* Order in Council obtained.

Melbourne, 16th April, 1913.

SHIRES OF WIMMERA AND ARAPILES.
PROPOSED SEVERANCE.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Wimmera described in their petition, and they desire that the area so described may be severed from the said Shire of Wimmera and annexed to the Shire of Arapiles.

Area described in petition:—

Commencing at the junction of the McKenzie Creek with the Wimmera River, following the Wimmera River in a north-easterly direction to the western boundary of the Horsham Borough boundary, striking this boundary at the north-west corner of allotment 5, section 10, parish of Horsham; thence south to the south-west corner of allotment 5, section 10, same parish; thence east to the south-east corner of allotment 8, section 9, same parish; thence in a south-westerly direction along the road immediately west of a tram line to the McKenzie Creek; thence in a north-westerly direction along the McKenzie Creek to the commencing point.

The petitioners state that the roads in the area proposed to be severed are in a bad state of repair, and that the ratepayers of the Shire of Arapiles are agreeable to spending a good portion of their revenue in the construction of the said roads, so as to connect with roads and streets within the Borough of Horsham.

The petitioners further state that the Town of Horsham is the Market Town of the whole of the ratepayers within the South Riding, and a majority of ratepayers of the

Central Riding of the Shire of Arapiles, and that they would derive much benefit from the construction of a good road across the area referred to, and that generally the construction of good roads in the area is of more interest and benefit to the ratepayers within the Shire of Arapiles than to ratepayers in the Shire of Wimmera.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described from the Shire of Wimmera and annex same to the South Riding of the Shire of Arapiles.

Notices for the petitioners may be served on Mr. Henry Russell, farmer, Horsham.

IT is hereby notified, for general information, that it is intended, after the expiration of one month from the date of the first publication of this notice in the *Government Gazette*, to move His Excellency the Governor in Council to, by Proclamation, prescribe that the methods to be adopted in measuring the dimensions of nets and of the meshes of nets shall be as follows:—

1. Every net for the purpose of ascertaining the length thereof shall be measured along the cork line on which such net is hung, and for the purpose of ascertaining the depth shall be measured from the cork line to the lead line.

2. The size of mesh, in every case, shall be ascertained by measuring the length between knot and knot of opposite corners, with the mesh closed. In case of dispute or doubt a $\frac{1}{2}$ -lb. weight shall be slung or attached to one knot of the mesh, in order to produce a fair strain or extension, and the space between the top and bottom knots of the mesh shall be measured forthwith while the mesh remains extended. If the net to be measured is dry the part to be measured shall be soaked either in fresh or salt water for not less than ten minutes, and the mesh so soaked shall then be measured.

UNDER the provisions of section 23 of the *Education Act 1890*, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby rescind Regulation XII.—Training College—of the Regulations made under the *Education Act 1890*, and doth order that the following Regulation XII.—Teachers' College—be substituted in lieu thereof, that is to say :—

REGULATION XII.—TEACHERS' COLLEGE.

1. The members of the Teachers' College shall be a Principal, two Vice-Principals, Masters and Mistresses of Method, lecturers, and students. The students in attendance at the College shall be—

(a) Studentship holders—those to whom the course of instruction is free.

(b) Students who pay the fees hereinafter prescribed.

2. Training will be conducted in the College and at the University and in such other institutions as the Director may determine. Practising schools for the training of students in teaching shall be associated with the College, and training therein shall be conducted under the supervision of the Principal and such officers of the College as he may appoint.

3. The duration of the courses of training at the College shall be :—

(a) Trained Secondary Teacher's Certificate—3 years.

(b) Trained Primary Teacher's Certificate—2 years.

(c) Trained Infant Teacher's Certificate—2 years.

4. Studentships will be awarded under the conditions set out hereinafter as follow :—

(a) To pupils of district high schools as set forth in the regulation relating thereto.

(b) To junior teachers and to classified teachers who hold the Leaving Certificate or have passed the Senior Public Examination or hold an approved equivalent qualification.

(c) To junior teachers and to classified teachers who hold the Intermediate Certificate or have passed the Junior Public Examination, or hold an approved equivalent qualification, and who desire to enter upon the course for the Trained Infant Teacher's Certificate.

