SHIRES OF YACKANDANDAH AND CHILTERN.

PROPOSED SEVERANCE.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of rate-payers in the Barnawartha Riding of the Shire of Yackandandah, and they desire that the said Riding may be severed from the Shire of Yackandandah and annexed to the Shire of Chiltern.

The petitioners state that the greater portion of the Riding lies nearer to Chiltern than Yackandandah, that the Town of Chiltern is their business centre, consequently the roads of Chiltern Shire are largely used by them, and that Councillors of the said Riding are put to considerable inconvenience in attending Council meetings owing to the long distance to be travelled.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever the Barnawartha Riding from the Shire of Yackandandah, and annex same as a separate Riding to the Shire of Chiltern.

Notices for the petitioners may be served on Mr. Arthur B. Barlow, "The Retreat," Barnawartha.

1. All former By-laws, so far as they relate to the matters and things provided for in this By-law, are hereby repealed.

2. This By-law shall come into full force and operation on its confirmation by the Board of Public Health, and immediately after its publication in the *Government Gazette*.

3. This By-law shall apply to and have operation in the townships and immediate surroundings of Lexton, Evansford, Waubra, and Amphitheatre.

4. The occupier of any premises on which there is a closet or privy shall cause the space under the seat of each closet or privy on such premises to be prepared, and shall permit the same to be used for the double-pan service, hereinafter provided for, and shall cause the closet or privy to be kept in a fit state for such service.

5. The Council shall cause every closet or privy to be supplied and kept supplied with two pans for the reception of night-soil, and a lid to closely fit the same; and shall cause one or other of such pans to be kept under the seat aforesaid.

6. The occupier aforesaid, or other person having the control or management of the premises, shall cause to be kept in every closet or privy belonging thereto a supply of dry powdered earth, ashes, charcoal, lime, sawdust, or some other material efficient for deodorizing night-soil, and shall cause all night-soil which may be deposited in the pan of such closet or privy to be immediately on the deposit thereof covered with a quantity of such deodorizing material sufficient to thoroughly and effectually deodorize the contents of such pan.

7. The Council shall at least once a week cause the pan in use to be closed with a lid, and removed with its contents from the premises in the day-time, and the other pan to be left in its place.

8. Before leaving any pan in a closet or privy the Council shall cause the same to be cleansed by super-heated steam and tar painted inside, or by some other equally efficient means.

11. If any person or the Council commit a breach of this By-law he or they shall for every such breach be liable to a penalty not exceeding Ten pounds and not less than Five shillings, or to a penalty not exceeding Five pounds and not less than Five shillings, for each day during which such breach shall be committed or continued.

1. First Meeting.—The first meeting of the Trust shall be convened by the Minister, at such time and place as he may direct.
2. Time and place of meeting.—The subsequent meetings of the Trust shall be held at such time and place as the Trustees may from time to time appoint, or, in default of such appointment, as the Minister may direct.

4. 26. Motions, &c., how decided.—All questions shall be decided in accordance with the terms of section 21, clause 1, of Act No. 1288.

27. Resolutions, how revoked or altered.—No resolution shall be revoked or altered except in accordance with clause 2 of section 21 of the same Act.

38. 39. No discussion on motion for adjournment of Trust.—No discussion shall be allowed on any motion for an adjournment of the Trust; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice-paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained; but if the motion for adjournment be carried, the debates on motions moved and seconded, or any other order of the day, may be resumed at the next adjourned meeting of the Trust at the point at which it was so interrupted.

40. Protests.—Any member may protest against any resolution of the Trust, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against; and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Trust by the protesting member, in a book to be kept for that purpose in the office of the Secretary, and signed by such member, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Trust to be not in accordance with truth, or in its terms disrespectful to the Trust.

41. Lapsed questions.—If a debate on any motion moved and seconded be interrupted by the number of members present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted.

42. Lapsed order of the day may be restored.—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-paper for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

43. Committees.—Minutes of all proceedings of Committee shall be entered in the Committee's minute-book, and, being signed by the Chairman of the Committee, shall be presented to the Trust.

