1. *Mode of Appointment of Members.*—In the case of Trusts the whole or any number of the members of which are by the Order in Council constituting the Trust to be appointed by the Governor in Council shall be appointed by an Order in Council.

2. *Elected Members.*—In the case of Trusts the whole or any number of the members of which are by the Order in Council constituting the Trust to be elected such members according to the number allotted by the Order in Council shall be elected by the classes of bodies or persons specified in the Order in accordance with regulations for the time being in force governing such elections.

3. *Term of Appointed Members.*—Members of a Trust appointed by the Governor in Council shall hold office for the term of four years unless sooner removed in the manner hereinafter provided. Elected members of a Trust (if any) shall hold office for the term prescribed for the circumstances of their case by the regulations for the time being in force governing the election of members to that

particular Trust, but in no case shall an elected member hold office for a longer term than three years without re-election.

4. *Removal of Appointed Members.*—In addition to the events vacating a member's seat specified in section 23 of the *Mines Act 1907*, any person appointed a member of a Trust by the Governor in Council may be removed from office at any time by an Order in Council.

5. *Re-appointment of Members.*—Any person appointed a member of a Trust may at the expiration of his term of office be from time to time re-appointed for a further term of four years.

6. *Resignation of Members.*—Any member of a Sludge Abatement Trust desiring to resign his office shall forward to the Minister for the time being administering the *Mines Act* a written notification of such his desire, and such resignation shall date from the time when such notification is left at, or would reach in due course of post, the office of the Minister.

7. *Chairman.*—The chairman shall be elected at the first meeting of the Trust, or at any adjournment thereof, and thereafter annually by a majority of votes of those present, and he shall hold office as chairman for one year if he so long remain a member of the Trust and be willing to act.

8. *Resignation of Chairman.*—Any chairman may at any time by writing, addressed to the Trust, resign his office of chairman.

9. *Vacancy of Chairman Filled.*—Any vacancy in the position of chairman shall be filled at the next meeting of the Trust after such vacancy occurs, or at any adjournment thereof, in the same manner as aforesaid, and such election shall be the first business on the notice-paper for such meeting.

10. *Appointment by Minister.*—In the event of any Trust failing or neglecting to elect a chairman the Minister may by writing under his hand appoint one of the members of the Trust to be chairman, who shall hold office for one year if he so long remain a member and be willing to act.

11. *Vice-Chairman.*—In the absence of the chairman through illness or otherwise at any meeting, the members of the Trust present shall elect a vice-chairman to conduct the business of that meeting.

12. *Special Meetings.*—Any Trust may hold special meetings which may be called upon the requisition of the chairman, or upon the requisition in writing under their hands of any two members, addressed to the chairman, but no such special meeting shall be held unless three clear days' notice thereof at least shall be given.

13. *General Conduct of Business.*—In all cases not herein provided for resort shall be had to the rules, forms, and usages of Parliament, which shall be followed, so far as the same are applicable, to the proceedings of a Trust.

14. *Notice of Meetings.*—A notice of every meeting of the Trust shall be by the secretary delivered or sent by the post, addressed to the usual or last-known place of abode of each member, three clear days at least prior to the day upon which such intended meeting is to be held.

15. *Minutes to be read at Second Meeting.*—At every meeting of any Trust the first business thereof shall be the reading and putting of the question, the confirmation of the proceedings at the preceding meeting, and the reading of the minutes of the proceedings of any committee presented at any such preceding meeting, and no discussion shall be permitted thereon, except as to their accuracy as a record of their proceedings; and the said minutes of the proceedings at the preceding meeting shall then be signed by the chairman.

16. *Order of Business of Meetings.*—After the signing of the minutes as aforesaid the order of business of any ordinary meeting shall be as follows, or as nearly thereto as may be practicable; but for the greater convenience of the Trust at any particular meeting thereof it may be altered by resolution to that effect:—

- (2) Reading letters received, and considering and ordering thereon.
- (3) Reception and reading of petitions, and memorials.

