SHIRE OF BROADFORD.  
PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the Local Government Act 1903 (No. 1893, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :-

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Broadford.

The petitioners state that the North Riding, which comprises the Township of Broadford and surrounding district, is too large, and on account of the township being supplied by water by a gravitation scheme, drainage will have to be carried out within the township, and it is considered that this will be best done by having the township constituted a separate riding, that the South Riding has too small a revenue in comparison with the other ridings, and to equalize matters it is considered that a portion of the North Riding be annexed to the said South Riding, and portion of the East Riding be annexed to the North Riding.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire into three ridings, to be named as follows :-

- North Riding,
- South Riding,
- East Riding.

Notices for the petitioners may be served on Mr. F. W. Petch, Broadford.

W. H. EDGAR,  
Commissioner of Public Works.

Department of Public Works  
(Local Government Branch),  
Melbourne, 25th November, 1912.

THE MELBOURNE AND METROPOLITAN BOARD OF WORKS.

NOTICE is hereby given that, after the publication of this advertisement in four consecutive ordinary numbers of the Government Gazette and in four numbers of one of the daily newspapers published in the Metropolitan, The Melbourne and Metropolitan Board of Works will proceed to compulsorily take (unless the same is in the meantime acquired by the Board from the owner or owners or other persons interested by mutual agreement) the land mentioned and described below.

The nature of the works in respect of which the land is proposed to be taken is the construction of an aqueduct and the laying of pipes and other incidental works in connexion with the general water supply to the Metropolitan, as more fully appears on the plan of the proposed works hereafter mentioned.

A plan of the proposed works will be open for inspection at the offices of the Board, 110 Spencer-street, Melbourne, from the date hereof until the 6th day of December, 1912, during office hours.

The quantity of land which the Board requires for the purpose of such works and other particulars are set forth below.

The consent of the Governor in Council was duly obtained in terms of the Board's Principal Act, No. 1197, on the 4th November, 1912.

Any person supplied with water by the Commission who shall wilfully or negligently allow such water to run to waste shall be guilty of an offence; and, in the event of continuing the same, shall be guilty of a further offence for each day, after notice from the Commission, on which such waste is continued.

14. All water troughs supplied from the pipes of the Commission shall be lined with metal, so as to be water-tight, and shall have proper and efficient fittings for supplying them automatically and for preventing overflow. All such troughs and fittings shall be kept in proper order and repair. No water trough shall be of greater capacity than twenty-five gallons. Should any trough or the fittings thereof be out of repair or leaking the supply thereto may be cut off until efficiently repaired.

15. If any person supplied with water by the Commission does, or causes to be done, anything in contravention of this By-law, or fails to pay any rates or charges lawfully due by him, or fails to do anything which under this By-law ought to be done, or wilfully or negligently allows water to run to waste, the Commission may, in addition to any other remedy, cut off the supply of water from the premises of such person, either by cutting the pipes by or through which water is supplied or otherwise, and may cease to supply him with water so long as the cause of complaint remains or is not remedied.

16. The charge to be paid for water supplied by measure from the pipes of the Commission shall be Fifteenpence per 1,000 gallons.

17. The minimum quantity of water to be charged for by measure in each case where water is supplied from the pipes of the Commission shall be as follows:—

- (1) Where the supply is for domestic as well as for other than domestic purposes, the quantity which, if charged for at Fifteenpence per 1,000 gallons, would give an amount equal to that payable in respect of the premises so supplied under the provisions of any By-law of the Commission for making and levying rates, if such premises were supplied otherwise than by measure.
- (2) Where the supply is solely for other than domestic purposes, a quantity which, if charged as provided by the last preceding section, would give a sum of Five shillings for any continuous period of three months.

18. In the construction of this By-law the word "person" shall extend to and include a corporation, whether aggregate or sole; the expression "proper officer" shall mean an officer or servant of the Commission authorized to perform any act or to accept service of any notice or to execute any function on behalf of the Commission.

19. Any person guilty of an offence against this By-law shall be liable to a penalty not exceeding Five pounds, recoverable summarily before any Court of competent jurisdiction.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 6th day of November, 1912, and the common seal of the said Commission was hereunto affixed the 23rd day of November, 1912, in the presence of—

(SEAL) ELWOOD MEAD, Chairman.  
WM. CATTANACH, Commissioner.  
J. S. DETHRIDGE, Commissioner.

Approved by the Governor in Council,

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

## Special Conditions.

1. The fee for the period for which the licence will be issued, and fee for licence, must accompany the application.

2. Separate applications must be lodged for each block.

3. Applicants must give their full name and ordinary postal address.

9. Fencing allowed at the risk of occupier.

10. Survey marks not to be disturbed in erecting the fences.

11. Land to be resumed if wanted for settlement.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

SWAN HILL ESTATE.

ALLOTMENTS IN THE SWAN HILL ESTATE, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm Allotments until Saturday, 7th December, 1912. Applications must be on the prescribed forms, and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1. A Local Land Board to deal with the applications will be held at Swan Hill, on Friday, 20th December, 1912.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must enclose his allotment with a substantial and sufficient fence within two years from the date of his lease unless sooner called upon under the provisions of the *Fences Act 1890*.

The lessee must reside on the estate within four months from the date of his lease, and continue thenceforth to reside thereon. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired on payment of the balance of purchase money, and will be subject to the same condition as the lease in regard to permanent residence.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1906*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £4 15s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.
