5. The buildings when erected must be maintained throughout the whole term of the lease in good order and repair to the satisfaction of the Board of Land and Works.

6. The lessee shall be bound to keep all buildings insured to their full value, as fixed from time to time by the Surveyor-General for the time being, the insurance to be in the name of the Treasurer of the State of Victoria, and the policy in respect thereof to be deposited at the Treasury.

A SALE of the Right-to-Lease for a period of Twenty-one (21) years, Crown allotments hereinafter described, will be held at the UPPER ATHENÆUM HALL, 188 Collins-street, Melbourne, on TUESDAY, 21st JUNE, 1910, at HALF-PAST ONE o'clock p.m. To be conducted by T. H. TAYLOR, Esq., Auctioneers: Messrs. BAILLIEU, PATTERSON, & SONS PROP. LTD.

CONDITIONS OF SALE.

1. The right to lease the land hereinafter described will be put up for sale at the annual rentals respectively stated and annexed to the descriptions thereof, and the bidder of that sum, or the highest bidder above it, will be declared the lessee, provided he shall immediately pay down one quarter's rent and sign a description hereunto annexed of the lot of which he shall become the lessee, thereby binding himself to the observance of the above and following Articles and Conditions. The purchaser of the right to lease an allotment may, immediately after purchasing, exercise the option of taking one or two adjoining sites at the same rate, providing that no additional allotment be a corner one.

2. If previous to such signature any question or dispute as to the last and best bidder shall arise between the sellers and bidders, or amongst the bidders themselves, the lot in question shall be put up again. Subsequent to such signature no dispute whatever can be admitted, nor can any alteration of name or transfer from the actual purchaser to another person be allowed. No bid made after the fall of the auctioneer's hammer will be received. TENDERS will be received on or before Thursday, 23rd June, 1910, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for fifteen months from 1st July, 1910, to 30th September, 1911.

2. The fee for the period from 1st July, 1910, to 30th September, 1911—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
