## No. 61.

THE Victorian Railways Commissioners, in pursuance of the powers conferred in that behalf by the *Railways Act 1915*, do hereby make the following Regulation in regard to the qualifications, selection, and examination of candidates for employment as Apprentices, and do hereby repeal all previous regulations relating thereto.

1. Every person desiring to become a candidate for employment as an Apprentice, must prepare, in his own handwriting, an application on the form prescribed, stating that he is an applicant for appointment to one of the vacancies specified in the public notice.

2. The age of each candidate shall be reckoned to the date fixed by the Commissioners for the opening of the applications, and shall not be less than fourteen (14) years nor more than eighteen (18) years, with the exception that every youth at present in the permanent or supernumerary employment of the Commissioners who will not have reached the age of twenty (20) years at the date fixed for the opening of the applications shall be eligible to become a candidate, provided that he has had continuous employment in the service of the Commissioners at least from the date of his eighteenth birthday. The appointment, however, to the position of Apprentice of any such candidate who has had permanent or supernumerary service shall be subject to the following conditions, viz.:—

(a) That such previous service as a permanent or supernumerary employé shall not be taken into consideration in determining the period of his apprenticeship; and

(b) That the wage per day payable to him from year to year, during his term of apprenticeship, shall be at the respective rates prescribed hereunder, irrespective of the wage of which he was in receipt as a permanent or supernumerary employé prior to his appointment as an Apprentice.

3. The rate of pay of every Apprentice shall be as under:—

	s.	d.	
First year ...	1	9	per day

4. Any Apprentice who, owing to the requirements of the Department, may be obliged to reside away from his home, shall, in addition to his ordinary rate of pay, be granted an allowance toward his board and lodging expenses during such time as his wage continues to be not more than

3s. 6d. per day in accordance with the following scale:—

5. Every candidate shall confine himself to one application for employment, and shall enclose such application in an envelope, which must be properly addressed, duly stamped, and posted, so that it will reach the Acting Secretary for Railways (hereinafter referred to as the "Secretary"), Spencer-street, Melbourne, not later than the time fixed by the Commissioners for opening and dealing with such applications.

6. Every candidate shall furnish with his application a certified extract from the register of his birth. In the case, however, of a candidate born outside of the State of Victoria, a statutory declaration by one of his parents or by a near elder relative as to the date of his birth will be accepted as temporary evidence of age; but every such candidate who is selected will be required to take immediate steps to obtain an official Birth Certificate from the State or country in which he was born.

7. Every candidate who has at any time been employed in any capacity in the Railway Department or in the Public Service, whether as a permanent or supernumerary employé, shall furnish particulars with his application as to the period of such employment, and, if he has left such service, the cause of his leaving.

8. Any person who has been dismissed from the Railway Department or the Public Service, or whose employment has been terminated for cause, or who has been convicted of a felony or misdemeanour, whether before or after selection or examination, shall not be eligible for employment in the service of the Commissioners.

9. The Secretary shall on the day and at the hour named in the public notice, proceed to open the applications, and shall cause the name and address of the writer of each of such applications to be then and there registered in a book provided for that purpose, hereinafter called the "Register," and a consecutive number, commencing with the number one, shall be placed in the Register opposite the name of each candidate.

10. The candidates, if not more than twice the number of Apprentices to be employed, shall thereupon be subject to the course of procedure, and the conditions, defined in Clauses 16 to 24 inclusive of this Regulation.

11. The candidates, if more than twice the number of Apprentices to be employed, shall be reduced by a Board of Selectors (which shall be

appointed within seven days prior to the date fixed for the selection) to a number equivalent to twice the number to be employed.

12. The members of the Board of Selectors shall not be informed of, nor acquaint themselves with, the names of the applicants, or any of them; and any candidate who either directly or indirectly attempts to influence any Member of the Board of Selectors in favour of himself, or in favour of or against any other candidate, shall be for ever disqualified for employment in the service of the Commissioners.

