## STANHOPE ESTATE (McDONALD'S LAND).

## IRRIGABLE AREA.

## ALLOTMENTS IN THE STANHOPE ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm Allotments and Agricultural Labourers' Allotments until Saturday, 23rd October, 1915. Applications must be made on the prescribed forms, and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1.

A Local Land Board to deal with the applications will be held at the Court House, Kyabram, on Wednesday, 27th October, 1915, at 10 a.m.

## Terms, Conditions, &amp;c.

The leases issued to successful applicants will be for such a term of years not exceeding 31½ as may be agreed upon between the lessee and the State Rivers and Water Supply Commission.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Applicants must be at least 18 years of age.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value. This does not apply to Homestead Allotments.

No person shall be capable of applying for or holding an Agricultural Labourer's Allotment if at the date of his application he is directly or indirectly, either by himself or jointly with any other person or persons, the owner of any other land in Victoria, his interest in which with the allotment applied for would exceed in value £350.

Improvements must be effected as follows:—For a Farm Allotment, to the value of at least two instalments of the purchase money before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year. For an Agricultural Labourer's Allotment, a substantial dwelling house of the value of at least £30 within one year from the date of the lease, and the enclosure of the allotment with a substantial fence, within the meaning of the Fences Act, within two years from such date.

Lessees may remove any timber from their holdings after having obtained written authority from the Commission's Officer in Charge, but only on condition that the stumps be grubbed, *debris* cleared up, and the ground left fit for the plough.

The lessee must reside on the allotment. Personal residence by the lessee's wife or any of his children over 18 years of age may, with the approval of the Commission, be considered personal residence by the lessee. In special cases the Commission has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee of a Farm Allotment cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease. The lessee of an Agricultural Labourer's Allotment may do so at any time with the written consent of the Commission.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

The lessee has the option of paying the whole or any portion of the balance of purchase money at the end of any half-year, and securing a reduction of the instalment accordingly.

The deposit, after deducting the sum of £1 5s. for fees, will be credited as part payment of the capital value of the allotment, and the balance of the purchase money, with interest at 4½ per cent., must be paid by 63 or a less number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown Grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land or a member of his family over 18 years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Inquiry Branch, Crown Lands Office, Melbourne.

KOONDROOK ESTATE (IRRIGABLE LAND)  
(Watson's, Myall).

## ALLOTMENTS IN THE KOONDROOK ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm Allotments until Saturday, 2nd October, 1915. Applications must be made on the prescribed forms and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1.

A Local Land Board to deal with the applications will be held at the Court House, Kerang, on Wednesday, 6th October, 1915, at 10.30 a.m.

## Terms, Conditions, &amp;c.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the State Rivers and Water Supply Commission.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for. Applicants must be at least 18 years of age.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value. This does not apply to homestead allotments.

Improvements to the value of at least two instalments of the purchase money must be effected on each Farm Allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must enclose his allotment with a substantial and sufficient fence within two years from the date of his lease unless sooner called upon under the provisions of the *Fences Act* 1890.

The lessee must reside on the estate. (Personal residence by the lessee's wife, or any child not less than 18 years of age of lessee, may be considered personal residence by the lessee, with the approval of the Commission.) In special cases the Commission has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

Lessees are not permitted to destroy or remove timber from the land unless by written consent of the Commission.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Enquiry Branch, Crown Lands Department.
