APPEALS TO HIS MAJESTY IN COUNCIL.

THE following Rules of His Majesty in Council are published for general information.

J. W. O'HALLORAN,
Prothonotary.
Prothonotary's Office,
Melbourne, 18th July, 1913.

AT THE COURT AT WINDSOR CASTLE,
The 23rd day of January, 1911.

PRESENT:
The King's Most Excellent Majesty
H.R.H. the Duke of Connaught and Strathearn
Lord President | Lord Knollys
Sir Arthur Bigge.

WHEREAS by an Act passed in a Session of Parliament held in the seventh and eighth years of Her late Majesty Queen Victoria's reign (shortly entitled *The Judicial Committee Act 1844*), it was enacted that it should be competent to Her Majesty by any Order or Orders in Council to provide for the admission of Appeals to Her Majesty in Council from any judgments, sentences, decrees, or orders of any Court of Justice within any British Colony or Possession abroad, although such Court should not be a Court of Error or Appeal within such Colony or Possession, and to make provision for the instituting and prosecuting of such Appeals and for carrying into effect any such decisions or sentences as Her Majesty in Council should pronounce thereon:

And whereas by an Order of Her Majesty Queen Victoria in Council dated the 9th day of June, 1860, provision was made for Appeals from the Supreme Court of the Colony of Victoria to Her Majesty in Council:

And whereas the Colony of Victoria is now a State of the Commonwealth of Australia constituted by an Act passed in a Session of Parliament held in the sixty-third and sixty-fourth years of Her late Majesty's reign and entitled "An Act to constitute the Commonwealth of Australia":

And whereas it is expedient, with a view to equalizing as far as may be the conditions under which His Majesty's subjects in the British Dominions beyond the Seas shall have a right of appeal to His Majesty in Council, and to promoting uniformity in the practice and procedure in all such Appeals, that the said Order in Council dated the 9th day of June, 1860, should be revoked and new provision made for Appeals from the said Supreme Court to His Majesty in Council:

IT IS HEREBY ORDERED by the King's Most Excellent Majesty, by and with the advice of His Privy Council, that the said Order in Council be and the same is hereby

revoked and that instead thereof the Rules hereunder set out shall regulate all Appeals to His Majesty in Council from the said State of Victoria.

1. In these Rules, unless the context otherwise requires:—

"Appeal" means Appeal to His Majesty in Council;

"His Majesty" includes His Majesty's heirs and successors;

"Judgment" includes decree, order, sentence, or decision;

"Court" means either the Full Court or a single Judge of the Supreme Court of Victoria exercising the powers of the Full Court;

"Record" means the aggregate of papers relating to an Appeal (including the pleadings, proceedings, evidence and judgments) proper to be laid before His Majesty in Council on the hearing of the Appeal;

"Registrar" means the Registrar or other proper officer having the custody of the Records in the Court appealed from;

"Month" means calendar month;

Words in the singular include the plural, and words in the plural include the singular.

2. Subject to the provisions of these Rules, an Appeal shall lie—

(a) as of right, from any final judgment of the Court, where the matter in dispute on the Appeal amounts to or is of the value of £500 sterling or upwards, or where the Appeal involves, directly or indirectly, some claim or question to or respecting property or some civil right amounting to or of the value of £500 sterling or upwards; and

(b) at the discretion of the Court, from any other judgment of the Court, whether final or interlocutory, if, in the opinion of the Court, the question involved in the Appeal is one which, by reason of its great general or public importance or otherwise, ought to be submitted to His Majesty in Council for decision.

3. Where in any action or other proceeding no final judgment can be duly given in consequence of a difference of opinion between the judges, the final judgment may be entered *pro forma* on the application of any party to such action or other proceeding according to the opinion of the Chief Justice or, in his absence, of the senior puisne Judge of the Court, but such judgment shall only be deemed final for purposes of an Appeal therefrom, and not for any other purpose.

