SWAMP LANDS AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

SECTIONS 130-383 OF THE Land Act 1901 AS AMENDED BY THE Land Act 1904.

THE allotment mentioned in the Schedule hereunder will be available for application on or before Wednesday, 21st July, 1909.

Applications, accompanied by a duty stamp of 5s. for registration, must be made on usual form, and lodged at the Crown Lands Office, Melbourne.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made. The applications received will be dealt with by a Local Land Board, the place and date of sitting of which will be hereafter notified.

Applicants may obtain from a Local Land Officer, or the Inquiry Branch, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

Plans (price 1s.) and further information may be obtained at the Inquiry Room, Lands Department, Melbourne, and Land Offices, Seymour, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Sale, and Warracknabeal.

Care should be taken by the applicant that he secures the correct form, and that it is properly filled up.

Conditional Purchase Lease.

The conditional purchase lease will be dated the 1st day of August, 1909, and may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

Rent.

The purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments (including deposit), calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

On a conditional purchase lease application a deposit equal to the two (2) first instalments of purchase money, together with fees (including survey charge), must be paid within fourteen days after an allotment has been recommended.

Every conditional purchase lease of an allotment will contain the following special conditions:—

- (a) a condition that the lessee or purchaser shall make substantial improvements on the land to the extent of 10s. per acre in each of the first three years from the date of lease or sale; and
- (b) a condition on the part of the lessee or purchaser to keep open all canals and drains.

The Board has power to grant, subject to such terms and conditions as it thinks fit, authority to the owner or occupier of any allotment to cut a drain through any adjoining allotment without making compensation to the owner or occupier thereof, such drain to run parallel with and within 10 links (approximately 6½ feet), where practicable, of a boundary line of such allotment.

On payment of deposit or rent, together with fees, a permit to occupy will forthwith issue. Residence is not necessary.

WHITE CLIFFS IRRIGATION AREA.

HOMESTEAD AND MALLEE FARM ALLOTMENTS AVAILABLE FOR SELECTION UNDER CONDITIONAL PURCHASE LEASES.

THE land is situated between White Cliffs and Yelta, and is about 8 to 20 miles west from Mildura.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Officer, or to the Secretary for Lands, Melbourne, on or before Thursday, the 15th July, 1909.

Every application must be accompanied by a deposit equal to the first instalment of the purchase money and the lease fee £1.

An applicant can, however, apply for more than one holding, and will only be required to lodge the deposit payable in respect of the most valuable allotment applied for, together with a registration fee of 5s. with every application made.

Only one holding can be granted to any one person.

No conditional purchase lease of a Homestead and Mallee Farm allotment can be granted to any person who is already the holder of any land, the area of which, if added to the area of the Homestead and Mallee Farm allotment, exceeds 640 acres if 1st class land, or like proportions of 2nd, 3rd, or 4th class land.

Where a Homestead allotment and a Mallee Farm allotment form one holding, improvements must be effected on the Homestead allotment, as follows:—

To the value of not less than £50 each year, before the end of the second and third years, from the date of the lease.

Before the end of the third year from the commencement of the lease and thereafter in each and every year, not less than one-fifth of the Mallee Farm allotment must be planted with cereal crops.

The lessee must permanently reside on the holding for at least eight months during each year.

Personal residence by the lessee's wife, or any of his children over 18 years of age, may, with the approval of the Minister of Lands, be considered personal residence by the lessee.

The term of the lease is 3½ years, and the lessee cannot transfer, assign, mortgage, or sublet his holding within the first six years of the lease.

The Crown grant may be issued on expiry of the lease, provided all conditions have been complied with, and the full purchase money has been paid.

All applications received will be dealt with by a Local Land Board, the date and place of hearing will be hereafter notified.

The irrigation charges will be about one pound ten shillings per acre per annum on the Homestead allotments.

In order that the Farm Allotments may be occupied in a compact group, the particular Farm allotment to be attached to a Homestead allotment will be determined at the time of the Local Land Board inquiry.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS.

THE land is situated north-west from Ultima, and is from 1 to 10 miles from the Chillingollah railway terminus.