- (7) Orders of the day, including subjects continued from proceedings of former meetings.
- (8) Extraordinary business.
- (9) Other motions, of which previous notice has been given.
- (10) Notice of motion.

And the order of business at a special meeting shall be the order in which such business stands in the notice thereof.

17. *Motions.*—All notices of motion shall be given in writing to the secretary at least seven clear days before the meeting at which the motion is intended to be moved, and the secretary shall, three clear days at least before such meeting, cause notice of such intended motion to be sent to each member. A notice of motion may be handed to the secretary at any meeting, and, on being read to the meeting, may be dealt with at the next meeting.

18. *Notice of Motion to be given.*—No member shall make any motion initiating a subject for discussion but in pursuance of notice given as prescribed in the last preceding clause.

19. *Petitions.*—No motion except that for receiving the same shall, unless under most urgent circumstances, and then only by leave being granted by a two-thirds majority of those present at the meeting, be made on any petition, memorial, or other like application until the next ordinary meeting of the Trust after that at which it has been presented.

20. *Motions to be Moved in Order.*—Except by leave of a majority of the members present, motions shall be moved in the order in which they have been received, and if not so moved shall be struck out.

21. *Motion to be Moved by Member giving Notice.*—No motion shall be proceeded with in the absence of the member who gave notice of the same unless by some other member producing written authority from him to that effect.

22. *Mover of Motion appointing Committee to be Member.*—The mover of every motion appointing a committee shall be a member of such committee.

23. *Draft of Address or Petition to be submitted at previous Meeting.*—No motion for any address or petition shall be entertained unless the mover shall at some previous meeting have submitted a draft of the same.

24. *Order, &c., of Debate.*—Any member desirous of making a motion or amendment, or taking part in discussion thereon, shall rise and address the chairman, and shall not be interrupted unless called to order, and then he shall sit down until the member calling to order shall have been heard thereon, and the question of order disposed of, when the member in possession of the chair may proceed with his subject.

25. *Nature of Motion to be Stated.*—Any member desirous of proposing an original motion or amendment must state the nature of the same before he addresses the Trust thereon.

26. *No Motion to be Withdrawn without Leave.*—No motion or amendment shall be withdrawn without the leave of the majority of members present.

27. *Motion to be Seconded.*—No motion or amendment shall be discussed or put to the vote of the Trust unless it be seconded; but a member may, however, require the enforcement of any standing order of the Trust by directing the chairman's attention to the infraction thereof.

28. *Mover of Motion.*—A member moving a motion shall be held to have spoken thereon, but a member merely seconding a motion shall not be held to have spoken upon it.

29. *Motions, &c., how Decided.*—All questions at any meeting of the members of any Trust shall be decided by a majority of the members present. In case of equal division of votes the chairman at such meeting shall have a second or casting vote in addition to his vote as a member.

30. *Resolution not to be Revoked unless under certain Circumstances.*—No resolution or other act of the Trust at any meeting shall be revoked or altered at any subsequent meeting unless such meeting be specially convened for the purpose, nor unless such revocation or alteration be determined upon by a majority consisting of at least two-thirds of the members present at such subsequent meeting.

31. *Priority of Speakers.*—If two or more members rise to speak at the same time the chairman shall decide by naming the member who is entitled to priority.

32. *Members to Address Trust Standing.*—Every member, including the chairman, shall stand while addressing the Trust.

33. *Points of Order.*—The chairman, when called upon to decide on points of order or practice, shall state the provision, rule, or practice which he deems applicable to the case without discussion or comment on the same, and his decision as to order or practice in each case shall be final.

34. *Members not to Digress.*—No member shall digress from the subject-matter of the question under discussion or comment upon the words used by any other member in a previous debate, and all imputations of improper motives and all personal reflections on members shall be deemed highly disorderly.

