SALE OF RIGHT-TO-LEASE.

A SALE of the Right-to-Lease for a period of Twenty-one (21) years, Crown allotments hereinafter described, will be held at the UPPER ATHENÆUM HALL, 188 Collins-street, Melbourne, on TUESDAY, 21st JUNE, 1910, at HALF-PAST ONE o'clock p.m. To be conducted by T. H. TAYLOR, Esq., Auctioneer: Messrs. BAILLIEU, PATTERSON, & SONS PROP. LTD.

CONDITIONS OF SALE.

1. The right to lease the land hereinafter described will be put up for sale at the annual rentals respectively stated and annexed to the descriptions thereof, and the bidder of that sum, or the highest bidder above it, will be declared the lessee, provided he shall immediately pay down one quarter's rent and sign a description hereunto annexed of the lot of which he shall become the lessee, thereby binding himself to the observance of the above and following Articles and Conditions. The purchaser of the right to lease an allotment may, immediately after purchasing, exercise the option of taking one or two adjoining sites at the same rate, providing that no additional allotment be a corner one.

2. Immediately after the biddings on each lot are concluded, and before another lot is put up, the name of the purchaser of the right to lease will be entered in the list of the descriptions of the lots annexed to these presents, and the purchaser will be required to affix his signature to the description of the lot the right to lease which has been so purchased by him. If previous to such signature any question or dispute as to the last and best bidder shall arise between the sellers and bidders, or amongst the bidders themselves, the lot in question shall

be put up again. Subsequent to such signature no dispute whatever can be admitted, nor can any alteration of name or transfer from the actual purchaser to another person be allowed. No bid made after the fall of the auctioneer's hammer will be received. In cases of question or dispute, the decision of the officer conducting the sale on behalf of the Government shall be final and conclusive.

3. Persons having affixed their signatures to the lists of the descriptions of the lots annexed to these presents, in token of their having become lessees (or agents for lessees) of the lots to which their signatures are respectively so affixed, will be held to have previously obtained all necessary information, and not entitled to allege ignorance or any other cause for their not fulfilling all and every obligation incumbent upon them by these Articles and Conditions.

4. It shall be lawful for the Governor, by and with the advice of the Executive Council, at any time within thirty (30) days from the date of sale to annul the sale of the right to the lease of any lot or lots, and to repay to the purchaser the amount of rent paid by him, without interest, cost, or damages of any description, in full satisfaction of all claims and demands whatsoever by such purchaser, and the publication of a notice to the effect that the Governor has as aforesaid annulled any such sale shall be conclusive evidence that such sale has been completely and effectually annulled.

Burials of deceased persons from sub-districts north of the Yarra, with the exception of those buried from the Morgue, will take place at The New Melbourne General Cemetery, Fawkner, and those from sub-districts south of the Yarra, including burial from the Morgue, at the Springvale Necropolis respectively.

Tenders, which must be upon the printed form, will be received for either funerals or removals, but if both services be included in one tender it may, if advisable, be accepted for one service only.

For funerals separate prices must be stated for adults, for children above five years under fourteen years of age, and for children under five years of age including still-born—one sum is to be stated for each, including interment, conveyance, Railway charges, and all other charges whatsoever, except ministers' fees. For removals separate prices must be stated for adults and children under seven years of age.

Tenders must state the prices in words as well as in figures, without alterations or erasures.

Tenders must be accompanied by a preliminary deposit in bank notes, or a bank draft payable to the order of the Secretary to the Tender Board for £5 for burials and £5 for removals (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required, in the sum of £25 for burials, and £25 for removals, either in cash, Victorian Government debentures, Bank deposit receipt, or Savings Bank deposit book in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenders, indorsed "Tender for Funerals or Removals" (as the case may be), are to be deposited in the Tender-box at the Pay Office, Treasury, or addressed to the Chairman, Tender Board, Pay Office, Treasury, Melbourne.

The Government will not necessarily accept the lowest or any tender.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under 31 Victoria No. 310, section 9, cemetery fees are not payable in the cases of paupers buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the necropolis, or to the cemetery as the case may be, and no more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctively offensive character, such as of persons drowned and long in the water, or such

as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor, of timber 1-inch in thickness.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the New Melbourne General Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the Yarra, excepting bodies buried from the Morgue, and to the Springvale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and Cemetery Regulations.

9. In the event of the contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

10. When burials or removals are required to take place on Sunday, or, in the case of any lunatic asylum, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the necropolis or cemetery authorities in the case of burials will be repaid to the contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternately, and the contractor must inform the Police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the contractor gives the order for interment. The contractor must pay the minister's fee for reading the burial service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed at the time of the burial, and that he received the fee for so doing. Should the burial service not be performed at the time of the burial no reimbursement will be allowed. The receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

12. Bodies to be removed to the Morgue shall be placed before removal in shell coffins, zinc lined and watertight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles.

13. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

14. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne. The charge for the minister's fee should be included in the account for the funeral.

15. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals or removals will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

16. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

17. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

18. No subletting will be allowed; all work must be carried out by the contractor, the hours of employment of any person engaged in the burials or removals tendered for in this schedule are not to exceed forty-eight per week, and every such person shall be paid at the minimum wage of not less than 7s. per day, unless other wages and conditions may be determined by any Special Board under the Factories and Shops Acts which may be appointed for this service during the currency of the Contract, when every such person shall be employed at such wages and subject to such conditions as may thus be determined; and a copy of these labour conditions shall be kept conspicuously and continually posted, in legible Roman characters, in the factory or shop (and in each part of the factory or shop where several rooms are in use) in which funerals are prepared under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £50 (fifty pounds), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement, and in all other respects.

Treasurer.

\* 10 per cent. on total amount of tender accepted, except when otherwise specified in the tender form, but in no case will security of less than £5 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown to persons tendering.

In certain schedules where doubt exists as to whether the articles enumerated may or may not be manufactured within the Commonwealth, double columns are inserted for the rates, "A" for articles manufactured within the Commonwealth and "B" for articles manufactured elsewhere.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacture indicated in the schedule and the rates charged are considered reasonable.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required, either in Victorian Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

Tenderers failing to take up their accepted tenders will be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender.

It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for —" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

The Conditions of Contract are those published under General Stores in the *Government Gazette* of 13th April, 1910, p. 2091.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

## Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

#### Special Conditions.

1. The period of occupation will, except where otherwise specified, be for fifteen months from 1st July, 1910, to 30th September, 1911.

2. The fee for the period from 1st July, 1910, to 30th September, 1911—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent

jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
