MALLEE LANDS AVAILABLE FOR APPLICATION AS SELECTION PURCHASE ALLOTMENTS.

THE land adjoins the township of Murrayville, and is situated on the west side of the township.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Saturday, 1st May, 1915.

Two or more applications for allotments may be made at the same time by any one person without affixing more than one duty stamp of 5s.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation, improvement, and all other conditions have been complied with, the lease will be indorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years (as the case may be) a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will amount to £4 10s. per allotment.

The lease will contain (*inter alia*) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment unless and until the lease has been indorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable.)

In certain schedules where doubt exists as to whether the articles enumerated may or may not be manufactured within the Commonwealth, double columns are inserted for the rates, "A" for articles manufactured within the Commonwealth and "B" for articles manufactured elsewhere.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is satisfactory, and the rates charged are considered reasonable. Preference will also be given to articles of British manufacture as against those of foreign manufacture.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted-tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for ———" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.