Applications (with uncancelled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, the 21st July, 1909.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £8 to £11 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the licence, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the licence. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the licence. If in the third class, improvements to the value of 5s. per acre must be made before the end of the third year from the date of the licence, and the balance of 5s. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence-fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the lease and the Crown grant, providing, that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,500 acres, if the land be in any other class.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Inquiry Office, Lands, Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

	Preliminary Deposit.	Security.
	£	£
No. 27. Printers' and bookbinders' materials	6	30

Schedules as above, giving an estimate of the articles required, and printed forms of tender, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information or explanation afforded to persons tendering.

Tenders must include the whole of the articles mentioned in the schedule, and a separate price must be stated for each article.

The total amount of the tender where indicated must be expressed in words as well as in figures.

Tenders having alterations or erasures therein will not be entertained.

Tenders must be accompanied by the preliminary deposit as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required either in Victorian Government debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

Persons failing to take up their contracts will be disqualified from tendering for Government supplies for a period of twelve months.

Tenders, enclosed in a separate envelope, and having the words "Tender for Printers' and Bookbinders' Materials" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The Government will not be bound to order from the contractor all or any of the articles enumerated in the schedule, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedule, the contractor will nevertheless be bound to supply the same at contract rates.

2. The supplies are to be the same as sample (where so stated), and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds or manufacture. A preference will, however, be given to goods of Victorian manufacture, provided the quality is equal to the particular manufacture indicated in the schedule.

3. All orders for supplies will emanate from the Government Printer. These orders must accompany the goods on delivery, otherwise the goods will not be received. Delivery, as a rule, is to be of the full quantity ordered.

4. Supplies ordered must be delivered free of all charges (whether cartage, freight, &c.). The value of all packages, cases, casks, &c., whether bulk or broken or not, must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for.

5. Arrangements as to time of delivery and inspection of goods will be made by the Government Printer.

6. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the Government Printer, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

7. The contractor will be required to furnish his account in the prescribed form simultaneously with delivery of the full quantities of goods ordered, the account being rendered with the order to which it relates. The prices quoted in the orders cannot be increased.

8. The acceptance of the supplies shall be subject to the approval of the Government Printer, whose decision shall be final.

9. Delivery will not be deemed to have been made until the goods have been approved of. All articles rejected must be immediately replaced by the contractor, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Condition 6.

10. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulet, not exceeding Fifty pounds, as the Treasurer may direct, and the amount may be deducted as in Condition 6. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any portion of the security money.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

12. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government Printing Office; or by any article being made at any Government establishment, and supplied for use in the Government Printing Office; or by the consumption of the surplus stock of any Government establishment.

13. In the event of any alteration in the Tariff affecting any of the items included in this contract, the Government or the contractor (as the case may be) may give two months' notice of the termination of the contract to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made.

14. Under no circumstances other than those mentioned in clause 13 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

15. In the event of a tender for articles of Commonwealth manufacture being accepted under this schedule the following clause will be enforced:—

No subletting will be allowed; all work must be carried out in the factory of the Contractor; the hours of employment of any person engaged in the manufacture of the articles tendered for in this Schedule shall not exceed 48 per week, and in case of articles being manufactured for which a Wages Board has not fixed rates of pay under the Factories and Shops Acts every such person shall be paid at a minimum wage of not less than £2 8s. for a man and £1 for a woman per week respectively, but in cases where a Wages Board has provided rates of pay for any particular article, every such person shall be paid such wages and employed subject to such conditions as are or may be determined by such Board; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

W. A. WATT,
Treasurer.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender Box on or before Saturday, 24th July, 1909.

NOTE.—No tender will be accepted unless the fee for the period from 1st August, 1909, to 30th September, 1910, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Saturday, 24th July, 1909, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The periods of occupation will be for fourteen months—from 1st August, 1909, to 30th September, 1910.

2. The fee for the periods from 1st August, 1909, to 30th September, 1910—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.
4. *Tenders to be addressed to the Secretary for Lands* (Tender Box), Melbourne.

5. The highest or any tender not necessarily accepted.
6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries is excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act* 1901.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