35. *Members to Apologize for Disorderly or Offensive Expressions.*—Whenever any member shall make use of any expression disorderly or capable of being applied offensively to any other member, the member so offending shall be required by the chairman to withdraw the expression and make a satisfactory apology to the Trust.

36. *Members Called to Order to Sit Down.*—A member called to order shall sit down, unless permitted by the Trust to explain.

37. *Strangers.*—Any person, not being a member of the Trust, who shall, having been admitted to any meeting of the Trust, be guilty thereof of any improper or disorderly conduct shall leave when requested by the chairman so to do, failing which he may be forthwith removed.

38. *Members may Demand Documents.*—Any member may of right demand the production of any of the documents of the Trust applying to the question under discussion.

39. *No Second Amendment until previous one Disposed of.*—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

40. *Mover of Motion to have Right of Reply.*—The mover of every original proposition, but not of any amendment, shall have a right of reply immediately after the question shall be put from the chair, but no other member shall be allowed to speak more than once on the same question unless permission be given to explain or the attention of the chair called to a point of order.

41. *No Discussion on Motion for Adjournment of Trust.*—No discussion shall be allowed on any motion for an adjournment of the Trust, but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice-paper, shall be discussed, or any other that may be allowed precedence before any subsequent motion for adjournment shall be entertained, but if the motion for adjournment be carried the debates on motions moved and seconded, or any other order of the day, may be resumed at the next adjourned meeting of the Trust at the point at which it was so interrupted.

42. *Protests.*—Any member may protest against any resolution of the Trust, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against, and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Trust by the protesting member in a book to be kept for that purpose in the office of the secretary, and signed by such member, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof, but such protest may be expunged from the minutes if declared by a majority of the members to be not in accordance with truth or in its terms disrespectful to the Trust.

43. *Lapsed Questions.*—If a debate on any motion moved and seconded be interrupted by the number of members present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted.

44. *Lapsed Order of the Day may be Restored.*—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-paper for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

45. *Committees.*—Minutes of all proceedings of committees shall be entered in the committee's minute-book, and, being signed by the chairman of the committee, shall be presented to the Trust.

46. *Meetings of Committees.*—The secretary shall convene every committee within ten days of its first appointment, or at any other time by order of the Trust, or on the written order of the chairman or of any two members of the committee.

47. *Petitions.*—No petitions shall be presented after the Trust shall have proceeded to the orders of the day, and every member presenting a petition to the Trust shall acquaint himself with its contents and ascertain that it does not contain language disrespectful to the Trust, and that its contents do not violate any regulation herein contained, and shall write his name at the beginning of the said petition.

48. *No Debate upon Petitions.*—No debate shall take place upon any petition or memorial except as to its being received and taken into consideration as an order of the day at some future meeting, or, if necessary, that it be referred to a committee.

49. *Secretary.*—The secretary shall keep all minutes of meetings of the Trust, or of any committee of the same; he shall also keep all account books and documents; conduct all correspondence, and perform all clerical work required to be performed for the Trust, and shall attend all meetings of the Trust or committee when required, and attend at the office for the transaction of business as provided for under these Regulations, and shall perform all other acts which shall be deemed by the Trust incumbent upon the secretary to discharge.

50. *Treasurer.*—The treasurer shall have receipt and disbursement of all moneys, and shall provide a guarantee for such amount for his fidelity and the due fulfilment of his duties and for the proper management and disposal of the funds of the Trust as the Trust may direct. All moneys received by him shall, as soon as possible thereafter, be paid into the account of the Trust in the bank wherein the same is kept. The treasurer shall at no time hold in his hands more than Twenty (£20) pounds for longer than seventy-two hours without banking the same.

51. *Payments.*—All payments of the Trust shall be paid by cheque signed by the chairman or vice-chairman and one member, and countersigned by the treasurer. The treasurer shall take account of all moneys received by the collector, and supervise that officer's accounts as provided for in these Regulations.