44. Meetings of Committees.—The Secretary shall convene every Committee within ten days of its first appointment, or at any other time by order of the Trust, or on the written order of the Chairman, or of any two members of the Committee.

45. Petitions.—No petition shall be presented after the Trust shall have proceeded to the orders of the day; and every member presenting a petition to the Trust shall acquaint himself with its contents, and ascertain that it does not contain language disrespectful to the Trust, and that its contents do not violate any Regulation herein contained, and shall write his name at the beginning of the said petition.

46. No debate shall take place upon petitions.—No debate shall take place upon any petition or memorial, except as to its being received and taken into consideration as an order of the day at any future meeting, or, if necessary, that it be referred to a Committee.

50. Appointment, &c., of officers.—No appointment to any office at the disposal of the Trust shall take place until seven clear days' notice shall have been given, by advertisement in one or more newspapers circulating in the Construction District, inviting applications from qualified candidates for the same. Where the number of candidates are in excess of the number required, the Trust may reduce the same by ballot.

51. Salaries of officers, &c.—The salary or allowance attached to all offices and places at the disposal of the Trust shall in all cases be fixed before they proceed to appoint any person to fill the same, and before the advertisement inviting applications as aforesaid, and shall be specified in such advertisement.

52. Expense of preparing security.—In all cases of security being given for the faithful performance of any duty, the expense of such security shall be borne by the Trust.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

No conditional purchase lease of an Agricultural Labourer's allotment can be granted to any person who is already the holder of land of the value of £200, or who would thereby become the holder of land exceeding such value.

The lessee must enclose his allotment with a substantial and sufficient fence within two years from the date of his lease unless sooner called upon under the provisions of the *Fences Act* 1890.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money, and will be subject to the same condition as the lease in regard to permanent residence.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act* 1896, the first of such instalments being payable six months after the date of the lease. Tenderers to specify in their tenders the kind or kinds of these woods, and the proportions of each kind tendered for.

The firewood for Yarra Bend is to be tendered for at per ton weight of 2,240 lbs.

Printed forms of tender, giving full particulars, may be obtained from the Secretary to the Tender Board, Melbourne, the Receivers and Paymasters at Ararat, Ballarat, Beechworth, Bendigo, Castlemaine, Geelong, and Maryborough, and the Medical Superintendents at Sumbury Asylum and Inebriates' Retreat, Lara, by whom also any information or explanation will be afforded to persons tendering.

Security will be required in cash, Savings Bank Deposit Book, or Bank deposit receipt, in favour of the Secretary to the Tender Board, or Government debentures.

Tenders must be accompanied by the preliminary deposit above mentioned in bank notes, or a bank draft payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers. Such deposit to be forfeited in the event of the tenderer after the time fixed for closing of tenders withdrawing or attempting to withdraw his tender, or of the successful tenderer failing to complete the security within the prescribed period.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in a separate envelope, and having the words "Tender for Firewood at" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. As the exact quantity of firewood or charcoal which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same at contract rates.

2. All the firewood supplied under these contracts must be split out of large timber, and of the kind or kinds specified in the schedule, and must be dry, perfectly sound, and of good burning quality, and cut into billets of the lengths stated in the schedules, such billets to be not less than four inches nor more than six inches in any diameter. The long wood to be not less than nine inches nor more than eighteen inches in any diameter. Neither burnt wood, heart wood, small branches, nor outside pieces of bark will be received. If the firewood is obtained from a State forest timber reserve or ordinary Crown lands, persons cutting and removing same must be provided with a licence or permit from the State Forests Department. Charcoal must be of the very best description for the purpose for which it is required, and subject to approval of the officer ordering.

3. The orders will be issued by the departments requiring the supplies, and the firewood or charcoal shall be delivered as may be directed by the officer ordering the supply. Should an order not be complied with within forty-eight hours it will be competent for the department concerned to purchase the firewood or charcoal at the contractor's risk, and the extra expense (if any) over and above the contract price will be deducted from the contractor's account or from the security money.

4. Melbourne District will include a radius of six miles from the General Post Office. The Williamstown District will include the Borough.

