The provisions contained in these Regulations as to the nomination of candidates, the manner in which elections shall be held, and the mode of voting thereat, shall apply to any election in respect of such vacancy, and the person elected to fill such vacancy shall hold the office of Commissioner or Auditor during the unexpired portion of the term of office of the Commissioner or Auditor whose seat shall have become vacant.

8. Voters' List to be Prepared Yearly.—Before the first day of June in each year the Trust shall cause to be prepared a voters' list.

9. Form of Voters' List.—First Schedule.—Such voters' list shall be in the form of the First Schedule hereto, and shall contain in regular numerical sequence and alphabetical order of surname the christian name or names, surname, and address, so far as these may be known, of each person entitled to vote under the provisions of the said Acts, and shall also specify the extent of and indicate with reasonable certainty the land of each such person, in respect of which he appears by the assessment books of the Trust to be rated, and shall state the number of votes to which, under the provisions of the said Acts, each such person is entitled.

10. Voting in Respect of Lands Jointly Owned.—In the case of partners, joint occupiers, joint owners, or tenants in common, the person whose name shall appear first on the assessment book shall, subject to the provisions of the said Acts and of these Regulations, be placed in respect of such land upon the voters' list in like manner as if such land were occupied or owned solely by him, and he alone shall be entitled to vote accordingly.

11. Copy of List to be Available for Inspection.—Second Schedule.—A copy of such voters' list shall be available for inspection, without payment of any fee or charge, at all reasonable hours in the day-time, at some convenient place within or near to the Irrigation District of the Trust for a period of not less than six clear days; and a notice in the form, or to the like effect, of the Second Schedule hereto, shall be published in some newspaper ordinarily circulating within the said district, and such notice shall state that all objections to the said list must be forwarded in writing to the Chairman of the Trust within the time mentioned in the said notice.

12. Grounds of Objections to List to be Lodged in Writing with the Chairman of the Trust.—All objections to the said list shall be lodged in writing with the Chairman of the Trust within the time mentioned in the said notice, and the ground or grounds of objection must be clearly set forth.

13. Special Meeting of Trust to be Held to Revise List.—List to be Certified.—Within seven days after the date fixed for lodging objections against the said list as provided by the last preceding clause, a special meeting of the Trust shall be held for the purpose of revising the said list; and all objections which may have been so lodged with the Chairman shall be considered by the Commissioners then present; and the Chairman may make such alterations and amendments in the said list as the Commissioners or a majority of the Commissioners present may determine to be just and necessary, or such as by these Regulations are required to be made; and the list, when so revised, altered, and amended, shall be certified as correct under the hand of the Chairman, and no objection to the list when so certified shall be allowed.

14. Revised and Certified List to be Voters' Roll.—The list so revised and certified shall be the voters' roll to be used at the election of Commissioners and Auditors to be held on the last Wednesday in June then next ensuing, and shall be the voters' roll to be used at any election for the purpose of filling any vacancy in the office of any Commissioner or Auditor that may arise within twelve months from such day.

15. Disqualification of Voter.—No person whose name shall appear upon the voters' list, who shall be more than three months in arrear with the payment of the whole or any part of the rates due by him to the Trust in respect of the land described in such list, shall be entitled to vote for land in which he is so in arrear.

16. Chairman of Trust to be Returning Officer at Elections.—For the purpose of every election (whether ordinary or extraordinary) the Chairman of the Trust for the time being shall be the returning officer; but if, at the time of any election, the office of Chairman of

the Trust should be vacant, or the Chairman being a candidate, the Commissioners of the Trust may, by resolution, appoint one of their number to be returning officer until the office of Chairman shall again be filled, and if no such appointment be made, such person as the Governor in Council may appoint; and the returning officer may appoint a deputy to assist him or to act in his room at any election; and such deputy may do all or any of the acts or things which the returning officer is hereby authorized or required to do, and the returning officer may appoint two poll clerks to assist him when necessary.

17. *Notice of Election.—Nomination of Candidates for Commissioners and Auditors.—Third Schedule.*—Not less than fourteen nor more than twenty-one days before any election of Commissioners and Auditors under these Regulations, the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the said district, and by such notice shall require all candidates at such election to be nominated at some place within the said district to be named in such notice in manner hereinafter mentioned, between the hours of Ten o'clock in the forenoon and Three o'clock in the afternoon, on some day before a day (hereinafter called the day of nomination) not less than seven nor more than ten days after the time of giving such notice, and named therein; and any person desirous of nominating a candidate shall, before Three o'clock in the afternoon of the day next preceding the nomination day, cause to be delivered at the place aforesaid to the returning officer or his deputy a nomination-paper in the form of the Third Schedule, or to the like effect, stating therein the christian name and surname of such candidate, together with the other particulars required in and by the said Schedule, and such nomination-paper shall be signed by not less than five persons duly qualified to vote at such elections, and also signed by the person named therein as a candidate in token of his assent to being so named. Every candidate for election as a Commissioner, or some person on his behalf, shall, at the time when such nomination-paper is delivered to the returning officer, pay into the hands of such returning officer the sum of Ten pounds (£10) to be dealt with as by law provided. And no person who shall not have been so nominated, and, in case the nomination be for election as a Commissioner who or on whose behalf such payment shall not have been so made, shall, within the subsequent provisions of these Regulations, be deemed to be a candidate at any election of Commissioners.

