Only one allotment can be granted to any one person. The applications received will be dealt with by a Local Land Board, the place and date of sitting of which will be hereafter notified.

The capital value and the half-yearly instalments are shown in schedule, the payments being at the rate of 3 per cent. half-yearly on the capital value.

The lease will be for a term of 31½ years, but the purchase may be completed at any time after six years, provided the conditions of lease have been fulfilled.

The lease will be subject to the following conditions:—

That substantial and permanent improvements to the value of Ten shillings per acre shall be made on the land during each of the first three years of the term of lease.

That the lessee shall personally reside on the allotment for eight months during each year of the first six years of the term of lease. Personal residence by the wife or any child not less than 18 years of age of the lessee shall be considered personal residence by the lessee.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession of the whole or any part of the allotment within the first six years of such lease.

That a special condition shall be inserted in the Crown grant issued at any time after the expiration of the first six years of the lease, providing that the land referred to in the Crown grant shall at all times be maintained and used for the purpose of agriculture and residence, and shall not be owned, held, occupied, or used by any person who shall at the same time own other land in this subdivision.

That the lessee shall keep open all drains on or bounding his holding.

The first half-year's rent and lease-fee must be paid prior to issue of lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable).

No person unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.
