Electric Light and Power Act 1896.

ORDER GRANTED BY THE GOVERNOR IN COUNCIL.

IT is hereby notified that an Order, pursuant to the provisions of the *Electric Light and Power Act 1896* (59 Vict. No. 1413), as hereunder mentioned, has been granted by His Excellency the Governor in Council, viz.:—

Order No. 85.—Order under section 10 of the above-mentioned Act granted to The Coleraine and Western District Butter Factory Company Limited in respect of the Town of Coleraine, Shire of Wannon. (Dated 16th December, 1912.)

W. H. EDGAR,
Minister of Public Works.
Department of Public Works, Melbourne.

PROPOSED SEVERANCE OF CERTAIN AREA FROM TOWN OF CAULFIELD AND ITS ANNEXATION TO BOROUGH OF OAKLEYGH.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the East Ward of the Town of Caulfield, described in their petition, and they desire that the area so described may be severed from the said Town of Caulfield and annexed to the Borough of Oakleigh.

Area described in petition.—All that portion of the Town of Caulfield from Warrigal-road to Poath-road, and from Dandenong-road to North-road.

The petitioners state that their affairs could be more economically managed by the Borough of Oakleigh, which is situated only half-a-mile from the furthest point proposed to be severed as compared with about 3½ miles from the Caulfield Town Hall, that their interests are identical with Oakleigh, and that they could reasonably expect better treatment than is meted out to them, and further that severance would conduce to the material welfare of all concerned.

The petitioners therefore pray that His Excellency in Council may be pleased to sever that portion of the Town of Caulfield above described, and annex same to the Borough of Oakleigh.

Notices for the petitioners may be served on Mr. H. F. Brine, Dandenong-road, Oakleigh.

W. H. EDGAR,
Commissioner of Public Works.

Commissioner of Crown Lands and Survey.

Closer Settlement Acts.

ALLOTMENTS IN THE TOORONGA ESTATE, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Workmen's Homes Allotments to be taken up on Conditional Purchase Lease. Applications must be made on the prescribed forms, and will be received by the Secretary, Closer Settlement Branch, Lands Department, until Monday, 6th January, 1913, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. All applications lodged on or before the above date will be deemed to have been simultaneously made. The deposit includes registration fee of 5s. and lease fee of £1.

The Local Land Board to deal with applications will be held at the Public Offices, Melbourne, on Wednesday, 15th January, 1913, at Ten a.m.

CONDITIONS, ETC.

Allotments in this Estate will be disposed of under Conditional Purchase Lease extending over a term of 31½ years. The amount to be paid for each allotment is shown in the Schedule herewith.

Any person 18 years of age who is engaged in any form of manual, clerical, or other work for hire or reward, and is not possessed of real or personal property to a value exceeding £350, or whose salary does not exceed £220 per annum, may apply for one or more allotments, but no one can be granted more than one allotment.

No conditional purchase lease of an allotment can be granted to any person who is directly or indirectly the owner of any other land in the State, which, if Town or Suburban land, exceeds ¼ of an acre, or, if Rural land, exceeds 50 acres in area. Every application must be made on the prescribed form, and be accompanied by a deposit equal to that prescribed for the most valuable allotment applied for.

The lessee has the option of paying the whole or any portion of the balance of purchase money at the end of any half-year, and securing a reduction of the instalment accordingly.

The deposit, after deducting the sum of £1 5s. for fees, will be credited as part payment of the capital value of the allotment, and the balance of the purchase money with interest at 4½ per cent., must be paid by 63 or a less number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money, and will be subject to the same condition as the lease in regard to permanent residence.

A substantial residence to the value of at least £300, excluding fencing, must be erected on each allotment in accordance with plans and specifications approved by the Board's architect, and advances may be made on the £1 for £1 principle to assist lessees to build, repayable by monthly instalments, extending over a period of 20 years, and bearing 5 per cent. interest. In special cases the Board may advance the maximum amount of £250, although the value of the house which is to be erected does not exceed the £300. All such improvements are to be insured in the name of the Board.

Successful applicants, when signing the contracts for their houses, must deposit a sum of at least £50, as proof of their *bona fides*. This amount, together with the sum advanced by the Board, is paid to the contractor as the work proceeds. In the event of the sum of £250 being advanced by the Board, the monthly repayment extending over 20 years is £1 12s. 11d., and smaller advances in proportion.