5. The contractor will be bound to place the firewood in stacks for measurement on such ground as may be pointed out. The stacks are to be five feet high, and of the width specified in the various schedules, with space between each stack for measuring; and the billets or lengths are all to lie the same way, viz., cross-ways of the stacks in the form of a cord, and are to be laid as closely and solidly as possible in the stack, and to the satisfaction of the officer receiving the supply. Firewood for the Yarra Bend need not be stacked, but must be weighed on the Asylum weighbridge.

6. The acceptance of the firewood or charcoal shall be subject to the approval of the officer authorized to take delivery, or such other officer as shall be named by him. If after the delivery of the firewood or charcoal has been taken any deficiency or defect is discovered therein, such firewood or charcoal may be returned to the contractor. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the article so rejected or returned.

7. As soon as the orders shall have been completed the contractor will be required to furnish to the department supplied his account in the prescribed form, with the receipted delivery order attached thereto. Accounts will be payable at any Receipt and Pay Office that the contractor may desire.

8. In the event of a difference of opinion between the contractor and the officer receiving the firewood or charcoal as to the quality, the same shall be decided by a board of survey, composed of persons named by the head of the department, and the decision of the board is to be considered as final.

9. If the board shall decide that the firewood or charcoal is not of proper quality it must be immediately replaced by the contractor, failing which it will be procured elsewhere and the extra expense (if any) will be deducted as in condition 3.

10. If from any cause injury would accrue to the public service by waiting for a board of survey, the head of the department or officer in charge will have the power to reject such firewood or charcoal as is obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected article, and supply good in its stead, failing which it will be procured elsewhere, and the extra expense (if any) will be charged as in condition 3.

11. A refusal to execute orders, irregularity in the quality or quantity of the firewood or charcoal, or delay in delivering or replacing it when required, will subject the contractor to such mulct, not exceeding £50, as the Treasurer of the State for the time being may direct; and the amount may be deducted as in condition 3. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

13. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by any purchase of firewood or charcoal by the Commonwealth Government.

14. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract the contract security money will in that case be absolutely forfeited, and in addition the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

15. No subletting will be allowed; all work must be carried out by the contractor, and the hours of employment of any person engaged in any business or occupation connected with the preparation of the Firewood or Charcoal for sale or connected with the sale or distribution of the Firewood or Charcoal tendered for in this schedule shall be in accordance with those provided for by the Hay, Chaff, Wood and Coal Board under the Factories and Shops Acts, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be therein determined; should, however, the determination of the aforesaid Board not apply to the district covered by the particular Schedule, that determination shall, for the purpose of this contract, be taken as defining the rate of wages which shall be paid and the conditions of employment in respect thereto; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from any accounts

which are or may be due to the contractor, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement, and all other respects.

16. The contractor shall, before any account is passed for payment, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 15 of these conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.

Tenders should be placed in the Crown Lands Office Tender-box on or before Saturday, 9th November, 1912.

NOTE.—The provisions of the *Fences Acts* will apply in this case so far as adjoining owners are concerned, and no tender will be accepted unless the fee for the year from 11th November, 1912, to 10th November, 1913, and fee of Five shillings for licence are forwarded.

TENDERS will be received on or before Saturday, 9th November, 1912, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee who has paid for the improvements shall not thereon be entitled to any compensation other than the value of such improvements as may thereupon be determined by the Board of Land and Works.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon or to cultivate, except as hereinafter stated, or without the written permission of the Minister, to fence any portion thereof or construct a dam or tank. *Cultivation may, however, be allowed, subject to the written consent of the Minister, and for which application must be made in writing.*

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will be from 11th November, 1912, to 14th March, 1919.
2. The fee for the year from 11th November, 1912, and fee for licence must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.
3. The incoming tenants shall be required to maintain the existing improvements in an effective condition, and to keep the tanks cleaned out, to the satisfaction, in every instance, of any officer appointed by the Minister.
4. Successful tenderers will be required to pay the valuation for the improvements within the time and on the dates set forth in the schedule hereto.
5. At the expiration of the licences any incoming tenants will be required to pay the then value of the existing improvements.
6. *Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.*
7. Tenderers must give their full name and ordinary postal address.
8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.
2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
