GOD SAVE THE KING!

CONTROL OF PATRIOTIC FUNDS.

IT is hereby notified, for general information, that the State War Council appointed to consider and deal with matters incidental to the conditions existing in Victoria, arising out of the present war has reported and advised on certain of such matters to the following effect, viz.:—

1. That it is desirable that the various existing Patriotic and War Funds, and any new funds which may be established in the State for the benefit of soldiers of the Empire and their dependants, and for the relief of suffering among the Allied Powers and their subjects in Great Britain, Europe, and elsewhere, should be regulated so that—

- (a) The public may from time to time be informed as to the needs, purposes, and object of such funds, and as to the administration and distribution of the same.
- (b) The time for demands or appeals being made to the public on behalf of such funds respectively and for such other purposes as may from time to time become necessary with respect thereto may be determined.
- (c) The financial provision in connexion with the above in its general aspect may be considered and reported upon to the authorities.
- (d) The patriotic contributions and relief efforts of all citizens of the State may be effectively mobilized.

2. That—

- (a) A War Funds Committee be constituted to consist of four Representatives appointed by the State War Council (one of whom to be chairman of the committee and one the representative of the Public Service); two representatives of the patriotic and other committees controlled by the Lord Mayor; two representatives of the chief Red Cross Societies; one representative of the Commonwealth Button Fund.
 - (b) The War Funds Committee be authorized to confer with the controlling bodies of representative funds as to the collection of moneys in order that the method of raising the funds be as far as possible systematized.
 - (c) The War Funds Committee should advise the State War Council as to the order or time at which such appeals should be made.
3. That the State War Council, when and as it considers it necessary, be authorized to establish any fund in connexion with any of the duties entrusted to it or for any patriotic object arising out of the war.
4. That the State War Council, after calling for or receiving a report from the War Funds Committee, or after report or recommendation from the War Funds Committee, be empowered to authorize any appeal in regard to any existing fund, or the establishment of any new fund, and to prohibit any appeal on behalf of any existing or new fund, or the establishment of any new fund.
5. That a certain class of collection should be firmly regulated, and provision made for the prohibition of such movement, unless authorized by the State War Council, which should be empowered to make regulations as to the method of collecting and other conditions as to the paying over of collections, payment of all gross amounts to proper custody, and allowance of expenses, subject to strict scrutiny and the power to prohibit any movement not complying with the various conditions.

And it is hereby further notified that the Cabinet has approved of the above report and recommendations.

7. Once in every three years a Travelling Scholarship worth £150 per annum, tenable for three years, and a bronze medal may, if the Trustees think fit, be awarded for the highest merit attained in a competition for—

- (a) an original painting;
- (b) a figure drawing from life;
- (c) a life-sized painting from the nude.

For the original painting 150 marks may be awarded as against 50 for each of the other two subjects.

The outside measurement of the canvas of such painting shall be at least 18 feet, but the proportions shall be left to the competing student. Such original painting shall contain not less than two whole human figures, and shall (under the supervision of the Director) be painted in the school at the National Gallery, during any one term, by a student who, for not less than eighteen months or more than four years, has attended the painting class at the National Gallery, or at any School of Art subsidized by the Government of Victoria.

11. The holder of the Travelling Scholarship shall for the purpose of study attach himself or herself for a period of at least two years to one of the great Art Schools of Europe, to be approved by the Trustees, and shall, during the time of such scholarship, forward a quarterly report as to the work upon which he or she is engaged.

13. An exhibition of the students' work shall be held annually.

14. No work done by students in the schools is to be taken away from the schools, without the permission of the Director, before it has been submitted for competition and exhibition at the Students' Annual Exhibition.

16. If any place in the prize list be awarded to a student who is ineligible to receive a prize, the student next in order of merit may receive such prize at the discretion of the Trustees, but no student shall receive two prizes in any one class except as provided in the preceding rule.

17. Students shall pay in advance to the Librarian the term fee fixed by the Trustees, and will not be admitted to the class-rooms except upon production of the receipt.

18. No student who has been absent from the classes for a term, or who has been irregular in attendance, except on account of actual illness, or from such cause as shall be deemed sufficient by the Trustees, shall be permitted to compete for the Travelling Scholarship or to rejoin the classes except after application to the Director and by permission of the Trustees.

19. No person will be allowed to copy any picture, drawing, or work of art in the Galleries of Painting and Sculpture without having first obtained permission in writing from the Trustees, and such permission shall specify the part or parts, if any, of any such picture or work of art not to be included in the copy.

20. All students shall sign the students' book on every day they attend before entering the gallery.

21. All students shall, when leaving the gallery, remove or carefully put away all materials used by them in drawing or painting.

22. The Trustees will not be responsible for the loss of or injury to property which any student may have left in the gallery.

23. Any irregularity or unbecoming conduct on the part of any student will subject such student to suspension by the Director. The matter shall be reported by the Director to the Trustees at their next meeting, and the offence, when proved to the satisfaction of the Trustees, shall subject such student to exclusion for such period as they may think fit.

Tenders should be placed in the Crown Lands Office Tender-box on or before Monday, 26th June, 1916.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Monday, 26th June, 1916, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the Land Act 1915 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 121st section of the Land Act 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1915, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but

shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the Land Act 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible therefor.

SPECIAL CONDITIONS.

1. The period of occupation will, except where otherwise specified, be for fifteen months from 1st July, 1916, to 30th September, 1917.

2. The fee for the period as shown in the head lines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, Land Act 1915.

Plans can be seen and information may be obtained in this office.

Section 121, Land Act 1915, provides—

1. Where a licensee under section 121 of the Land Act 1915 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