All buildings must be erected under the supervision of the Board's architect, and a charge of 2½ per cent. of the total value of the buildings, &c., will be made. This amount must be paid by the lessee on completion of the contract.

Advances will be only paid on the certificate of the architect that the conditions of contract have been complied with in every particular.

The lessee must, within four months, enter into *bona fide* occupation of his allotment and reside there permanently.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Not more than one residence or place of business shall be erected on any one allotment, and no building or verandah attached thereto shall be erected within 20 feet of the street boundary line, except in the case of business premises.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

* Deposit of £10 required. Delivery on trucks at Wail Railway Station.

Tenders for supply of forage to more than five separate stations in any one district must be accompanied by a preliminary deposit of 10s. for each and every station tendered for except in the case of the Melbourne District, the preliminary deposit for which shall be £25 with each tender, irrespective of the number of stations tendered for, and the State Plantation at Wail, the preliminary deposit for which shall be £10. Deposits must be in bank notes, or bank drafts payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application, such deposit will be forfeited in the event of the tenderer, after the time fixed for the closing of tenders, withdrawing or attempting to withdraw his tender, or of the successful tenderer failing to complete the necessary bond within a reasonable time after the acceptance is notified.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to hold contracts for Government supplies for a period of two years.

The price must include delivery at the stations, and all charges except the bags, which will remain the property of the contractor. At stations where the bags can be at once emptied the contractor will be required to remove them when delivery is taken. At other stations, notice will be sent to the contractor when the bags are empty. Bags to be removed at contractor's expense.

For police stations, including the depot and institutions other than police, the successful tenderer will be required to enter into a bond for the sum of £5 per horse per station, and for the depot and other institutions a bond based on one-quarter of the total amount of the tender accepted, such bonds to be entered into within a reasonable time after the acceptance is notified. Two approved sureties are required for contracts where the sum stated in the bond is £50 and upwards, and one surety where the sum stated is under £50.

CONDITIONS OF CONTRACT.

1. The hay to be good, sound, and sweet, and properly trussed except when otherwise specified in the contract; the straw to be wheaten or oat, and both to be in all respects of the best quality; oats, white or Algerian (Victorian grown), of the best description, full kernel, clean, and free from wild oats or other objectionable seeds; bran to be sound and sweet, and of the best description; chaff to be made from oat hay of the best quality. As much forage as can be stored at any station where the storage is small will, for the convenience of the contractor, be ordered at one time.

2. The quantities stated in the schedule are only approximate, and the Government may draw either more or less than those mentioned. Should new telegraph stations be formed or additional horses be required at any station, the contractor will be required to supply the extra forage. Unless otherwise specified in the tender form the contractor may, if he desires it, terminate the contract by supplying at once the whole quantity due at the station, should the additional number of permanent horses exceed two.

3. Notwithstanding anything contained in the preceding condition, the contractors for the supply to the Police Depot may be called upon to supply any Government Departments within a radius of six miles from Melbourne, for which no contracts have been taken, and also forage for any extra horses that may be at any time stabled at the depot for police purposes, at the same rates. The contract for the supply of forage to the Military Barracks may be terminated by three months' notice being given by the Secretary to the Tender Board to the contractor of such determination.

4. Should forage duly ordered under these contracts not be delivered within forty-eight hours of the time specified in the order for delivery, it will be competent for the department to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

5. In the event of a difference of opinion between the contractor and the officer receiving the forage as to the quality of the same, it is to be decided by a board of survey, composed of persons named by the head of the department ordering the supply, and the decision of the Board is to be considered final.

6. If the Board shall decide that the forage is not of proper quality, it must be immediately replaced, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 4.

7. When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue to either party by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, but he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it; and the expense will be charged as in clause 4.

8. A refusal to execute orders, irregularity in the quantity or quality of the forage, or delay in delivering or replacing it when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £20, as the Treasurer of the State for the time being may direct. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.

9. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

10. Under no circumstances will a contractor be permitted to abandon his contract, and in the event of his failing to carry on his contract he will be held liable for any loss which the Government may sustain in consequence of such failure. In the event of a supply good being discontinued or any change in the supplies required, the contractor will receive the earliest possible intimation.

11. The contracts entered into under this notice are not to be considered as broken, infringed, or vitiated by the purchase by any Department of forage grown at any Government establishment.
