PRESENT:

His Excellency the Governor of Victoria.

Mr. Murray | Mr. Watt
Mr. Graham | Mr. Billson.

WHEREAS by section 13 of the *Special Funds Act 1910* (1 Geo. V. No. 2297) it is amongst other things provided that the Governor in Council may make regulations not inconsistent with the said Act for or with respect to contracts of insurance, and generally with respect to any matter or thing necessary or convenient to be prescribed for carrying out or giving effect to the purposes of the said Act: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the following Regulations (that is to say):—

REGULATION UNDER SECTION 13 OF THE SPECIAL FUNDS ACT 1910, No. 2297, FOR THE INSURANCE AGAINST FIRE OF BUILDINGS AND FENCES ON LAND HELD BY CONDITIONAL PURCHASE LESSEES AND HOLDERS OF PERMITS UNDER THE CLOSER SETTLEMENT ACTS.

1. In these Regulations and in all policies and instruments purporting to be made or executed thereunder if not inconsistent with the context—

“Board” means the Lands Purchase and Management Board of Victoria.

“Policy” means an instrument containing any contract whatever dependent upon the contingencies of fire insurance.

“Premium” means the periodical or other payments for any policy.

“Lessee” shall include the holder of a permit under the Closer Settlement Acts, and reference to a lease shall include a permit.

The words importing the masculine gender shall be deemed and taken to include females, and the singular to include the plural, and the plural to include the singular, unless repugnant with the context.

2. The proposal for insurance against fire with the Lands Purchase and Management Board shall be in the form or to the effect of the 1st Schedule hereto.

3. The Board shall consider and deal with all proposals made in the prescribed form by lessees or holders of permits for fire insurance of buildings or fences on land held by them under Conditional Purchase Leases or Permits under the Closer Settlement Acts, and after inquiry and report as to the nature and character of the risk determine whether the same shall be accepted, and, if accepted, for what amount and at what rate of premium.

4. The Board's inspector shall furnish a report to the Secretary to the Board in the form or to the effect of the 2nd Schedule hereto on all property proposed to be insured by the lessees or holders of permits.

5. Notwithstanding the amount set forth in any proposal for insurance by any lessee or holder of a permit, the Board shall determine the amount of the policy to be issued in pursuance of such proposal.

6. If the Board decides to reject the proposal or if it decides to accept the proposal in part only the Board shall forthwith notify the person making the proposal of its decision.

7. The premiums chargeable by the Board for insurance against fire shall be in accordance with the rates set forth in the 3rd Schedule hereto, and the Board shall determine to which class any buildings or fencing to be insured belongs.

8. The premiums shall be paid to the Secretary to the Lands Purchase and Management Board, who shall issue receipts in the form or to the effect of such one of the receipts in the 4th Schedule hereto as the case requires.

9. The Board, pending the consideration of any proposal in the prescribed form made by any lessee or holder of a permit, may provisionally accept the premium applicable to the nature and extent of the risk disclosed in the proposal, and thereupon may issue to the person making the proposal an interim receipt or cover note, which, conditional on the proposal being one which the Board can entertain, and if it truly and in good faith sets out all material facts, shall have the effect of a contract under a policy issued in the prescribed form for the class of risk proposed during the interval between the date of the issue of the receipt and the date of the acceptance of the modifications or rejection of the proposal by the Board.

10. Should the Board issue an interim receipt or cover note—

(a) In the event of the Board subsequently accepting the proposal as made, its liability shall from the time of its acceptance become absolute until the issue of the policy as if the appropriate policy had been then completed.

(b) In the event of the Board deciding to accept the proposal only in part, then in the interval between the time of its so deciding and the time when the notice sent informing the person or agent making the proposal of the Board's decision would in due course of post be expected to arrive at his or her address, the liability attaching to the Board shall be limited in nature, extent, and amount to what it would have been under the terms and conditions of a prescribed form of policy had the proposal as made been confined to the risk which the Board has expressed its willingness to accept. If the person or agent who has made the proposal does not forthwith notify the Board in writing of his or her acceptance of the Board's decision the liability of the Board under the interim receipt or cover note shall cease and determine.

(c) In the event of the Board declining the proposal the Board shall notify the person or agent making the same of its decision after such notice being given or served, or after the time when the notice so informing the person or agent if sent by post would in due course be expected to arrive at his or her address, the liability attaching to the Board under an interim receipt or cover note shall absolutely cease and determine.

