REGULATIONS FOR THE ELECTION OF URBAN SECTION COMMISSIONERS.

WHEREAS by section 62 of the *Mildura Irrigation Trusts Act 1895* (No. 1409), it is enacted that the Governor in Council may, subject to the provisions of the said Act, from time to time make regulations for the purposes following:—

- (a) For determining the period or different periods not exceeding three years, for which Commissioners of any Trust, including Commissioners of Urban Districts, shall hold office, the time of their election, and the order of their retirement from office.
- (b) For determining the manner in which elections of Commissioners and Auditors shall be held, and in which lists or rolls of voters thereat shall be prepared, and the mode of voting thereat, and the time, mode, place, and all other matters connected with the nomination of Commissioners and Auditors.
- (c) For determining the mode of appointment or election of returning officers and their deputies, and their powers and duties.
- (d) For determining the manner in which any vacancies in the office of any such Commissioners or Auditors shall be filled up.
- (e) For determining questions as to the due election of any such Commissioner or Auditor.
- (f) For prescribing any other matters necessary for giving effect to Part V. of the said Act.

Now therefore His Excellency the Governor, acting by and with the advice of the Executive Council, and in pursuance of the provisions of the said Act, doth, so far as regards the urban section of the First Mildura Irrigation Trust under the Mildura Irrigation Trust Acts, make the regulations following:—

1. *Interpretation of Terms.*—In these Regulations "the Acts" shall mean the Mildura Irrigation Trusts Acts; "the Minister" shall mean the Minister of Water Supply; "the Trust" or "the said Trust" shall mean the First Mildura Irrigation Trust; "the District," "the said District," or "the Irrigation District" shall mean the First Mildura Irrigation District, as described in the first schedule of the *Mildura Irrigation Trusts Act 1895* (No. 1409); and "Urban Section" shall mean the urban section of the said district as described in the Proclamation of His Excellency the Governor.

2. These Regulations shall apply to the first election of the three additional Commissioners for the said urban section, as authorized by section four of the *Mildura Irrigation Trusts Act 1909* (No. 2176), to be held on the thirty-first day of May, One thousand nine hundred and nine. Provided that clause number 7 herein shall also apply to subsequent annual elections of additional Commissioners.

3. *Period for which Commissioners shall hold Office.*—Subject to the provisions hereinafter contained for securing the annual retirement of one Commissioner, the period during which the additional Commissioners of the said urban section shall hold office shall be three years.

4. *Annual Retirement of Commissioners.*—One Commissioner shall retire annually, but the retiring Commissioner shall, subject to the provisions of the said Acts, be eligible for re-election.

5. *Term of Office of persons elected Commissioners at the First Election.*—One of the persons elected Commissioners at such election shall hold office as such Commissioner until the thirty-first day of May, One thousand nine hundred and twelve, one other of such persons shall hold office until the thirty-first day of May, One thousand nine hundred and eleven, and the remaining person elected as such Commissioner shall hold office until the thirty-first day of May, One thousand nine hundred and ten, and the particular term for which each such person so elected a Commissioner shall hold office shall be determined in manner following (that is to say):—

- (a) *How Term of Office is Ascertained when no Poll Taken.*—If the election is made without a poll, as in the case in these Regulations provided, then the particular term for which each candidate elected as a Commissioner shall hold office shall, immediately upon such election, be publicly determined by lot by the returning officer in such manner as to him may seem fit, and the returning officer shall thereupon immediately and publicly announce the term for which each individual candidate elected as Commissioner shall hold office as so determined, and shall report the same to the Minister.

- (b) *How Term of Office Ascertained when Poll Taken.*—If at the first election a poll shall be taken as in these Regulations provided, then of the three candidates elected as such additional Commissioners the candidate who shall have received the highest number of votes shall hold office as Commissioner until the thirty-first day of May, One thousand nine hundred and twelve, and the candidate who shall have received the next highest number of votes shall hold office until the thirty-first day of May, One thousand nine hundred and eleven, and the remaining candidate who shall have been elected shall hold office until the thirty-first day of May, One thousand nine hundred and ten, and if two, or more than two, candidates elected shall have obtained the same number of votes, then the returning officer shall determine by lot the term or terms as aforesaid during which such candidates shall respectively hold office. But so that no candidate elected shall hold office for a shorter time than the term during which any other candidate who shall have obtained a less number of votes shall hold office. And the returning officer shall publicly declare the respective terms during which the several candidates shall hold office as so determined, and shall report the same to the Minister.

