An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £4 15s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

## CARTAGE.

TENDERS will be received until Eleven o'clock a.m. on Thursday, 28th September, 1911, for delivery in the Metropolitan Area of goods, parcels, and furniture as may be forwarded from or to the various Government Offices, Railways, &c., by the Stores and Transport Department for and on behalf of the Government of Victoria, to the 30th June, 1913, as per Schedules 1, 2, and 3.

A deposit of £5 in bank notes or bank draft, and payable to the order of the Secretary to the Tender Board (cheques will in no case be received), must accompany each tender, which will be returned to unsuccessful tenderers within five days on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security of £10 for each sub-schedule will be required, either in Victorian Government Debentures, Saving Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenders may be accepted or rejected for each sub-schedule separately.

Tenders must express the prices in words as well as in figures, and without alterations or erasures.

Full particulars, forms of tender, conditions of contract, &c., may be obtained at the office of the Secretary to the Tender Board, Treasury, Melbourne.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, they must be prepaid, and addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne.

## CONDITIONS OF CONTRACT.

1. The prices quoted cover all descriptions of parcels and goods, including furniture, &c.

2. A separate charge is to be made for each consignment, such charge to be for the gross weight thereof, irrespective of the number of packages. Accounts in all cases to be made out by weight only, and to be rendered monthly, supported by the way-bills properly receipted, subject to any deductions for damage sustained to the goods whilst in the custody of the carrier. For removals of officers' furniture and effects, however, a separate charge must be made per van per hour, including loading and re-loading as required, and a certificate from the officer concerned must accompany the voucher setting forth the number of hours employed before payment can be made. Where it is necessary to employ extra labour, as in the case of bulky consignments, a receipt for the amount paid, duly witnessed, shall accompany the account.

3. Double rates will be paid for consignments of beer and spirits obtained from bond, and also to cover detention when obtaining shipments from the railways or ship's side, but in no other cases will detention be allowed for.

4. The contractor shall in all cases, against each separate charge in his accounts, quote the number of the consignment or delivery note, which will be found on each consignment or package forwarded by the departments. Should the number not be on the package then the name of the consignor should be quoted in lieu thereof. Any infringement of this condition will render the contractor, on report, liable to such fine as the Tender Board may recommend, and the amount will be deducted from any account due to the contractor or from the security money.

5. The vehicles in which goods, &c., are carried must be in thorough working order, with good waterproof covers. Horses to be sound, fast, and staunch, and subject to the approval of the officer requiring the service.

6. The contractor must have an office connected with telephone, and within the radius of the city proper, and as regards the service for the Government Printing Office under sub-schedule 6, he will be liable to be called upon to provide the vehicle at any hour of the day or night.

7. Thirty minutes will be deemed sufficient notice, and in the event of the contractor failing to supply the vehicles when ordered, and to the satisfaction of the officer requiring the service, such service will be performed at his risk and expense, and the extra expense incurred shall be deducted as in Condition 4.

8. Vehicles as required must call at the Stores and Transport Offices twice daily, viz., 12 noon and 4 p.m., for goods and parcels, and on such other special occasions when notified without extra payment, otherwise the service will be performed at the contractor's risk and expense, and the amount deducted as in Condition 4.

9. Bills of lading for oversea and Inter-State shipments must be obtained from the shipping company when required, and deposited at the office of the Secretary to the Tender Board in time for the first outgoing mail and prior to the departure of the vessel.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. No subletting will be allowed; all work must be carried out by the contractor; and every person engaged in the cartage tendered for in this schedule shall be paid such wages and employed subject to such conditions as are or may be determined by the Carters Board under the Factories and Shops Acts; and a copy of this labour condition shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

13. The contractor shall, before any account is passed for payment for services rendered, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 12 of these conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.
