SHIRES OF YARRAWONGA AND NORTH OVENS.—
PROPOSED SEVERANCE.

IN pursuance of the provisions of the *Local Government Act* 1903 (No. 1893, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Yarrawonga described in their petition, and they desire that the area so described may be severed from the said Shire of Yarrawonga and annexed to the Shire of North Ovens.

AREA DESCRIBED IN PETITION.

Commencing at the north-western corner of allotment 23 of parish of Peechelba, county of Moira; and bounded on the north-east by the north-eastern boundaries of allotments 23 and 24 of the said parish, and on the north by the northern boundaries of allotments 51, 52, and 53 of the said parish, and by a line drawn from the north-western corner of the said allotment 53 to the nearest point of the River Ovens; thence by the western bank of the said River Ovens to the point where the south-eastern boundary of the township of Peechelba joins the said river; and thence by the south-eastern and southern boundaries of the said township, and by the southern boundaries of allotments 72, 72A, 37B, 37A, 36C, and 36B of the said parish, and by the western boundaries of allotments 36B, 36A, 36, 35A, 35B, 34D, 34B, 34C, 34A, 34, 33, 32, 31, 27, 26, and 23 of the said parish to the commencing point.

The petitioners state that the main road from Yarrawonga to Wangaratta, which lies between their properties and the town of Wangaratta, is not in parts in a good state of repair, and they are assured that if the above-described area is annexed to the Shire of North Ovens that shire will make the said road good and fit for traffic, which will be of great benefit to them, as nearly the whole of their business is transacted at the market in the town of Wangaratta.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever that portion of the Shire of Yarrawonga above described and annex same to the Killawarra Riding of the Shire of North Ovens.

ALLOTMENTS IN THE DUNROBIN ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm and Agricultural Labourers' Allotments to be taken up on Conditional Purchase Lease. Applications must be made on the prescribed forms, and forwarded to the Secretary, Closer Settlement Branch, Lands Department, on or before Wednesday, 14th February, 1912, accompanied by the deposit for the most valuable allotment applied for, as shown in Schedule hereunder. The deposit includes registration fee of 5s. and lease fee of £1. All applications so lodged will be deemed to have been simultaneously made.

The Local Land Board to deal with applications will be held at Casterton on Wednesday, 21st February, 1912, at 0 a.m.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired; on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £A 15s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

The leases issued to successful applicants will be for such a term of years, not exceeding 31 $\frac{1}{2}$, as may be agreed upon between the lessee and the Board, and will contain the following conditions:—

- (a) That a substantial dwelling-house, to the value of at least £50, must be erected within one year from the date of the lease, and substantial improvements, to the value of a further £25, before the end of the second year.
- (b) That the lessee shall reside on the allotment. (Personal residence by the wife or any child not less than eighteen years of age of the lessee, may be considered personal residence by the lessee, with the approval of the Board.)
- (c) That the lessee shall not transfer, assign, mortgage, or sublet, or part with the whole or any part of the allotment within the first six years of the lease.
- (d) That the lessee shall not erect more than one residence or place of business on any one allotment.
- (e) Such other conditions and covenants not inconsistent with the Act as the Governor in Council may by regulation prescribe.

The deposit, after deducting the sum of £1 5s. for fees, will be credited as part payment of the capital value of the allotment, and the balance of the purchase money, with interest at 4 $\frac{1}{2}$ per cent., must be paid by 63 or a less number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

Closer Settlement Acts.

ALLOTMENTS IN THE TONGALA ESTATE, NEAR TONGALA AND KYABRAM, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm and Agricultural Labourers' Allotments to be taken up on Conditional Purchase Lease. Applications must be made on the prescribed forms, and forwarded to the Secretary, Closer Settlement Branch, Lands Department, on or before Thursday, 22nd February, 1912, accompanied by the deposit, for the most valuable allotment applied for, as shown in Schedule hereunder. The deposit includes registration fee of 5s. and lease fee of £1. All applications so lodged will be deemed to have been simultaneously made. The Local Land Board to deal with applications will be held at Kyabram on Friday, 1st March, 1912, at Ten a.m.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31¹/₂, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £4 15s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

Commissioner of Crown Lands and Survey.

Applications must be made on the prescribed forms, and forwarded to the Secretary, Cluser Settlement Branch, Lands Department, on or before Thursday, 22nd February, 1912, accompanied by the deposit, for the most valuable allotment applied for, as shown in Schedule hereunder. The deposit includes registration fee of 5s. and lease fee of £1. All applications so lodged will be deemed to have been simultaneously made. The Local Land Board dealing with the applications will be held at Echuca, on Thursday, 29th February, 1912, at 9.30 a.m.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £4 15s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Cluser Settlement Branch, Crown Lands Office.

Tenders should be placed in the Crown Lands Office Tender-box on or before Wednesday, 14th February, 1912, at Noon.

NOTE.—No tender will be accepted unless the fee for the year from 1st March, 1912, to 28th February, 1913, and fee of Five shillings for licence, are forwarded.

TENDERS will be received until Noon on Wednesday, 14th February, 1912, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee *who has paid for the improvements* shall not thereon be entitled to any compensation other than the value of such improvements as may thereupon be determined by the Board of Land and Works.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon or to cultivate, except as hereinafter stated, or without the written permission

of the Minister, to fence any portion thereof or construct a dam or tank. *Cultivation may, however, be allowed, subject to the written consent of the Minister, and for which application must be made in writing.*

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will be for seven years from 1st March, 1912, to 28th February, 1919.

2. The fee for the year from 1st March, 1912, and fee for licence must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. The incoming tenants shall be required to maintain the existing improvements in an effective condition, and to keep the tanks cleaned out, to the satisfaction, in every instance, of any officer appointed by the Minister.

4. Successful tenderers will be required to pay the valuation for the improvements within the time and on the dates set forth in the schedule hereto.

5. At the expiration of the licences any incoming tenants will be required to pay the then value of the existing improvements.

6. Separate tenders must be lodged for each block.

7. *Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.*

8. Tenderers must give their full name and ordinary postal address.

9. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

10. The highest or any tender not necessarily accepted.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