18. *Where Number of Candidates does not Exceed Number of Commissioners or Auditors to be Elected.*—If at the expiration of the time limited as hereinbefore provided for the nominations of candidates the number of persons who have become candidates as aforesaid does not exceed the number of Commissioners or Auditors to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

19. *Where Number of Candidates Exceeds Number of Commissioners or Auditors to be Elected.—Fourth Schedule.—Notice of Poll.—Hours of Polling.*—If at the expiration of the time limited for the nomination of candidates the number of candidates exceeds the number of Commissioners or Auditors to be elected, then the returning officer shall, in respect of the offices for which there is such excess of candidates, forthwith cause ballot-papers to be printed, with the christian and surname of the candidates in full, in the form of the Fourth Schedule hereto, and shall cause notices to be published in a newspaper generally circulating in the Trust district, or to be posted up in conspicuous places throughout the district, giving the names of the candidates nominated, and setting forth the date and place at which the poll shall be taken, and the time at which the poll shall commence and be closed, and such poll shall take place accordingly, and shall commence at Twelve o'clock noon and close at Seven o'clock in the afternoon.

20. *Returning Officer to Preside at Polling-Booth.*—The returning officer, or his deputy, shall preside at the polling-booth for taking the poll.

21. *Scrutineers may be Appointed.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in the polling-booth, and the said returning officer, and his deputy, and poll clerks, and the scrutineers, and any persons, not exceeding six in number actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling-booth.

22. *Pencils and Ballot-box to be Provided.*—The returning officer, or his deputy, shall provide pencils in the polling-booth for the use of voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers; and such box shall be opened and exhibited to the scrutineers before the polling begins, and the box shall then be locked, and shall stand on a table opposite the returning officer or deputy returning officer, who shall keep the key of such box.

23. *Mode of Voting.*—The returning officer, or his deputy, shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give. Every ballot-paper delivered as aforesaid shall be initialed by the returning officer or his deputy; and every person voting shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. In case any person voting is unable to read or write, the returning officer, or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate, and after such name or names have been so struck out the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. All the ballot-papers to which any person may be entitled at the polling-booth shall be demanded and received by him at one and the same time; and, except as hereinafter expressly provided as to voting by proxy, no person having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

24. *Ballot-papers to be Numbered.*—Before delivering any ballot-paper, the returning officer, or his deputy, shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number in the roll set opposite to the name of the person entitled to vote, and shall thereupon, upon a copy of such roll, check off such person's name as having voted.

25. *Informal Ballot-papers.*—If any person suffer to remain upon his ballot-paper a greater number of names not struck out than the number of Commissioners or Auditors to be elected; or if any person voting strike out a number of names so as to leave a less number than the number of Commissioners or Auditors to be elected, the vote given on or by such paper shall be void and of no effect.

26. *What Questions may be Asked.*—The returning officer or his deputy may, if he sees fit, or, if required to do so by any candidate or scrutineer, shall put to any person claiming to vote in his own right tendering his vote the questions following:—

- (1) Are you the person whose name appears as (A.B.) in the roll in use at this election?
- (2) Are you more than three months in arrear with the payment of the whole or any part of the rates levied by the First Mildura Irrigation Trust upon the land described opposite to your name in the said roll?

And to any person claiming to vote as proxy for another the questions following in respect of each proxy:—

- (3) Is the signature (A.B.) at the foot of the proxy form presented by you, to the best of your belief, in the actual handwriting of (A.B.) personally?
- (4) Is the said (A.B.) the person whose name appears in the roll in use at this election?
- (5) Is the said (A.B.) more than three months in arrear with the payment of the whole or any part of the rates levied by the First Mildura Irrigation Trust upon the land described opposite to the said (A.B.) name in the said roll?
- (6) Are you (C.D.) the person named in the said proxy form?
- (7) Have you already received ballot-papers in respect of three proxies at this election?