4. Applications to the Court for leave to appeal shall be made by motion or petition within 21 days from the date of the judgment to be appealed from, and the Applicant shall give the opposite party notice of his intended application.

5. Leave to appeal under Rule 2 shall only be granted by the Court in the first instance—

(a) upon condition of the Appellant, within a period to be fixed by the Court but not exceeding three months from the date of the hearing of the application for leave to appeal, entering into good and sufficient security, to the satisfaction of the Court, in a sum not exceeding £500, for the due prosecution of the Appeal, and the payment of all such costs as may become payable to the Respondent in the event of the Appellant's not obtaining an order granting him final leave to appeal, or of the Appeal being dismissed for non-prosecution, or of His Majesty in Council ordering the Appellant to pay the Respondent's costs of the Appeal (as the case may be); and

(b) upon such other conditions (if any) as to the time or times within which the Appellant shall take the necessary steps for the purpose of procuring the preparation of the Record and the despatch thereof to England as the Court, having regard to all the circumstances of the case, may think it reasonable to impose.

6. Where the judgment appealed from requires the Appellant to pay money or perform a duty, the Court shall have power, when granting leave to appeal, either to direct that the said judgment shall be carried into execution or that the execution thereof shall be suspended pending the Appeal, as to the Court shall seem just, and in case the Court shall direct the said judgment to be carried into execution, the person in whose favour it was given shall, before the execution thereof, enter into good and sufficient security, to the satisfaction of the Court, for the due performance of such Order as His Majesty in Council shall think fit to make thereon.

7. The preparation of the Record shall be subject to the supervision of the Court, and the parties may submit any disputed question arising in connexion therewith to the decision of the Court, and the Court shall give such directions thereon as the justice of the case may require.

8. The Registrar, as well as the parties and their legal Agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and, generally, to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be copied or printed shall be enumerated in a list to be placed after the index or at the end of the Record.

9. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, the Record, as finally printed (whether in Victoria or in England), shall, with a view to the subsequent adjustment of the cost of and incidental to such document, indicate in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

10. The Record shall be printed in accordance with the Rules set forth in the Schedule hereto. It may be so printed either in Victoria or in England.

11. Where the Record is printed in Victoria, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal of the Court.

12. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by or on behalf of the parties to the Appeal.

13. Where part of the Record is printed in Victoria and part is to be printed in England, Rules 11 and 12 shall, as far as practicable, apply to such parts as are printed in Victoria and such as are to be printed in England respectively.

14. The reasons given by the judge, or any of the judges, for or against any judgment pronounced in the course of the proceedings out of which the Appeal arises shall by such judge or judges be communicated in writing to the Registrar, and shall by him be transmitted to the Registrar of the Privy Council at the same time when the Record is transmitted.

15. Where there are two or more applications for leave to appeal arising out of the same matter, and the Court is of opinion that it would be for the convenience of the Lords of the Judicial Committee and all parties concerned that the Appeals should be consolidated, the Court may direct the Appeals to be consolidated and grant leave to appeal by a single order.

16. An Appellant who has obtained an order granting him conditional leave to appeal may at any time prior to the making of an order granting him final leave to appeal withdraw his Appeal on such terms as to costs and otherwise as the Court may direct.

17. Where an Appellant, having obtained an order granting him conditional leave to appeal, and having complied with the conditions imposed on him by such order, fails thereafter to apply with due diligence to the Court for an order granting him final leave to appeal, the Court may, on an application in that behalf made by the Respondent, rescind the order granting conditional leave to appeal, notwithstanding the Appellant's compliance with the conditions imposed by such order, and may give such directions as to the costs of the Appeal and the security entered into by the Appellant as the Court shall think fit, or make such further or other order in the premises as, in the opinion of the Court, the justice of the case requires.