6. Notwithstanding the provisions of clause 17 of the Regulations of the eleventh day of April, 1906, relating to the election of Commissioners and Auditors of the Trust, it shall be sufficient for the first election of such additional Commissioners as aforesaid if eight clear days' public notice by advertisement be given, and nominations of candidates for election as provided in such clause shall be made not less than four nor more than seven clear days after the time of giving public notice as aforesaid.

7. The said Regulations made under the said Acts, and dated the eleventh day of April, 1906, together with the forms set forth in the schedule thereto shall where applicable and not otherwise provided by these Regulations, apply to the first and annual elections of Commissioners under section four of the said *Mildura Irrigation Trusts Act 1909* (No. 2176).

And the Honorable George Graham, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

Improvements must be effected on each homestead allotment as follows:—To the value of not less than £50 within one year from the date of the lease, and additional improvements to the value of not less than £50 each year before the end of the second and third years from the date of the lease.

The lessee must permanently reside on the allotment for at least eight months during each year.

Personal residence by the lessee's wife, or any of his children over 18 years of age, may, with the approval of the Minister of Lands, be considered personal residence by the lessee.

The term of the lease is 3½ years, and the lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued on expiry of the lease, provided all conditions have been complied with, and the full purchase money has been paid.

All applications received will be dealt with by a Local Land Board, the date and place of hearing will be hereafter notified.

The irrigable portions of the various allotments are shown on plan.

Arrangements have been made to provide a full supply of water, for irrigation purposes, to these allotments as required, the charge for such to be levied in the manner provided for in the *Murray Settlements Act 1907*, and to be sufficient to cover interest on the outlay and working expenses.

SWAMP LANDS AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

SECTIONS 130-383 OF THE *Land Act 1901* AS AMENDED BY THE *Land Act 1904*.

THE allotments mentioned in the Schedule hereunder will be available for application on or before Wednesday, 28th May, 1909.

Applications accompanied by a duty stamp of 5s. for registration, must be made on usual form, and lodged at the Crown Lands Office, Melbourne.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made. The applications received will be dealt with by a Local Land Board, the place and date of sitting of which will be hereafter notified.

Not more than one allotment may be included in any application, but any number of applications may be lodged with the prescribed fee in each case.

Applicants may obtain from a Local Land Officer, or the Inquiry Branch, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

Plans (price 1s.) and further information may be obtained at the Inquiry Room, Lands Department, Melbourne, and Land Offices, Seymour, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Sale, and Warracknabeal.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

Conditional Purchase Lease.

Every conditional purchase lease will be dated the 1st day of June, 1909, and may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

Rent.

The purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments (including deposit), calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

On a conditional purchase lease application a deposit equal to the two (2) first instalments of purchase money, together with fees (including survey charge), must be paid within fourteen days after an allotment has been recommended.

Every conditional purchase lease of an allotment will contain the following special conditions:—

(a) a condition that the lessee or purchaser shall make substantial improvements on the land to the extent of 10s. per acre in each of the first three years from the date of lease or sale; and

(b) a condition on the part of the lessee or purchaser to keep open all canals and drains.

The Board has power to grant, subject to such terms and conditions as it thinks fit, authority to the owner or occupier of any allotment to cut a drain through any adjoining allotment without making compensation to the owner or occupier thereof, such drain to run parallel with and within 10 links (approximately 6½ feet), where practicable, of a boundary line of such allotment.

On payment of deposit or rent, together with fees, a permit to occupy will forthwith issue.

Residence is not necessary.

For Commissioner of Crown Lands and Survey.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £8 to £10 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the licence, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the licence. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the licence. If in the third class, improvements to the value of 5s. per acre must be made before the end of the third year from the date of the licence, and the balance of 5s. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence-fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the Lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,500 acres, if the land be in any other class.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacture indicated in the schedule.

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in an envelope, and having the words "Tender for _____" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, or, if sent by post, they must be prepaid, and addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. As the exact quantity of any article of provisions which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

2. All the articles are to be of the best quality of the several kinds, in the best condition, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

3. Supplies for country stations for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include a radius of six miles from the General Post Office; Williamstown includes supplies for s.s. *Lady Loch* and *Albert* and vessels in the Naval Service which may be in Hobson's Bay during the currency of the contract; the Ararat, Beechworth, and Ballarat Districts will include the Hospitals for the Insane, Gaols, Police Gaols, and Lock-ups at these places; and the Geelong District embraces a radius of two miles from the Post Office; Lara, the Inebriates Retreat; and Rutherglen, the Viticultural College. The lock-ups at City Watch-House, Bourke-street West,

No. 65.—MAY 19, 1909.—5869.—5.

