No. 58.

THE Victorian Railways Commissioners, in pursuance of the powers conferred in that behalf by the *Railways Acts*, do hereby make the following Regulation in regard to the qualifications, selection, and examination of candidates for employment as Apprentices, and do hereby repeal all previous regulations relating thereto.

1. Every person desiring to become a candidate for employment as an Apprentice must prepare, in his own handwriting, an application on the form prescribed, stating that he is an applicant for the position of Apprentice to one of the trades specified in the public notice.

2. The age of each candidate shall be reckoned to the date fixed by the Commissioners for the opening of the applications, and shall not be less than fourteen (14) years nor more than eighteen (18) years, with the exception that every youth at present in the permanent or supernumerary employment of the Commissioners who will not have reached the age of twenty (20) years at the date fixed for the opening of the applications, shall be eligible to become a candidate, provided that he has had continuous employment in the service of the Commissioners at least from the date of his eighteenth birthday. The appointment, however, to the position of Apprentice of any such candidate who has had permanent or supernumerary service shall be subject to the following conditions, viz:—

(a) That such previous service as a permanent or supernumerary employé shall

not be taken into consideration in determining the period of his apprenticeship.

(b) That the wage per day payable to him from year to year, during his term of apprenticeship, shall be at the respective rates prescribed hereunder, irrespective of the wage of which he was in receipt as a permanent or supernumerary employé prior to his appointment as an Apprentice; and

(c) That he shall attend the prescribed classes of instruction at the Working Men's College, but shall not be eligible to compete for any prizes or scholarships provided by the Commissioners for competition by Apprentices.

6. Every candidate shall furnish with his application a certified extract from the register of his birth. In the case, however, of a candidate born outside of the State of Victoria, a statutory declaration by one of his parents or by a near relative as to the date of his birth will be accepted in lieu of such certified extract.

9. The Acting Secretary for Railways, hereinafter referred to as the "Secretary," shall, on the day and at the hour named in the public notice, proceed to open the applications, and shall cause the name and address of the writer of each of such applications to be then and there registered in a book provided for that purpose, hereinafter called the "Register," and a consecutive number, commencing with the number one, shall be placed in the Register opposite the name of each candidate.

11. The candidates, if more than twice the number of Apprentices to be employed, shall be reduced by a Board of Selectors (which shall be appointed within seven days prior to the date fixed for the selection) to a number equivalent to twice the number to be employed.

* Deposit of £10 required. Delivery on trucks at Wail Railway Station.

Tenders for supply of forage to more than five separate stations in any one district must be accompanied by a preliminary deposit of 10s. for each and every station tendered for except in the case of the Melbourne District, the preliminary deposit for which shall be £25 with each tender, irrespective of the number of stations tendered for, and the State Plantation at Wail, the preliminary deposit for which shall be £10. Deposits must be in bank notes, or bank drafts payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application, such deposit will be forfeited in the event of the tenderer, after the time fixed for the closing of tenders, withdrawing or attempting to withdraw his tender, or of the successful tenderer failing to complete the necessary bond within a reasonable time after the acceptance is notified.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to hold contracts for Government supplies for a period of two years.

The price must include delivery at the stations, and all charges except the bags, which will remain the property of the contractor. At stations where the bags can be at once emptied the contractor will be required to remove them when delivery is taken. At other stations, notice will be sent to the contractor when the bags are empty. Bags to be removed at contractor's expense.

For police stations, excepting the depot and institutions other than police, the successful tenderer will be required to enter into a bond for the sum of £5 per horse per station, and for the depot and other institutions a bond based on one-quarter of the total amount of the tender accepted, such bonds to be entered into within a reasonable time after the acceptance is notified. Two approved sureties are required for contracts where the sum stated in the bond is £50 and upwards, and one surety where the sum stated is under £50.

CONDITIONS OF CONTRACT.

1. The hay to be good, sound, and sweet, and properly trussed except when otherwise specified in the contract; the straw to be wheaten or oat, and both to be in all respects of the best quality; oats, white or Algerian (Victorian grown), of the best description, full kernel, clean, and free from wild oats or other objectionable seeds; bran to be sound and sweet, and of the best description; chaff to be made from oat hay of the best quality. As much forage as can be stored at any station where the storage is small will, for the convenience of the contractor, be ordered at one time.

2. The quantities stated in the schedule are only approximate, and the Government may draw either more or less than those mentioned. Should new telegraph stations be formed or additional horses be required at any station, the contractor will be required to supply the extra forage. Unless otherwise specified in the tender form the contractor may, if he desires it, terminate the contract by supplying at once the whole quantity due at the station, should the additional number of permanent horses exceed two.

3. Notwithstanding anything contained in the preceding condition, the contractors for the supply to the Police Depot may be called upon to supply any Government Departments within a radius of six miles from Melbourne, for which no contracts have been taken, and also forage for any extra horses that may be at any time stabled at the depot for police purposes, at the same rates. The contract for the supply of forage to the Military Barracks may be terminated by three months' notice being given by the Secretary to the Tender Board to the contractor of such determination.

4. Should forage duly ordered under these contracts not be delivered within forty-eight hours of the time specified in the order for delivery, it will be competent for the department to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

5. In the event of a difference of opinion between the contractor and the officer receiving the forage as to the quality of the same, it is to be decided by a board of survey, composed of persons named by the head of the department ordering the supply, and the decision of the Board is to be considered final.

6. If the Board shall decide that the forage is not of proper quality, it must be immediately replaced, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 4.

7. When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue to either party by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, but he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 4.

8. A refusal to execute orders, irregularity in the quantity or quality of the forage, or delay in delivering or replacing it when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £20, as the Treasurer of the State for the time being may direct. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.

9. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

10. Under no circumstances will a contractor be permitted to abandon his contract, and in the event of his failing to carry on his contract he will be held liable for any loss which the Government may sustain in consequence of such failure. In the event of a station being discontinued or any change in the supplies required, the contractor will receive the earliest possible intimation.

11. The contracts entered into under this notice are not to be considered as broken, infringed, or vitiated by the purchase by any Department of forage grown at any Government establishment.

W. A. WATT,
Treasurer.