(d) In case the Board's liability under any of the provisions of this Regulation through the non-acceptance of the proposal ceasing or determining, the person making the proposal shall be entitled on application to have refunded to him or her by the Board a proportionate part of any premium paid by such person after deducting therefrom an amount equal to the premium which could properly be claimed by the Board on the risk carried for the time liability attached had there been an express contract with the Board to pay on the amount covered for that period at the rate of premium fixed by the Regulations for one year in connexion with a risk of a class or kind similar to the one in question.

(e) Any notice under this Regulation shall be deemed to be properly served or given if served on or given to the person concerned, or if left with some other person apparently of the age of sixteen or upwards for him or her, at his or her usual place of abode or business, or if it be posted properly addressed and the postage prepaid.

11. The form of such contract shall be in accordance with the 4th Schedule hereto or to the like effect, and shall be subject to the conditions set forth hereunder:—

(1) *Insurance Money available only for the purpose of Reinstatement.*—In the event of the damage or destruction by fire of any building or fence hereby insured, the amount payable under this policy shall not exceed the sum (within the amount insured) as will reinstate the building or fence, and any such amount shall be available only for the purpose of reinstating the same.

(2) *Payment of Premiums.*—Premiums shall be paid on the due date or the policy will expire. Only the printed form of receipt issued by the Board will be accepted as evidence of the payment of such premium.

(3) *Misdescription of Property.*—Any misdescription of the property insured or any misrepresentation of any fact will render the policy void so far as the property affected by such misdescription or misrepresentation is concerned.

(4) *Other Insurances.*—The policy is issued on the assurance that no other policy other than the policy allowed by the Board by an indorsement hereon has been effected on the risk. If any other insurance be effected hereafter on the property the subject of the policy the same must be allowed by the Board by an indorsement on the policy, or the person insuring shall not be entitled to any benefit from the insurance with the Board. Where the Board has allowed any other insurance it shall be liable on the policy issued by it for a proportionate rate only of the loss and damage which the property insured may sustain.

(5) *Alteration of Risk.*—If the property insured be altered or additions made thereto or the business or occupation carried thereon be changed so as to increase the risk the same must be allowed by the Board by an indorsement on the policy before any loss or damage has occurred, or the Board shall not be liable for such loss or damage.

(6) *Unoccupied Buildings.*—If any building insured be unoccupied for a period of more than one calendar month the Board shall not be liable for any loss or damage thereto unless the insured has obtained the sanction of the Board to leave the building unoccupied by an indorsement on the policy before any loss or damage has occurred.

(7) *Risks not Covered.*—The Board shall not be liable for any loss or damage by fire occasioned by or in consequence of invasion, foreign enemy, insurrection, civil commotion, riot, martial law, military or usurped power, the burning of property by order of any public authority, loss by theft, the fall of any property except caused by fire, loss or damage to property by heating or drying process, explosion (except by gas where gas is not generated), earthquakes, hurricanes, or other natural convulsions.

(8) *Transfer of Property Insured.*—The policy shall be void if the interest therein shall pass from the person insured to any other person otherwise than by will or operation of law, unless previously allowed by the Board by an indorsement on the policy.

(9) *Termination of Insurances.*—The insurance may be terminated at any time either at the request of the insured or by the Board on giving notice to that effect. On the termination of the insurance the Board shall repay a rateable proportion of the premium for the unexpired period of the policy.

(10) *Occurrence of a Fire.*—When loss or damage through fire has occurred to the property, persons sustaining such loss or damage must immediately give notice in writing to the Board, and must within fourteen days from such loss or damage submit a claim showing the particulars and value of the property damaged or destroyed, and also what other insurances have been effected, and furnish a statutory declaration that the claim and particulars are true and just in every respect. The insured shall also furnish at his own expense such other evidence

