14. Every school approved as a Practising School shall be open at all reasonable times for inspection by any inspector authorized by the Board.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS.

THE land lies parallel to the Mildura railway line, and is west of Turriff, Speed, and Tempy railway sidings.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 23rd February, 1910.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will be from £9 to £10 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the second class, to the value of 2s. 6d. per acre before the end of the second year from the date of the licence, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the licence.

If in the third class, substantial and permanent improvements shall be made on the land, to the value of 5s. per acre, before the end of the third year from the date of the licence, and the balance of 5s. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence-fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the lease and the Crown grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,500 acres, if the land be in any other class.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

Commissioner of Crown Lands and Survey.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS.

THE land is situated on the Ouyen-Kow Plains railway line, now in course of construction, and is from 14 to 20 miles west and south-west from Ouyen.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, or delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 23rd February, 1910.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the licence, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the licence. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the licence. If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the licence, and the balance of 5s. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence-fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the Lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,500 acres, if the land be in any other class.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

Commissioner of Crown Lands and Survey.

TENDERS will be received on or before Wednesday, 26th January, 1910, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for eight months from 1st February, 1910, to 30th September, 1910.

2. The fee for the period from 1st February, 1910, to 30th September, 1910—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands* (Tender Box), Melbourne.

8. The outgoing tenant has the option to remove any existing fencing within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act* 1901.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