and no other question shall be put to any person tendering a vote; and no person who shall refuse to answer such questions, or who shall not answer the second, fifth, and seventh questions absolutely in the negative, and all the other questions absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

27. *Voting by Proxy.—Fifth Schedule.*—All proxy forms shall be in the form prescribed in the Fifth Schedule to these Regulations or to the like effect, and shall in all cases be signed by the person entitled to vote by proxy in his own actual handwriting, or, if unable to write, by his own mark, and such signature or mark shall be attested by a magistrate, a justice of the peace, a commissioner for taking affidavits or declarations, a legal practitioner, a bank manager, a public or State school teacher, or a postmaster or postmistress, either in Victoria or elsewhere, and all such proxy forms shall be lodged with the returning officer or his deputy at least forty-eight hours prior to the hour fixed for the opening of the poll.

28. *False Answer, Polling Twice, and Personation.*—Every person who shall wilfully make a false answer to any of the questions aforesaid, or who shall poll more than once, or offer to poll more than once at the same election, in his own right or in right of the same person, or who shall use or attempt to use more than three proxies, or who shall depart or attempt to depart from any polling-booth after having received a ballot-paper without having deposited the same in the ballot-box as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these Regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as he is entitled so to do.

29. *Result of Polling, How Ascertained.*—Returning Officer to have Casting Vote.—Immediately upon the close of the poll, the returning officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer shall seal up the ballot-papers deposited in the booth, and, as soon as conveniently may be on or after the day of the poll, publicly declare the candidates not exceeding the number of vacancies to be filled up who have received the greatest number of votes to have been duly elected Commissioners or Auditors of the Trust (as the case may be); and if two or more candidates have received an equal number of votes, the returning officer shall in each case have the casting vote in addition to any other vote or votes he may have.

30. *Ballot-papers, How Disposed of.*—The returning officer shall, forthwith after the declaration of the poll, indorse with a description of the contents thereof, and sign the sealed parcel of ballot-papers, and shall deliver such sealed packet to the Secretary of the Trust, to be by him safely and secretly kept for six months then next ensuing, and then by him cause to be destroyed in the presence of three Commissioners of the Trust.

31. *Questions Arising upon Elections to be Determined by Trust.*—If any question arise as to the due election of any Commissioner or Auditor at any election (whether ordinary or extraordinary), such questions shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been determined, and a majority of the Commissioners whose election is not in dispute shall form a quorum.

32. *Appeal to Minister from Determination of Trust.*—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just, and such determination of the Minister shall be final and binding.

33. *Failure to Elect Deemed to Create Extraordinary Vacancies.*—If at any election of Commissioners or Auditors no vacancies or a number of vacancies less than the whole number which should have been filled up at such election are filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies, and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected to fill such vacancies shall go out of office as if elected at such election.

34. *Expenses of Election to be Paid by Trust.*—The expenses incurred by the returning officer, or under his direction, in connexion with any election, shall be defrayed by the Trust.

35. *Interpretation.*—In these Regulations words importing the masculine gender shall be deemed and taken to include females, unless there is something in the context repugnant to or inconsistent with this interpretation.

36. Notwithstanding anything to the contrary in regard to any election of Commissioners for the urban section of the Trust, these Regulations, with the necessary consequent alterations, shall apply to such elections, and any previous Regulations made in regard to the election of Commissioners for such urban section shall be read as if the provisions of these Regulations were in force.

ORDER IN COUNCIL UNITING BOROUGH OF
CHEWTON WITH THE SHIRE OF METCALFE.

*At the Executive Council Chamber, Melbourne, the
sixteenth day of May, 1916.*

PRESENT:

| | |
|--|----------------|
| His Excellency the Governor of Victoria. | |
| Mr. Lawson | Mr. Livingston |
| Mr. McLeod | Mr. Adamson. |
| Mr. Hagelthorn | |