- as may reasonably be required by the Board, and unless such condition is strictly complied with the Board shall not be liable under the policy.
- (11) *Salvage*.—When any loss or damage has occurred to the property insured the Board may without incurring any liability take possession of such property, but in no case shall the property be deemed to be abandoned to the Board, nor shall the Board be bound to sell or dispose of the same.
 - (12) *Forfeiture*.—Any fraud or attempted fraud by the insured or by any one acting on his behalf shall nullify all claims on the Board under the policy.
 - (13) *Reinstatement*.—In the event of any loss or damage by fire to the property insured the Board will replace or make good the same, or may join with any other insurers in so doing, but it shall not be bound to do exactly but only substantially as nearly as circumstances reasonably permit. The Board shall not be liable to expend more on the reinstatement and making good of the property damaged or destroyed than its actual value at the time of the fire, nor to a greater extent than the amount insured by it thereon. All plans and specifications or other information required by the Board shall be furnished to it by the insured at his own expense, and unless and until this be done the Board shall not be liable to make good the damage.
 - (14) *Subrogation of Rights*.—Should the Board deem it necessary to take action against any other party to enforce any rights or remedies to which it may now or hereafter be entitled, the insured shall, if required, in writing, and at the expense of the Board, do and agree to do all such acts, matters, and things as may be necessary.
 - (15) *Loss Contribution Clause*.—If there be any other insurance on the property at the time of its damage or destruction by fire, the Board shall not be liable to contribute more than its rateable proportion of the loss sustained.
 - (16) *Arbitration*.—In case any difference shall arise concerning the amount of any loss or damage by fire the matter shall, at the written request of either party, be submitted to and settled by arbitration. Unless both parties shall concur in the appointment of a single arbitrator, each party, on the request of the other party, shall nominate and appoint an arbitrator, to whom such dispute or other matter should be referred. If for the space of fourteen days after any such dispute or other matter shall have arisen, and after a request, in writing, in which it shall be stated the matter required to be referred to arbitration has been served by the one party on the other party to appoint an arbitrator, such last-mentioned party fails to appoint such arbitrator, then upon such failure the party making the request, and having itself or himself appointed an arbitrator, may appoint such arbitrator to act on behalf of both parties. Such arbitrator may proceed to hear and determine the matter in dispute, and in such case the award of such single arbitrator shall be final and conclusive. Where more than one arbitrator has been appointed such arbitrators shall, before they enter upon the matter referred to them, nominate and appoint, by writing under their hands, an umpire to decide any matters on which they may differ. Where two arbitrators and an umpire have been appointed they shall sit together and hear the evidence, so that in the event of the arbitrators not agreeing upon an award the umpire may make his award without re-hearing the evidence. Half the costs of the award and of the arbitrator or arbitrators and umpire shall be paid by each party, who shall bear their own costs.
 - (17) *Suits or Actions*.—All suits or actions against the Board for the recovery of loss or damage under the policy shall be null and void in all Courts of Law or Equity and unless such suits or actions be commenced in due and proper form within six calendar months after the date of such loss or damage, or within three months of the award by arbitration, whichever date happens last. No suit or action against the Board shall be for a greater amount than that awarded by the arbitrator or arbitrators or the umpire.
 - (18) *Waiver*.—No provision in the policy shall be deemed to be waived unless such provision is expressly stated to be waived by an indorsement on the policy.

(19) *Notices*.—Every notice to the Board required under the policy shall be in writing.

12. In the event of the Board accepting the proposal made or in the event of its accepting the proposal in part only, and the person making the same assenting to the Board's modifications, and in either case in the further event of the proper premium having been paid the Board shall cause policies to be prepared and issued in the prescribed form embodying the contract entered into in the particular case.

13. Policies issued by the Board shall have a currency of one year from the date when the Board's insurance liability whether under an interim receipt cover note or otherwise first attached and unless the Board otherwise determines shall be renewable from year to year upon payment of the prescribed premium by the issue of a renewal receipt in the prescribed form.

14. The Board, with the sanction of the Treasurer of Victoria for the time being, shall have power to re-insure with any insurance company any property in respect of which it has effected an insurance.

15. The fee for transfer of a policy issued by the Board shall be One shilling.

16. All claims for loss or damage by fire shall be made in the form prescribed in the 6th Schedule hereto, and the moneys payable out of the Closer Settlement Insurance Fund shall be applicable only to and available only for the payment of any sums required for the reinstatement of the buildings or fences damaged or destroyed by fire.

17. In the event of any loss or damage by fire the lessee or the holder of the permit shall, on the Board reinstating the buildings or fencing so destroyed or damaged, give the Board an acquittance from all further liability in respect of such loss or damage in the form prescribed in the 7th Schedule hereto.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Wednesday, 29th May, 1912, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for sixteen months from 1st June, 1912, to 30th September, 1913.

2. The fee for the period as shown in the head-lines— for which the licence will be issued, and fee for licence— must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act 1901*.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

Tenders must be accompanied by a preliminary deposit, as shown above, in bank notes, or a bank draft payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the tenderer withdrawing the tender before notification of acceptance, or, in the event of being successful, failing to complete by lodging the security and contract form, duly signed, within the prescribed period. *It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.*

Tenderers withdrawing their tenders before notification of acceptance or failing to take up their accepted tenders within the prescribed period, when notified of acceptance, may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacture indicated in the schedule and the prices are considered reasonable.

Preference will also be given to articles of British manufacture as against those of foreign manufacture.

