BAMAWM ESTATE.—(IRRIGABLE AREA.)

ALLOTMENT IN THE BAMAWM ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE allotment included in the Schedule hereunder is declared available as a Farm Allotment until Tuesday, 30th May, 1916. Applications must be made on the prescribed forms and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder. The deposit includes registration fee of 5s. and lease fee of £1.

Terms, Conditions, &c.

The lease issued to successful applicant will be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the State Rivers and Water Supply Commission.

Applicants must be at least 18 years of age.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements must be effected as follows:—For a Farm Allotment, to the value of at least two instalments of the purchase money before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

Lessee may remove any timber from his holding after having obtained written authority from the Commission's Officer in Charge, but only on condition that the stumps be grubbed, debris cleared up, and the ground left fit for the plough.

The lessee must reside on the allotment. Personal residence by the lessee's wife or any of his children over 18 years of age may, with the approval of the Commission, be considered personal residence by the lessee. In special cases the Commission has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee of a Farm allotment cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Lease will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

The lessee has the option of paying the whole or any portion of the balance of purchase money at the end of any half-year, and securing a reduction of the instalment accordingly.

The deposit, after deducting the sum of £1 5s. for fees, will be credited as part payment of the capital value of the allotment, and the balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a less number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Enquiry Branch, Crown Lands Office, Melbourne.
