Factories and Shops Acts.

DETERMINATION OF THE COOPERS BOARD.

IN accordance with the provisions of the Factories and Shops Acts, the Special Board appointed to determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process, trade, or business of a cooper, has made the following Determination, namely:—

(1) That previous Determinations of this Board are hereby amended, and such amendments shall come into force and be operative on and after the 27th day of September, 1915.

WAGES.

(2) Persons making or repairing any article, except tallow, oleo, or margarine casks, 1s. 6d. per hour, or £3 12s. per week of 48 hours. Persons making tallow, oleo, glucose, or margarine casks to be paid piece work prices only.

APPRENTICES AND IMPROVERS.

DEFINITION (ACT 2386, SECTION 5.)

“Apprentice” means any person under twenty-one years of age bound by indentures of apprenticeship, or any person over twenty-one years of age who, with the sanction of the Minister, is bound by indentures of apprenticeship.

“Improver” means any person (other than an apprentice) who does not receive a piece-work price or a wages rate fixed by any Special Board for persons other than apprentices or improvers, and who is not over twenty-one years of age, or who, being over twenty-one years of age, holds a licence from the Minister to be paid as an improver.

(3) That the wages and number of apprentices or improvers who may be employed within any place shall be:—

Experience.	Wages per week of 48 hours.		Proportionate number.
	Apprentices.	Improvers.	
1st year ...	7s. 6d.	7s. 6d.	One apprentice to every three or fraction of three workers receiving not less than 72s. per week of 48 hours. One improver to the first three workers and thereafter one improver to every nine additional workers receiving not less than 72s. per week of 48 hours.
2nd „ ...	10s.	10s.
