SHIRES OF ORBOST AND TAMBO.

PROPOSED SEVERANCE.

IN pursuance of the provisions of the *Local Government Act* 1903 (No. 1893, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Orbost described in their petition, and they desire that the area so described may be severed from the said Shire of Orbost and annexed to the Shire of Tambo.

Area described in petition:—

Commencing at the mouth of Lake Tyers; bounded thence by the centre line of Lake Tyers aforesaid northerly to the Nova Nowa arm of the said lake; thence by the centre line of the Nova Nowa arm of the said Lake Tyers aforesaid and the centre line of Boggy Creek which debouches in the said arm northerly and north-westerly to the bridge over the said creek, in the township of Nova Nowa; thence by the centre of the road on which the said bridge is situated, north-easterly about 5 chains and easterly about 11 chains, to the eastern boundary of the township of Nova Nowa; thence further easterly to a point due south of the south-west corner of allotment 10 of C, parish of Tildesley West; thence northerly to the south-west corner of the

said allotment; thence northerly along the western boundaries of allotments 10 of C and 43C to the north-west corner of the allotment last named; thence west along the northern boundary of the parish of Tildesley West to its north-west angle; thence in a south-westerly direction to the south-east angle of allotment 116, parish of Bumberrah; thence southerly along the western boundary of the parish of Colquhoun to the Gippsland Lakes; thence due south to the southern shores of the Gippsland Lakes and the Reeves River to the sea-coast at the Lakes' Entrance; thence easterly along the sea-coast to the commencing point.

The petitioners state that in event of the petition being granted the Seat of Local Government would be closer, and their interests would be better served.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described from the Shire of Orbost, and annex same as a separate Riding to the Shire of Tambo.

Notices for the petitioners may be served on Mr. J. R. Coate, Cunninghame.

ALLOTMENTS IN THE TONGALA ESTATE, NEAR TONGALA AND KYABRAM, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm Allotments to be taken up on Conditional Purchase Lease. Applications must be made on the prescribed forms and forwarded to the Secretary, Closer Settlement Branch, Lands Department, on or before Wednesday, 17th April, 1912, accompanied by the deposit for the most valuable allotment applied for, as shown in Schedule hereunder. The deposit includes registration fee of 5s. and lease fee of £1. All applications so lodged will be deemed to have been simultaneously made.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £4 15s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

10 per cent. on total amount of tender accepted, except when otherwise specified in the tender form, but in no case will security of less than £5 be required.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

In certain schedules where doubt exists as to whether the articles enumerated may or may not be manufactured within the Commonwealth, double columns are inserted for the rates, "A" for articles manufactured within the Commonwealth and "B" for articles manufactured elsewhere.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacturer indicated in the schedule and the rates charged are considered reasonable. Preference will also be given to articles of British manufacture as against those of foreign manufacture.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required, either in Victorian Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

Tenderers failing to take up their accepted tenders will be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for ——" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The Government will not be bound to order from the contractor all the articles enumerated in the schedules, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedule, the contractor will nevertheless be bound to supply the same at contract rates.

2. The supplies are to be the same as sample where so stated and of the particular manufacture indicated in the schedule or tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. The supplies are to be the best quality of their several kinds or manufacture. Substantial and effective preference will, however, be given to goods of Commonwealth manufacture, provided the quality is equal to the particular manufacture indicated in the schedule. Preference will also be given to articles of British manufacture as against those of foreign manufacture.

3. Except where otherwise stated in the schedule, the value of all packages, cases, casks, &c., whether bulk be broken or not, must be included in the prices stated in the contractor's tender: all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for. Contractors must provide, without extra charge, whatever labour may be required in the packing of stores.

4. All orders for supplies will emanate from the departments requiring the goods. The goods shall be delivered as may be directed by the officer ordering the supply. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor.

5. Supplies ordered for delivery in Melbourne and Williamstown, are to be delivered free of all charges (whether cartage, freight, &c.) and, for the purposes of these contracts, Melbourne district will include a radius of 6 miles from the General Post Office, and Williamstown district will include the Town of Williamstown, Hobson's Bay, and the River Yarra. Supplies for s.s. *John Murray* must be delivered at the Railway Pier, Port Melbourne.

