattle so seized between sunset and sunrise, and any Justice, if such owner be not known, upon proof of the issue of a summons in the usual form, addressed to such owner as "owner" only, without otherwise naming or describing him, such cattle and the place of seizure being duly described therein, and of the publication of such summons in some newspaper commonly circulating in the neighbourhood, may, after the expiration of twenty-four hours from such publication, proceed with respect to such owner not appearing as if personal service of a summons, stating his name, had been effected, or if such owner appear then as in other cases, and the Justice may order the cattle to be sold and the money arising from the sale, after deducting the said penalty and the costs awarded and the reasonable expenses, to be estimated and assessed by the Justice, of seizing, keeping, and selling the said cattle, shall be paid if demanded within one month to the owner of the cattle, and if not so demanded then to the municipal fund; and if the said money is not sufficient for all the purposes aforesaid the amount whereby the same falls short, or if no such sale be ordered, the whole of the said amount may be recovered from the said owner if and when known in like manner as other penalties and sums adjudged or ordered to be paid by Justices are to be recovered.

43. If such cattle by reason of having been so found at large have been impounded by the Council, the amount of such penalty and costs, if adjudged respectively before the release or sale of such cattle, shall be added to the pound fees and charges payable in respect of such cattle, and the amount thereof or such lesser amount (if any) as after the sale of the cattle may remain in the hands of the poundkeeper, shall be paid over by him accordingly; and if the proceeds of any sale of such cattle are not sufficient after paying the lawful fees and charges aforesaid to satisfy such penalty and costs, or if such penalty and costs have been adjudged after the release or sale of the cattle the same or so much thereof as remains unpaid shall and may be recovered from the owner of the cattle in like manner as other penalties and costs adjudged by Justices are by law to be recovered; and if in the case of any information under this section the owner be not known then the provisions of the last preceding section, so far as necessary to give the adjudicating Justice jurisdiction, shall apply.