(d) To junior teachers and to classified teachers by competitive examination.

(e) To holders of exhibitions, under clause 1 (a) of Regulation XXII.

(f) To candidates who have passed the Senior Public Examination or who hold an approved equivalent qualification, and who desire to enter upon the course for the Trained Infant Teacher's Certificate.

(h) To candidates who are qualified to enter for the third year of the course for the Diploma of Education of the University of Melbourne.

5. Candidates applying for admission under clause 4 above must forward their applications to the Director not later than 1st November in each year, stating in order of preference the course at the Training College they desire to undertake.

6. (a) Except as hereinafter provided, studentship holders under clause 4 above who desire to enter upon the course for the Trained Secondary Teacher's Certificate must, before entering upon such a course, be at least eighteen years of age, must hold the Leaving Certificate or must have passed the Senior Public Examination, or must hold an approved equivalent qualification, and must have served for at least one year as junior teachers on the staff of a school.

(b) Studentship holders under clause 4 above who desire to enter upon the course for the Trained Primary Teacher's Certificate must, before entering upon the second year of the course, be at least nineteen years of age, must have qualified for matriculation at the Melbourne University, and must have served for at least two years as junior teachers on the staff of a school.

(c) Studentship holders under clause 4 above who desire to enter upon the course for the Trained Infant Teacher's Certificate must, before entering upon such course, be at least eighteen years of age, must hold the Intermediate

Certificate or must have passed the Junior Public Examination, or must hold an approved equivalent qualification, and must have served for at least two years as junior teachers on the staff of a school.

(d) Any person who is awarded a studentship under clause 4 above for the Trained Primary Teacher's Certificate, and who has not qualified for matriculation at the Melbourne University, will be required to spend the first year of his course as a pupil in a district high school approved for this purpose by the Director, and on obtaining such qualification may proceed to the second year of the course, subject to the provisions of sub-clause (b) above. Such studentship holder shall, however, during such first year of the course, be paid an allowance in accordance with the provisions of sub-clause (b) of clause 15 below.

7. (a) Persons awarded studentships under clause 4 (h) above who enter upon the course for the Trained Secondary Teacher's Certificate may at the discretion of the Principal be at once admitted to the third year's course, and the work they have completed in their University course shall be regarded as the completion of the first two years of training for the Trained Secondary Teacher's Certificate, or in the case of such students entering for the Trained Primary Teacher's Certificate they may, at the discretion of the Principal, be at once admitted to the second year's course, and the work they have completed in their University course shall be regarded as the completion of the first year of training for the Trained Primary Teacher's Certificate.

(b) Persons awarded studentships under clause 4 (f) above who enter upon the course for the Trained Secondary Teacher's Certificate shall before entering upon such course spend at least one year in practical teaching on the staff of a school, and during such period shall be paid an allowance at the rate of £30 per annum.

(c) Persons awarded studentships under clause 4 (f) above who enter upon the course for the Trained Primary Teacher's Certificate shall before entering upon such course spend at least two years in practical teaching on the staff of a school, and shall during such period be paid an allowance at the rate of £30 per annum. Those who receive from the district inspector satisfactory reports as to their conduct and efficiency as teachers may be then admitted to the second year of the course for the Trained Primary Teacher's Certificate.

(d) Persons awarded studentships under clause 4 (f) and 4 (g) above who enter upon the course for the Trained Infant Teacher's Certificate shall before entering upon such course spend at least two years in practical teaching on the staff of a school, and shall during such period be paid an allowance at the rate of £30 per annum.

8. Excepting persons awarded studentships under clauses 4 (e) and 4 (h) above no studentship holder shall be admitted to the course for a Trained Teacher's Certificate unless he has obtained from a district inspector or from the Principal of the College satisfactory reports as to conduct and efficiency as a teacher.