13. Every candidate shall be notified in writing by the Secretary of the place and time at which he shall present himself to the Board of Selectors.

14. Every candidate, immediately before presenting himself to the Board of Selectors, shall be furnished by the Secretary with a card bearing a number, by which number alone he shall be known to the Board of Selectors.

15. A list of the names of the candidates selected by the Board of Selectors shall be compiled and certified to by the Board of Selectors, and every candidate whose name has been enrolled on such list shall be entitled to present himself for examination by the Railways Medical Officer.

16. Every such candidate shall pass an examination by the Railways Medical Officer, and for such examination shall pay a fee of 5s.

17. 18. Every such candidate shall be required by the Examiners to pass an educational examination equivalent to the examination prescribed for the State School Exemption Certificate.

19. Every such candidate shall produce to the Educational Examiners satisfactory written testimony that he is of respectable character, and shall furnish the name or names of any person or persons or firms with whom he may have been employed during the preceding two years, and every such candidate who has had previous employment in the service of the Commissioners shall produce a statement of such service and a certificate of competency and good conduct from the Head of the particular Branch in which he is or may have been employed.

20. The Educational Examiners shall thereupon examine the selected candidates who have passed the physical, &c., examination, at such time and place as may be notified to such candidates respectively.

21. The Educational Examiners shall, immediately after the completion of the examination, forward to the Secretary the examination papers of every candidate so examined, together with a certificate as prescribed hereunder:—

Two ballot boxes shall be provided; numbered 1 and 2 respectively, in each of which shall be deposited as many numbers in arithmetical progression, commencing with the number one, as shall correspond with the number of successful candidates.

Every such candidate shall then draw first from No. 1 box, and afterwards from No. 2 box in the numerical order ascertained by the drawing from No. 1 box. For instance, the candidate drawing No. 4 out of No. 1 box shall be the fourth in order for drawing out of No. 2 box, and the number drawn from No. 2 box shall fix his order of precedence for appointment, and in the event of two or more such candidates being appointed on the same day such drawing shall, all other things being equal, determine the relative seniority of each candidate for future promotion, &c.

23. Every successful candidate in excess of the number of Apprentices required by the Commissioners shall, in the order so decided, be eligible for appointment during the twelve months next ensuing from the date of the ballot without further or other examination.

24. Every appointment shall be on probation for a period of six months, and at the expiration of that period the appointment may be confirmed by the Commissioners, provided that the conduct, capacity, and industry of the probationer whilst in the service of the Commissioners have been satisfactory. No probationer, however, shall have his appointment confirmed until he has effected in one of the prescribed Life Assurance Companies an assurance of his life in accordance with the regulations of the Commissioners.

25. Every appointment shall be made on the distinct understanding that the services of the employé shall without previous notice be liable to be dispensed with either during or after the period of probation, or either during or after the period of apprenticeship, and without his having any claim whatsoever against the Commissioners if at any time his services be so dispensed with.

26. Tenders for supply of forage to more than five separate stations in any one district must be accompanied by a preliminary deposit of 10s. for each and every station tendered for except in the case of the Melbourne District, the preliminary deposit for which shall be £25 with each tender, irrespective of the number of stations tendered for. Deposits must be in bank notes, or bank drafts payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application; such deposit will be forfeited in the event of the tenderer, after the time fixed for the closing of tenders, withdrawing or attempting to withdraw his tender, or of the successful tenderer failing to complete the necessary bond within a reasonable time after the acceptance is notified.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to hold contracts for Government supplies for a period of two years.

The price must include delivery at the stations, and all charges except the bags, which will remain the property of the contractor. At stations where the bags can be at once emptied the contractor will be required to remove them when delivery is taken. At other stations, notice will be sent to the contractor when the bags are empty. Bags to be removed at contractor's expense.