52. *Collector.*—Every collector shall give security for his fidelity and due fulfilment of his duties for such amount as the Trust may determine; he shall give no receipts except upon the printed forms provided for the purpose, and every receipt shall have a butt filled in by him containing all particulars of moneys received and from whom. The collector shall pay to the treasurer all moneys received by him at least once a week, and shall at no time hold more moneys of the Trust than Twenty (£20) pounds for longer than seventy-two hours without paying the same to the treasurer; he shall, at the close of each month or oftener if directed, submit his books and butts, with the statement of all amounts collected, to the treasurer, and render to him a full account then or whenever demanded by the treasurer, of all moneys received by the collector on account of the Trust.

53. *Amalgamation of Offices.*—Any Trust may, with the written approval of the Minister, amalgamate any one or more of the offices of secretary, treasurer, or collector, but any time subsequent to such amalgamation such Trust may, on its own motion, or shall when required in writing by the Minister, separate and appoint a separate person to fill each office, or a separate person to fill any two of them, and a second separate person to fill the third.

54. *Appointment, &c., of Officers.*—No appointment to any office at the disposal of the Trust shall be made until seven clear days' notice has been given, by advertisement in one or more newspapers circulating in the Sludge Abatement District, inviting applications from qualified candidates for the same.

55. *Salaries of Officers, &c.*—The salary or allowance attached to all offices and places at the disposal of the Trust shall in all cases be fixed before they proceed to appoint any person to fill the same, and before the advertisement inviting applications as aforesaid, and shall be specified in such advertisement.

56. *Determination of Employment of Officers.*—No appointment of any person as an officer or employé of any Trust shall be made or operate to have effect on any terms or conditions which would in any way prevent the Trust from at any time determining such person's employment by notice, which notice may, by agreement, be provided to run for any time less, but shall in no case exceed twenty-eight days. In the absence of any express agreement providing for notice, all officers and employés of any Trust shall hold office during pleasure only.

57. *Expenses of Preparing Security.*—In all cases of security being given for the faithful performance of any duty the expense of such security shall be borne by the Trust.

58. *Accounts to be Kept of Receipts and Disbursements.*—Every Trust shall cause books to be provided and kept, and true and regular accounts to be entered therein, of all sums of money received and paid for or on account of the Trust's business and undertakings, and of the several purposes for which sums of money shall have been received and paid, and which books shall at all reasonable times be open to the inspection of any officer appointed by the Minister, which officer may take copies of or abstracts from the said books without payment.

59. *Accounts to be Audited and Furnished.*—The accounts of all moneys received and disbursed by any Trust shall be audited once at least in every year by some person approved for that purpose by the Minister, such person shall have in respect to such accounts all the powers conferred on the Auditor-General by any law now or hereafter to be in force relating to the audit of the public accounts, and such Trust shall at least once in every year furnish to the Minister a true copy of the accounts so audited as aforesaid, together with a particular statement of the moneys received by the Trust and of the expenditure thereof.

60. *Procedure for Making By-laws.*—When any Trust proposes to make any By-law preliminary to the making of the same a resolution to make the same shall be agreed upon at some meeting of the Trust held for that purpose. After adopting any resolution for the making

of a By-law the Trust shall allow an interval of fourteen days at least to elapse, and shall in the meantime advertise in some newspaper circulating within the Trust's district at least seven days before the resolution is to be confirmed its intention to confirm such By-law. In the notice advertising the Trust's intention to confirm any By-law the Trust shall set forth such proposed By-law, or the general purport thereof, and shall notify that a copy thereof is open to inspection by any person at all reasonable times at the office of the Trust. After the expiration of the time limited in any such notice every By-law shall be passed by the Trust under its common seal, and shall forthwith be forwarded to the Minister for the approval of the Governor in Council, and after such approval has been obtained such By-law shall be published in the *Government Gazette*, as required by sub-section (2) of section 49 of the *Mines Act 1907*.