6. Arrangements as to time of delivery and inspection of goods will be made by the officers ordering the goods.

7. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officer named in Clause 6, or the head of the department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

8. The contractor will be required to furnish his account in the prescribed form at the time of the delivery of the goods, and the account shall be accompanied by the receipted delivery orders on which it is based. The prices quoted in the orders cannot be increased.

9. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. The contractor may, however, claim a survey on any goods objected to; but in that case he must, within twenty-four hours after objection is made, give notice thereof, in writing, to the officer rejecting the goods. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

10. All goods forwarded under these contracts shall, where practicable, be forwarded by rail, and all consignments shall bear the number of the consignment notes under which they are forwarded, and also the name of the contractor or contractors by whom consigned.

11. When the contractor is required to make delivery of goods at a railway station for transmission by rail for any department except the Defence Department, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the carrier to act as agent for, and charge the freight to, the Stores and Transport Department or such other Department as shall be named therein. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be retained by himself. (In the case of the Defence Department, however, the consignment note only which accompanies the order must be used.) Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which service the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under Clause 15 of these conditions.

12. Should the order on the contractor specially provide that goods of a fragile character, or such as are liable to suffer loss by leakage, shall be consigned at the risk of the Railway Commissioners under special freight conditions, the contractor shall in such instance provide, in writing, on the consignment note an intimation to that effect, failing which, in the event of loss, he shall bear the whole cost of replacing the goods, the amount being deducted from the contractor's account or the security money.

13. Delivery will not be deemed to have been made until the goods have been approved of. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Clause 7.

14. The members of Boards of survey will be appointed by the Treasurer of the State for the time being, and the decision of the Board is to be considered as final. If the Board shall decide

that the article is not of proper quality it must be immediately replaced by the contractor, failing which it, or any like supply that is suitable for the service, will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in Clause 7.

15. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount may be deducted as in Condition 7. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

16. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government. If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm, and such firm be interested in the contract, then the tender is to be in the name of the firm, and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.

17. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat or Agent-General for Victoria, or by any contracts or agreements made for any works or supplies by the Department of Public Works, or State Rivers and Water Supply Commission, or on account of the Commonwealth Government, or for the Railway Department, or for supplies for Technical Schools, or for the Metropolitan Parks and Gardens, or for supplies to the Aborigines, or for connexions and fittings for Diamond Drills and Batteries; or by any article being made at and supplied for the use of any Government establishment, or by the consumption of the surplus stock of any Government establishment.

18. In the event of any alteration in the Tariff affecting any of the items included in this contract, the Government or the contractor (as the case may be) may give two months' notice, through the Secretary to the Tender Board, of the termination of the contract for the particular item or items so affected to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made. The contract for the unaffected items to remain in full force and effect.

19. As regards Contracts for Supplies used expressly for the Defence Department, however, it will be competent either for the contractor, on his own behalf, or for the Secretary of the Tender Board, on behalf of the Government, to terminate the whole or any item of the contract by giving three full calendar months' notice, in writing, to the opposite party, it being understood that such notice can only be given as in Clause 18.

20. Under no circumstances other than those mentioned in clauses 18 and 19 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

21. For the purposes of these contracts the word Government shall mean Government of the Commonwealth as regards supplies for the Commonwealth, and Government of the State as regards supplies for the State; and the word Treasurer shall mean Treasurer of the Commonwealth as regards supplies for the Commonwealth, and Treasurer of the State as regards supplies for the State.

22. No subletting will be allowed: all work must be carried out in the factory of the contractor; the terms of employment of any person engaged in the preparation or manufacture of the articles tendered for in those schedules, and the wages paid to any such person shall be in accordance with and subject to the terms and conditions specified in the schedules concerned; and a copy of the labour clauses thus indorsed on the schedules affected shall be kept conspicuously and continually posted, in legible Roman characters, in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement, and in all other respects.

23. The contractor shall, before any account is passed for payment for services rendered, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 22 of these conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.