WHEREAS by notice in writing, dated the 8th day of October, 1915, to and duly served upon the Councils of the Borough of Chewton and of the Shire of Metcalfe respectively, on or about the 9th day of October, 1915, the Honorable Frederick William Hagelthorn, His Majesty's Commissioner of Public Works in and for the State of Victoria, and the Minister of the Crown of the said State at that time administering the Local Government Acts of the same (hereinafter referred to as the Minister), notified such Councils of his intention to proceed to obtain an Order uniting such borough to the shire of Metcalfe, the municipal district of which, together with that of the said borough, form one continuous area by reason (as the case in fact is) of the territory of the said borough not containing rateable property capable of yielding upon a rate not exceeding one shilling in the pound on the annual value thereof estimated under the provisions of the Local Government Acts a sum of Three hundred pounds, particulars of which notice were published in the *Government Gazette* of the 13th day of October aforesaid, and respectively in three consecutive issues of the *Argus*, and the *Mt. Alexander Mail*, a newspaper generally circulating in the several municipalities of Chewton Borough and Metcalfe Shire (that is to say, in the *Argus* of the 15th, 16th, and 18th of October, 1915, and in the *Mt. Alexander Mail* of the 16th, 18th, and 19th of the same month). And whereas the said Minister has given to the Councils of the municipalities of Chewton Borough and Metcalfe Shire (no creditor of either of them within the period of three months from the 19th day of October now last past or at all having notified the Minister of his or its desire so to do), full opportunity of showing cause why an Order in Council uniting the borough of Chewton to the shire of Metcalfe should not be passed. And whereas the Honorable William Addison Adamson, His Majesty's Commissioner of Public Works in and for the State of Victoria and the Minister of the Crown of the said State for the time being administering the Local Government Acts of the same, having entertained inquiries into and decided upon all the representations made by or on behalf of such Councils respectively, has recommended that the borough of Chewton should, as on and from the thirty-first day of May now next, be united to the shire of Metcalfe, and become part of the same, and that the territory of the said borough should thenceforth form portion of the Metcalfe Shire by being constituted a separate riding thereof. And whereas such recommendation has been duly considered and approved. Now therefore His Excellency the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, being satisfied that all conditions precedent to the making hereof have been fulfilled and observed, and acting under the authority conferred by the *Local Government Act 1915* and under all other powers him enabling in that behalf, doth hereby order and direct as follows (that is to say):—

1. That on and from the thirty-first day of May now next the borough of Chewton, incorporated under the style or title of "The Mayor, Councillors and Burgesses of the Borough of Chawton," shall by virtue of these presents be and become united with the shire of Metcalfe, incorporated under the style or title of "The President, Councillors and Ratepayers of the Shire of Metcalfe," and that thereupon and thenceforward the territory constituting the said borough with the territory constituting the said shire shall together form one shire, the boundaries of which are set out and defined in the First Schedule hereto, with the assigned name of the "Metcalfe Shire," and that the inhabitants thereof shall be and become incorporated under the style or title of "The President, Councillors and Ratepayers of the Shire of Metcalfe."

2. That from and after union the new shire of Metcalfe shall consist of five separate ridings, namely, the Taradale Riding, the North Riding, the South Riding, the West Riding, and the Chewton Riding, which several ridings shall have the boundaries set forth and described in the Second Schedule hereto under their respective names.

3. For the purposes of the annual election to be held next after the 31st day of May, 1916, and of the government of the municipality constituted by the union, but without prejudice to the operation of the provisions of section 24 of the *Local Government Act 1915*, it is hereby declared that the Council of the new Shire of Metcalfe will, in accordance with the terms of section 11 of the said Act, consist of fifteen members, being produced by three councillors being returned by each of the five ridings into which the new shire is by this Order divided.

And the Honorable W. A. Adamson, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

The Government will not necessarily accept the lowest or any tender.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act 1915* (No. 2626), section 50, cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice; and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government-funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the necropolis, or to the New Melbourne Cemetery, as the case may be, by rail. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 16.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor

shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctively offensive character, such as of persons drowned and long in the water, or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor, of timber 1-inch in thickness.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the New Melbourne Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the Yarra, excepting bodies buried from the Morgue, and to the Springvale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and Cemetery Regulations.

9. In the event of the contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

10. When burials or removals are required to take place on Sunday, or, in the case of any lunatic asylum, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the necropolis or cemetery authorities in the case of burials will be repaid to the contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternately, and the contractor must inform the Police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the contractor gives the order for interment. The contractor must pay the minister's fee for reading the burial service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed at the time of the burial, and that he received the fee for so doing. Should the burial service not be performed at the time of the burial no reimbursement will be allowed. The receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

12. Bodies to be removed to the Morgue shall be placed by the contractor before removal in shell coffins, zinc lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles.

13. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

14. Under no circumstances will the contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will subject the contractor, on report of the Tender Board, to the immediate cancellation of his contract. The decision of the Board as to whether any breach of the condition has taken place to be final and conclusive.

15. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne. The charge for the minister's fee should be included in the account for the funeral.

16. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals or removals will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

17. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

18. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

19. No subletting will be allowed; all work must be carried out by the contractor. Every person engaged in the burials or removals tendered for in this schedule shall be paid such wages and shall be employed subject to such conditions as are or may be determined by the Undertakers Board under the Factories and Shops Acts; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters, in the factory or shop (and in each part of the factory or shop where several rooms are in use) in which funerals are arranged or prepared under this contract. Any infringement

of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £50 (Fifty pounds), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.
