stated and annexed to the descriptions thereof, and the bidder of that sum, or the highest bidder above it, will be declared the lessee, provided he shall immediately pay down one quarter's rent and sign a description hereunto annexed of the lot of which he shall become the lessee, thereby binding himself to the observance of the above and following Articles and Conditions. The purchaser of the right to lease a business allotment may, immediately after purchasing, exercise the option of taking one or two adjoining sites at the same rate, providing that no additional allotment be a corner one.

2. Immediately after the biddings on each lot are concluded, and before another lot is put up, the name of the purchaser of the right to lease will be entered in the list of the descriptions of the lots annexed to these presents, and the purchaser will be required to affix his signature to the description of the lot the right to lease which has been so purchased by him. If previous to such signature any question or dispute as to the last and best bidder shall arise between the sellers and bidders, or amongst the bidders themselves, the lot in question shall be put up again. Subsequent to such signature no dispute whatever can be admitted, nor can any alteration of name or transfer from the actual purchaser to another person be allowed. No bid made after the fall of the auctioneer's hammer will be received. In cases of question or dispute, the decision of the officer conducting the sale on behalf of the Government shall be final and conclusive.

4. It shall be lawful for the Governor, by and with the advice of the Executive Council, at any time within thirty (30) days from the date of sale to annul the sale of the right to the lease of any lot or lots, and to repay to the purchaser the amount of rent paid by him, without interest, cost, or damages of any description, in full satisfaction of all claims and demands whatsoever by such purchaser, and the publication of a notice to the effect that the Governor has as aforesaid annulled any such sale shall be conclusive evidence that such sale has been completely and effectually annulled.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS.

THE land is situated about 9 miles north from Lake Tyrrell, and is from 14 to 24 miles north-west from Chillingollah railway station.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 25 h May, 1910.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will be from £9 to £11 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the second class, to the value of 2s. 6d. per acre before the end of the second year from the date of the licence, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the licence.

If in the third class, substantial and permanent improvements shall be made on the land, to the value of 5s. per acre, before the end of the third year from the date of the licence, and the balance of 5s. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence-fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the lease and the Crown grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,500 acres, if the land be in any other class.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the

total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Scymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.