61. *Common Seal.*—The secretary of the Trust shall have the custody of the common seal, and shall be responsible for the same, and impressions shall only be made by order of the Trust, verified by the signatures of the chairman and a member or by two members, and in either case the secretary.

62. *Suspension of Rules.*—With the exception of clause 30, any one or more of the clauses of this Regulation concerning the regulation of the proceedings of a Trust when in session may be suspended for the time being in cases of emergency and with the consent of a majority of the members present at any meeting.

Land Act 1911, Section 22.
MALLEE LANDS AVAILABLE FOR APPLICATION AS SELECTION PURCHASE ALLOTMENTS.

The land is situated on the Mildura railway line, near the Carwarp and Yatpool railway stations, and is from 11 to 25 miles from Mildura.

APPPLICATIONS (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 16th October, 1912.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 34 years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The lease will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the fourth, fifth, and sixth years of the term of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease; and shall reside on the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate

authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board,

TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Saturday, 26th October, 1912.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Saturday, 26th October, 1912, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for eleven months from 1st November, 1912, to 30th September, 1913.

2. The fee for the period as shown in the head-lines— for which the licence will be issued, and fee for licence— must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act* 1901.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

SHIRE OF ELTHAM.

BY-LAW No. 8.

A By-law of the Shire of Eltham, made under section 179 of the *Local Government Act 1903*, and numbered 8, adopting Division 10 of Part 18 of the said Act, relating to fixing the levels of streets and laying out streets on private property.

IN pursuance of the powers conferred by the *Local Government Act 1903*, the President, Councillors, and Ratepayers of the Shire of Eltham order as follows:—
 1st. That Division 10 of Part 18 of the *Local Government Act 1903*, sections 513 to 525 inclusive, is hereby adopted.

Section 513.—In this subdivision the word "street" shall be deemed to include any portion not being less than ten chains of the length of such street.

Section 514.—The level of every street not already fixed shall be fixed under the direction of the surveyor of the Council, subject to such right of appeal as hereinafter mentioned; and the level so fixed, if not altered on appeal, shall be kept thereafter by every person erecting any house or other building in such street.

Section 515.—One month at the least before fixing the level of any street which has not theretofore been levelled or paved the Council shall give notice by advertisement, to be twice inserted in some newspaper generally circulating in the neighbourhood, of their intention to fix the level thereof, which notice shall set forth the name and situation of the street the level whereof is to be fixed, and shall refer to plans of such intended work, and shall specify a place where such plans may be seen and a time when, and place where, all persons interested in such intended work may be heard thereupon.

Section 516.—(1) The Council shall meet at the time and place mentioned in such notice and consider any objections made against such intended work.

(2) All persons interested therein, or likely to be aggrieved thereby, shall be entitled to be heard before the Council at such meeting.

(3) Thereupon the Council in their discretion may adopt or abandon or make such alterations in the said intended work as they judge fit.

Section 517.—(1) Any person aggrieved by any order of the Council as aforesaid relating to the level of any street may at any time within fourteen (14) days next after the making of any such order give notice to the Council that he intends to appeal against such order to a police magistrate sitting in a Court of Petty Sessions holden nearest to the street to which such order relates and within one month after the service of such notice.

(2) If within eight (8) days after giving such notice the party enters into a recognisance before some Justice with two sufficient sureties conditioned to try the appeal and abide the order of the Court and to pay such costs as may be awarded by the Court thereon, the order so appealed against shall not take effect until after the judgment on such appeal.

(3) Such Court shall hear and determine the matter of the appeal, and shall make such order thereon either confirming, quashing, or varying the order of the Council as to it may seem fit.

Section 518.—When the level of any street has been formally fixed under any law for the time being in force relating to the local government in altering the level of the ground in such street to conform to the level of such street as so fixed, the Council of the municipality shall not be compelled at any one time to raise or lower the level of the ground to the full extent that may be required in order to conform to such level as fixed, but may raise or lower the level of the ground to a less extent than is necessary in order to conform to such level, and so on from time to time; and the municipality shall not be compelled to make compensation to any one in consequence of so proceeding, provided that the level of such street as so fixed is not exceeded either upwards or downwards.