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in an envelope, and having the words "Tender for _____" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, or, if sent by post, they must be prepaid, and addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. All the articles are to be of the best quality of the several kinds, in the best condition, and in conformity with the Pure Food Act, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

2. As the exact quantity of any article of provisions which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

3. Supplies for country stations for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include a radius of six miles from the General Post Office; Williamstown includes supplies for s.s. *Lady Loch* and *Albert*; the Ararat, Beechworth, and Ballarat Districts will include the Hospitals for the Insane, Gaols, Police Gaols, and Lock-ups at these places; and the Geelong District embraces a radius of two miles from the Post Office; Lara, the Inebriates Retreat; Greenvale, the Sanatorium; Rutherglen, and Wahgunyah the Vine Nursery, the Irrigation Farm, and City Watch-house, Bourke-street West, Brunswick, Carlton, Coburg, Collingwood, Fitzroy, Fitzroy North, Hotham Hill, Little Bourke-street, North Melbourne, Port Melbourne, Prahran, Richmond, St. Kilda, South Melbourne, and South Yarra are included in the contracts for the Melbourne District. Delivery at the places, institutions, &c., named in the schedules.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the price demanded, except brandy casks, porter cases, hogsheds, butter firkins or boxes, and soap boxes (not including fancy soaps), jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for. The empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under proper authorized inspection and supervision. Any infringement of this condition will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge. All other supplies will be ordered by the head of department concerned or any officer authorized by him.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, and the account is to be rendered as soon as possible after the delivery of the supplies, accompanied by a receipted delivery order. For the supplies coming under the head of Rations and Medical Comforts, the account is to be rendered monthly for such quantities only as are issued, the difference between the supply and issue to be kept at the contractor's credit. Supplies not issued at the termination of the contract to be removed by the contractor. The rates or quantities quoted in the orders cannot be exceeded.

9. When a contractor is required to make delivery of goods at a railway station for transmission by rail, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the carriers to act as agent for, and charge the freight to, the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which service the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 18 of these conditions.

10. Should the contractor fail to supply any articles at the time mentioned in the order, they or any like supplies suitable for the service will be otherwise procured, and the expense over and above the contract price will be deducted from his account or from the security money.

11. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

12. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his department and to the Tender Board.

13. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same to be decided, in cases where the article is not of a perishable nature, by a board of survey composed of persons named by the Treasurer of the State for the time being; and the decision of the board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 10.

14. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the persons to whom the rations or stores are due or to the contractor in waiting for a board to survey, the head of the department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which, it or any like supply suitable for the service, will be obtained by the officer requiring it as in clause 10. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

15. If the board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which, it or any like supply suitable for the service will be procured by the officer requiring it, and the expense charged as in clause 10.

16. In the case of supplies for Hospitals for the Insane, it will be competent for a board of survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being; but, pending such appeal, he must take back the rejected articles and at once supply others of approved quality; failing which, the supplies required or any like supplies suitable for the service may be obtained by the officer concerned, and the expense charged to the contractor.

17. In the case of supplies for Hospitals for the Insane, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a board of survey will not be deemed to be necessary on the part of the contractor.

18. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in clause 10. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

19. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government. If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, then the tender is to be in the name of the firm and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.

20. It will be competent for the Secretary to the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

21. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat, or on account of the Commonwealth Government; or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

22. In the event of any alteration in the Tariff affecting any of the items included in this contract, the Government or the contractor (as the case may be) may give two months' notice, through the Secretary to the Tender Board, of the termination of the contract for the particular item or items so affected to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made. The contract for the unaffected items to remain in full force and effect.

23. Under no circumstances other than those mentioned in clause 22 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

24. For the purposes of these contracts the word Government shall mean Government of the Commonwealth as regards supplies for the Commonwealth, and Government of the State as regards supplies for the State; and the word Treasurer shall mean Treasurer of the Commonwealth as regards supplies for the Commonwealth, and Treasurer of the State as regards supplies for the State.

25. Where specially indicated in the schedules no subletting will be allowed, and no delivery shall be made on Sundays; all work must be carried out by the contractor, and the hours of employment of any person engaged in the preparation or manufacture of the articles tendered for in those schedules, or engaged in the delivery of or in any other way in connexion with the supply of the articles tendered for in these schedules, are not to exceed forty-eight per week (unless otherwise stated in the schedules), and every such person shall be paid at not less than the minimum wage fixed by the Factories and Shops Act and shall be employed subject to the condition specified in the schedules concerned; and a copy of the labour condition, as indorsed on the schedules affected, shall be kept conspicuously and continually posted, in legible Roman characters, in the factory, shop, or dairy (and in each part of the factory, shop, or dairy where several rooms are in use) in which goods are prepared or manufactured under these contracts. Any infringement of this condition will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £50 (Fifty pounds), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

Melbourne, 17th May, 1912.

Treasurer.