Brunswick, Carlton, Coburg, Collingwood, Fitzroy, Fitzroy North, Hotham Hill, Little Bourke-street, North Melbourne, Port Melbourne, Prahran, Richmond, St. Kilda, South Melbourne, and South Yarra are included in the contracts for the Melbourne District.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the price demanded, except brandy casks, porter cases, hogsheads, butter firkins or boxes, and soap boxes (not including fancy soaps), jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for. The empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under proper authorized inspection and supervision. Any infringement of this condition will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge. All other supplies will be ordered by the head of department concerned or any officer authorized by him.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, and the account is to be rendered as soon as possible after the delivery of the supplies, accompanied by the receipted delivery order. For the supplies coming under the head of Rations and Medical Comforts, the account is to be rendered monthly for such quantities only as are issued, the difference between the supply and issue to be kept at the contractor's credit. Supplies not issued at the termination of the contract to be removed by the contractor. The rates or quantities quoted in the orders cannot be exceeded.

9. When a contractor is required to make delivery of goods at a railway station for transmission by rail, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the carriers to act as agent for, and charge the freight to, the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which service the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 18 of these conditions.

10. Should the contractor fail to supply any articles at the time mentioned in the order, they or any like supplies suitable for the service will be otherwise procured, and the expense over and above the contract price will be deducted from his account or from the security money.

11. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

12. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his department and to the Tender Board.

13. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same to be decided, in cases where the article is not of a perishable nature, by a board of survey composed of persons named by the Treasurer of the State for the time being; and the decision of the board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 10.

14. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the persons to whom the rations are due or by the contractor in waiting for a board to survey, the head of the department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which, if or any like supply suitable for the service, will be obtained by the officer requiring it as in condition 10. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

15. If the board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which, it or any like supply suitable for the service will be procured by the officer requiring it, and the expense charged as in clause 10.

16. In the case of supplies for Hospitals for the Insane, it will be competent for a board of survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being; but, pending such appeal, he must take back the rejected articles and at once supply others of approved quality; failing which, the supplies required or any like supplies suitable for the service may be obtained by the officer concerned, and the expense charged to the contractor.

17. In the case of supplies for Hospitals for the Insane, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a board of survey will not be deemed to be necessary on the part of the contractor.

18. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in condition 10. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

19. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government. If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, then the tender is to be in the name of the firm and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.

20. It will be competent for the Secretary to the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

21. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat, or on account of the Commonwealth Government; or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

22. In the event of any alteration in the Tariff affecting any of the items included in this contract, the Government or the contractor (as the case may be) may give two months' notice, through the Secretary to the Tender Board, of the termination of the contract for the particular item or items so affected to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made. The contract for the unaffected items to remain in full force and effect.

23. Under no circumstances other than those mentioned in clause 22 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

24. For the purposes of these contracts the word Government shall mean Government of the Commonwealth as regards supplies for the Commonwealth, and Government of the State as regards supplies for the State; and the word Treasurer shall mean Treasurer of the Commonwealth as regards supplies for the Commonwealth, and Treasurer of the State as regards supplies for the State.

25. Where specially indicated in the schedules no subletting will be allowed, and no delivery shall be made on Sundays; all work must be carried out by the contractor, and the hours of employment of any person engaged in the preparation or manufacture of the articles tendered for in those schedules, or engaged in the delivery of or in any other way in connexion with the supply of the articles tendered for in these schedules, are not to exceed forty-eight per week (unless otherwise stated in the schedules), and every such person shall be paid at not less than the minimum wage fixed by the Factories and Shops Act and shall be employed subject to the condition specified in the schedules concerned; and a copy of the labour condition, as indorsed on the schedules affected, shall be kept conspicuously and continually posted, in legible Roman characters, in the factory, shop, or dairy (and in each part of the factory, shop, or dairy where several rooms are in use) in which goods are prepared or manufactured under the contracts. Any infringement of this condition will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £50 (Fifty pounds), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Wednesday, 26th May, 1909.

NOTE.—No tender will be accepted unless the fee for the period from 1st June, 1909, to 30th September, 1910, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Wednesday, 26th May, 1909, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.
2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.
3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.
4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.
5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.
6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.
7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.
8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.
9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.
10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.
11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.
12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.
14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.
15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.
16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.
17. This licence is issued subject to the right of sawmillers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The periods of occupation will be for sixteen months—from 1st June, 1909, to 30th September, 1910.
2. The fee for the periods from 1st June, 1909, to 30th September, 1910, for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.
2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