Section 519.—If after the fixing of the level of any street under the provisions of any law for the time being in force relating to local government, the Council of any municipality alter the level of the ground in such street, save to conform to the level so fixed, the municipality shall make full compensation to all persons interested in any property injuriously affected by such alteration.

Section 520.—(1) If after the fixing of the level of any street under the provisions of any Act for the time being in force relating to local government the Council deem it necessary to raise, sink, or otherwise alter the level of any street in which any water-pipe or gas-pipe or other waterworks or gasworks are laid, they shall from time to time, by notice in writing, require the person to whom such pipes or works belong to cause forthwith, or as soon as conveniently may be, such pipes or works to be raised, sunk, or otherwise altered in position in accordance with the altered level of such street, provided that such alteration be not such as permanently to injure such works.

(2) The expenses attending such raising, sinking, or altering, and full compensation for every damage done thereby, shall be paid by the Council, as well to the person to whom such pipes belong as to all other persons injuriously affected thereby.

Section 521.—If the person to whom any such pipes or works belong does not proceed forthwith, or as soon as conveniently may be after the receipt of such notice, to cause the same to be raised, sunk, or altered in such manner as the Council require, the Council may themselves cause such pipes or works to be raised, sunk, or altered as they think fit, provided that such works be not permanently injured thereby.

Section 522.—(1) Every person who intends to make or lay out any new street in any part of any municipal district to which the provisions of this Division of this Part of this Act apply shall—

- (a) Give notice of such his intention to the Council of the municipality in order that the level of such street may be fixed by the Council; and
(b) submit to the Council a plan showing such street and the lands abutting thereon and the levels thereof so as to enable the Council to ascertain whether such street and lands can be sufficiently drained.

(2) The Council may refer such notice, plans, and levels to their surveyor or engineer for report thereon, and may demand and receive from the person giving such notice such fees as they think reasonable; and the Council shall pay such fees to their surveyor or engineer for any report, inspection, or other service made or performed by him under this section.

Section 523.—(1) Notwithstanding anything in this Division contained, such person shall not lay out such street unless the Council certify, in writing, that, in their opinion, such street and lands can be sufficiently drained.

(2) But if any such person is aggrieved by the neglect for three months after the delivery of plan, or by the refusal of the Council to give such certificate, he shall have the same right of appeal as is hereinbefore provided in the case of any person aggrieved by any order of the Council relating to the level of any street, and all the provisions relating to such last-mentioned appeal shall be deemed to apply accordingly.

Section 524.—(1) If the Council do not fix such level within three months from the time of the delivery of such notice as aforesaid, unless the fixing of such level is delayed by the appeal hereinbefore provided, the person giving such notice may proceed to lay out the street at any level which will allow of compliance with the other provisions of this Act as if such level had been fixed by the Council.

(2) In such case every change of the level which the Council afterwards deem requisite, and the works consequent thereon, shall be made by the Council, and the expense thereof and any damage which any person sustains in consequence of such alteration shall be defrayed by them.

Section 525.—(1) Every person who makes or lays out any such new street as aforesaid without causing such notice to be given to the Council or without receiving such certificate as aforesaid, except as provided in the last preceding section, shall be liable to defray all the expenses consequent upon any change of the level of the said street deemed requisite by the Council.

(2) Every person who in building any house or other building in such street does not keep the level fixed by the Council shall be liable to defray all the expenses consequent upon any change of the level of that part of the street on which such house or building abuts which the Council deem requisite.

2nd. This By-law shall apply to and have operation throughout the whole of the municipal district of the Shire of Eltham.

The common seal of the Shire of Eltham was hereto affixed, in pursuance of order of the Council made the 1st day of April, 1912, in the presence of—