9. No person shall be allowed to enter upon a course of training for any certificate mentioned in clause 3 above until he has submitted a certificate from a School Medical Officer or qualified medical practitioner approved for this purpose by the Director, certifying that he is of sound constitution and is free from any physical defect likely to impair his usefulness as a teacher. When the medical examination of such person discloses minor defects of a remediable character, such as unsound teeth, postnasal growths, or defects in eyesight or hearing, such student may, at the discretion of the Director, be allowed to enter upon his studentship for a period of three months on probation. At the end of such probationary period the studentship may be withdrawn from such student if satisfactory treatment of the defects referred to has not been carried out.

10. The number and kind of studentships to be awarded under each sub-section of clause 4 will be determined by the Director on or before 1st December in each year.

11. (a) When the number of studentship holders under sub-clause (a), (b), (d), of clause 4 above applying to enter upon the course for the Trained Secondary Teacher's Certificate exceeds the number of such studentships determined by the Director under clause 4 above, a selection will be made.

(b) The subjects and requirements for such examination shall be those of the Leaving Certificate Examination or of the Senior Public Examination, together with a consideration of the records of the applicants as teachers, and of their teaching aptitude and promise as certified to by an inspector of schools. Studentships shall be awarded in each of the following groups in such proportions as the Director may from time to time determine :—

- (a) English and History.
- (b) Classics.
- (c) Modern Languages.
- (d) Mathematics.
- (e) Science.

(c) When the number of studentship holders under sub-clauses (a) and (b) of clause 4 above applying to enter upon the course for the Trained Secondary Teacher's Certificate is less than the number of such studentships determined by the Director under clause 10 above, any studentship holders who have qualified for matriculation shall be eligible for admission to such course, and a selection shall be made by the Principal of the College.

12. (a) Studentships under sub-clause (d) of clause 4 above will be awarded on competitive examination. Candidates admitted to such competitive examination must be:—

- (1) Classified teachers, or
- (2) First-class junior teachers, or
- (3) Junior teachers appointed as qualified candidates from a district high school who have passed in all the subjects for promotion to the first class of junior teachers, or
- (4) Qualified persons whose names have been placed upon the Employment Register.

No candidate who, for two years immediately preceding the date of the examination, has not obtained from the district inspector satisfactory reports as to his conduct and efficiency as a teacher, will be eligible to compete, and no studentship will be awarded to any candidate who fails to pass a meritorious examination. In determining the order of precedence of the candidates who pass a meritorious examination, consideration will also be given to practical skill and length of experience.

(b) The subjects of the competitive examination specified under sub-clause (d) of clause 4 above shall be those prescribed for the First Class Certificate.

Closer Settlement Act.

KYABRAM ESTATE.

ALLOTMENTS IN THE KYABRAM ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the schedule hereunder are declared available as Farm Allotments and Agricultural Labourer's Allotments until Wednesday, 23rd April, 1913. Applications must be made on the prescribed forms, and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1. A Local Land Board to deal with the applications will be held at Kyabram, on Wednesday, 30th April, 1913, at 10 a.m.

Terms, Conditions, &c.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for. Applicants must be at least 18 years of age.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value. This does not apply to Homestead Allotments.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

No conditional purchase lease of an Agricultural Labourer's allotment can be granted to any person who is already the holder of land of the value of £350, or who would thereby become the holder of land exceeding such value.

The lessee must enclose his allotment with a substantial and sufficient fence within two years from the date of his lease unless sooner called upon under the provisions of the *Fences Act 1890*.

The lessee must reside on the estate. (Personal residence by the lessee's wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.) In special cases the Board has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

Lessees are not permitted to destroy or remove timber from the land unless by written consent of the Board.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

Land Act 1911, Section 22.

MALLEE LANDS AVAILABLE FOR SELECTION AS SELECTION PURCHASE ALLOTMENTS.

THE land is situated from 11 to 23 miles north-west from Nyah and from 5 to 17 miles from River Murray, and will be served by the Swan Hill to Piangil and Chillingollah to Manangatang railway extensions, which have been authorized by Parliament.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 14th May, 1913.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 34 years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The lease will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land if in the second class to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease.

If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the 4th, 5th, and 6th years of the term of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside on the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate

authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Thursday, 24th April, 1913.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Thursday, 24th April, 1913, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