18. On an application for final leave to appeal, the Court may inquire whether notice, or sufficient notice, of the application has been given by the Appellant to all parties concerned, and, if not satisfied as to the notices given, may defer the granting of the final leave to appeal, or may give such other directions in the matter as in the opinion of the Court, the justice of the case requires.

19. An Appellant who has obtained final leave to appeal shall prosecute his Appeal in accordance with the Rules for the time being regulating the general practice and procedure in Appeals to His Majesty in Council.

20. Where an Appellant, having obtained final leave to appeal, desires, prior to the despatch of the Record to England, to withdraw his Appeal, the Court may, upon an application in that behalf made by the Appellant, grant him a certificate to the effect that the Appeal has been withdrawn, and the Appeal shall thereupon be deemed, as from the date of such certificate, to stand dismissed without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

21. Where an Appellant, having obtained final leave to appeal, fails to show due diligence in taking all necessary steps for the purpose of procuring the despatch of the Record to England, the Respondent may, after giving the Appellant due notice of his intended application, apply to the Court for a certificate that the Appeal has not been effectually prosecuted by the Appellant, and if the Court sees fit to grant such a certificate, the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

22. Where at any time between the order granting final leave to appeal and the despatch of the Record to England the Record becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, notwithstanding the order granting final leave to appeal, on an application in that behalf made by any person interested, grant a certificate showing who, in the opinion of the Court, is the proper person to be substituted or entered on the Record in place of, or in addition to, the party who has died, or undergone a change of status, and the name of such person shall thereupon be deemed to be so substituted or entered on the Record as aforesaid without express Order of His Majesty in Council.

23. Where the Record subsequently to its despatch to England becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court shall, upon an application in that behalf made by any person interested, cause a certificate to be transmitted to the Registrar of the Privy Council showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died or undergone a change of status.

24. The Case of each party to the Appeal may be printed either in Victoria or in England, and shall, in either event, be printed in accordance with the Rules set forth in the Schedule hereto, every tenth line thereof being numbered in the margin, and shall be signed by at least one of the Council who attends at the hearing of the Appeal, or by the party himself if he conducts his Appeal in person.

25. The Case shall consist of paragraphs numbered consecutively and shall state, as concisely as possible, the circumstances out of which the Appeal arises, the contentions to be urged by the party lodging the same, and the reasons of appeal. References by page and line to the relevant portions of the Record as printed shall, as far as practicable, be printed in the margin, and care shall be taken to avoid, as far as possible, the reprinting in the Case of long extracts from the Record. The taxing

officer, in taxing the costs of the Appeal, shall, either of his own motion, or at the instance of the opposite party, inquire into any unnecessary prolixity in the Case, and shall disallow the costs occasioned thereby.

26. Where the Judicial Committee directs a party to bear the costs of an Appeal incurred in Victoria, such costs shall be taxed by the proper officer of the Court in accordance with the rules for the time being regulating taxation in the Court.

27. The Court shall conform with, and execute, any Order which His Majesty in Council may think fit to make on an Appeal from a judgment of the Court in like manner as any original judgment of the Court should or might have been executed.

28. Nothing in these Rules contained shall be deemed to interfere with the right of His Majesty, upon the humble Petition of any person aggrieved by any judgment of the Court, to admit his Appeal therefrom upon such conditions as His Majesty in Council shall think fit to impose.

ALMERIC FITZROY.

MALLEE LANDS AVAILABLE FOR APPLICATION AS SELECTION PURCHASE ALLOTMENTS.

SCHEDULE OF ALLOTMENTS.

THE land is situated on the east side of the Mildura Railway line, between Ouyen and the north end of Lake Tyrroll.

Applications (with uncancelled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Saturday, 30th Aug. st, 1913.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years (as the case may be) a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The lease will contain (inter alia) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land if in the second class to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease.

If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable).

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

CARTAGE.