For police stations, excepting the depot and institutions other than police, the successful tenderer will be required to enter into a bond for the sum of £5 per horse per station, and for the depot and other institutions a bond based on one-quarter of the total amount of the tender accepted, such bonds to be entered into within a reasonable time after the acceptance is notified. Two approved sureties are required for contracts where the sum stated in the bond is £50 and upwards, and one surety where the sum stated is under £50.

## CONDITIONS OF CONTRACT.

1. The hay to be good, sound, and sweet, and properly trussed except when otherwise specified in the contract; the straw to be wheaten or oat, and both to be in all respects of the best quality; oats, white or Algerian (Victorian grown), of the best description, full kernel, clean, and free from wild oats or other objectionable seeds; bran to be sound and sweet, and of the best description; chaff to be made from oat hay of the best quality. As much forage as can be stored at any station where the storage is small will, for the convenience of the contractor, be ordered at one time.

2. The quantities stated in the schedule are only approximate, and the Government may draw either more or less than those mentioned. Should new telegraph stations be formed or additional horses be required at any station, the contractor will be required to supply the extra forage. Unless otherwise specified in the tender form the contractor may, if he desires it, terminate the contract by supplying at once the whole quantity due at the station, should the additional number of permanent horses exceed two.

3. Notwithstanding anything contained in the preceding condition, the contractors for the supply to the Police Depot may be called upon to supply any Government Departments within a radius of six miles from Melbourne, for which no contracts have been taken, and also forage for any extra horses that may be at any time stabled at the depot for police purposes, at the same rates. The contract for the supply of forage to the Military Barracks may be terminated by three months' notice being given by the Secretary to the Tender Board to the contractor of such determination.

4. Should forage duly ordered under these contracts not be delivered within forty-eight hours of the time specified in the order for delivery, it will be competent for the department to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

5. In the event of a difference of opinion between the contractor and the officer receiving the forage as to the quality of the same, it is to be decided by a board of survey, composed of persons named by the head of the department ordering the supply, and the decision of the Board is to be considered final.

6. If the Board shall decide that the forage is not of proper quality, it must be immediately replaced, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 4.

7. When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue to either party by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, but he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 4.

8. A refusal to execute orders, irregularity in the quantity or quality of the forage, or delay in delivering or replacing it when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £20, as the Treasurer of the State for the time being may direct. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.

9. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

10. Under no circumstances will a contractor be permitted to abandon his contract, and in the event of his failing to carry on his contract he will be held liable for any loss which the Government may sustain in consequence of such failure. In the event of a station being discontinued or any change in the supplies required, the contractor will receive the earliest possible intimation.

11. The contracts entered into under this notice are not to be considered as broken, infringed, or vitiated by the purchase by any Department of forage grown at any Government establishment.

#### TENDERS FOR THE SERVICE OF 1916-17.

##### GENERAL STORES.

TENDERS will be received until Eleven o'clock a.m. on Tuesday, 8th February, 1916, from persons willing to furnish the undermentioned articles, in such quantities as may be ordered by the Victorian Government, or by the Commonwealth Government for its offices situated in Victoria, for the twelve calendar months indicated hereunder, commencing 1st July, 1916.

Schedule of Articles.	Year.	Pre-liminary Deposit.
No. 1. Beaverskin and moleskin ... ..	1	5
2. Cottons ... ..	1	10
3. Drapery Piece Goods ... ..	1	10
4. Canvas Duck Hose, &c. ... ..	1	5
5. Tents and Flies ... ..	1	5

\*Security.—10 per cent. on total amount of tender accepted, except when otherwise specified in the tender form, but in no case will security of less than £2 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

In certain schedules where doubt exists as to whether the articles enumerated may or may not be manufactured within the Commonwealth, double columns are inserted for the rates, "A" for articles manufactured within the Commonwealth and "B" for articles manufactured elsewhere.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is satisfactory, and the rates charged are considered reasonable. Preference will also be given to articles of British manufacture as against those of foreign manufacture.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application.

Security will be required, either in Victorian Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for —" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

The Conditions of Contract are those published under General Stores, in the *Government Gazette* of 17th April, 1915, page 1420.
