PROPOSED SEVERANCE OF CERTAIN AREA FROM THE SHIRE OF BAIRNSDALE AND ITS ANNEXATION TO THE SHIRE OF AVON.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Bairnsdale described in their petition, and they desire that the area so described may be severed from the said Shire of Bairnsdale and annexed to the Shire of Avon.

Area described in petition—

Commencing at the south-west corner of allotment 3, section 1, parish of Tyrira, county of Dargo; thence northerly by the western boundary of the said allotment and easterly along the northern boundary of allotments 3 and 1 of section 1, parish of Tyrira, to the Wentworth River; thence northerly following the course of the said river to Mount Birregun; thence northerly, westerly, and south-westerly following the boundary of the Bairnsdale Shire and the Dargo and Mitchell Rivers to the point of commencement.

The petitioners state that the township of Dargo, in the Avon Shire, is their commercial centre, that all their interests lie in that direction, and that the only outlet for their produce is through the Avon Shire territory.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever that portion of the Shire of Bairnsdale above described, and annex same to the Shire of Avon.

Notices for the petitioners may be served on Mr. Harry Bucknall, Shire Secretary, Council Chambers, Stratford.

Commissioner of Public Works.

NOTE.—Interest on overdue rents—5 per cent., as provided in section 40, Land Act 1904.

NYAH IRRIGATION SETTLEMENT.—HOMESTEAD ALLOTMENTS AVAILABLE FOR SELECTION UNDER CONDITIONAL PURCHASE LEASES.

The time for receiving applications for this land has been extended to 30th April, 1914.

THE land is situated at Nyah, on the River Murray, about 17 miles north-west from Swan Hill.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Officer, or to the Secretary for Lands, Melbourne, on or before Thursday, 30th April, 1914.

Every application must be accompanied by a deposit equal to the first instalment of the purchase money and the lease fee £1.

An applicant can, however, apply for more than one holding, and will only be required to lodge the deposit payable in respect of the most valuable allotment applied for, together with one registration fee of 5s. which covers all applications made.

Only one holding can be granted to any one person.

Improvements must be effected on the allotment to the value of not less than £50 within one year from the date of the lease, and additional improvements to the value of not less than £50 each year, before the end of the second and third years, from the date of the lease, unless the improvements already on the land are of the required value.

The lessee or grantee or owner must permanently reside on the allotment for at least eight months during each year.

Personal residence by the lessee's wife, or any of his children over 18 years of age, may, with the approval of the Minister of Lands, be considered personal residence by the lessee.

During the first three years of the term of the lease, the condition as to residence shall be deemed to be complied with for such period or periods as may be specified by the Minister of Lands during which some person named by the lessee, and approved by the Minister of Lands prior to commencement of his residence, resides on such allotment.

The term of the lease is 31½ years, and the lessee cannot transfer, assign, mortgage, or sublet his holding within the first six years of the lease.

The Crown grant may be issued at any time after the expiration of twelve years from the date of the lease, provided all conditions have been complied with, and the full purchase money has been paid.

All applications received will be dealt with by a Local Land Board, the date and place of hearing will be hereafter notified.

TENDERS will be received on or before Monday, 27th April, 1914, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the Land Act 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for seventeen months from 1st May, 1914, to 30th September, 1915.

2. The fee for the period as shown in the head-lines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act 1901*.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