TENDERS will be received until Eleven o'clock a.m. on Tuesday, 29th July, 1913; for delivery in the Metropolitan Area of goods, parcels, and furniture as may be forwarded from or to the various Government Offices, Railways, &c., by the Stores and Transport Department for and on behalf of the Government of Victoria, to the 30th June, 1915, as per Schedules 1, 2 and 3.

A deposit of £5 in bank notes or bank draft, and payable to the order of the Secretary to the Tender Board (cheques will in no case be received) must accompany each tender, which will be returned to unsuccessful tenderers within five days on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security of £10 for each sub-schedule will be required, either in Victorian Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenders may be accepted or rejected for each sub-schedule separately.

Tenders must express the prices in words as well as in figures, and without alterations or erasures.

Full particulars, forms of tender, conditions of contract, &c., may be obtained at the office of the Secretary to the Tender Board, Treasury, Melbourne.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and *having the words "Tender for Cartage"* written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, they must be prepaid, and addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. The prices quoted cover all descriptions of parcels and goods, including furniture, &c.

2. *A separate charge is to be made for each consignment, such charge to be for the gross weight thereof, irrespective of the number of packages.* Accounts in all cases to be made out by weight only, and to be rendered *monthly*, supported by the waybills properly receipted, subject to any deductions for goods lost or damage sustained to the goods whilst in the custody of the carrier. For removals of officers' furniture and effects, however, a separate charge must be made per van per hour, including loading and reloading as required, and a certificate from the officer concerned must accompany the voucher setting forth the number of hours employed before payment can be made. Where it is necessary to employ extra labour, as in the case of bulky consignments, a receipt for the amount paid, duly witnessed, shall accompany the account.

3. Double rates will be paid for consignments of beer and spirits obtained from bond, and also to cover detention when obtaining shipments from the railways or ship's side, but in no other cases will detention be allowed for.

4. The contractor shall in all cases, against each separate charge in his accounts, quote the number of the consignment or delivery note, which will be found on each consignment or package forwarded by the departments. Should the number not be on the package then the name of the consignor should be quoted in lieu thereof. Any infringement of this condition will render the contractor, on report, liable to such fine as the Tender Board may recommend, and the amount will be deducted from any account due to the contractor or from the security money.

5. The vehicles in which goods, &c., are carried must be in thorough working order, with good waterproof covers. Horses to be sound, fast, and staunch, and subject to the approval of the officer requiring the service.

6. The contractor must have an office connected by telephone, and within the radius of the city proper, and as regards the service for the Government Printing Office under sub-schedule 6, he will be liable to be called upon to provide the vehicle at any hour of the day or night.

7. Thirty minutes will be deemed sufficient notice, and in the event of the contractor failing to supply the vehicles when ordered, and to the satisfaction of the officer requiring the service, such service will be performed at his risk and expense, and the extra expense incurred shall be deducted as in Condition 4.

8. Vehicles as required must call at the Stores and Transport Offices twice daily, viz., 12 noon and 4 p.m., and at 11 a.m. on Saturdays, for goods and parcels, and on such other special occasions when notified without extra payment, otherwise the service will be performed at the contractor's risk and expense, and the amount deducted as in Condition 4.

9. Bills of lading for oversea and Inter-State shipments must be obtained from the shipping company when required, and deposited at the office of the Secretary to the Tender Board in time for the first outgoing mail and prior to the departure of the vessel.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. No subletting will be allowed; all work must be carried out by the contractor; and every person engaged in the cartage tendered for in this schedule shall be paid such wages and employed subject to such conditions as are or may be determined by the Carters Board under the Factories and Shops Acts; and a copy of this labour condition shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

13. The contractor shall, before any account is passed for payment for services rendered, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 12 of these conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.

TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Monday, 28th July, 1913.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Monday, 28th July, 1913, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for fourteen months from 1st August, 1913, to 30th September, 1914.

2. The fee for the period as shown in the head-lines— for which the licence will be issued, and fee for licence— must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Land (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act* 1901.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
