REGULATIONS AS TO INDETERMINATE SENTENCES.

At the Executive Council Chamber, Melbourne, the seventeenth day of July, 1916.

PRESENT :

His Excellency the Governor of Victoria.

Sir A. J. Peacock
Mr. McLeod

Mr. Hagelthorn.

UNDER the powers in that behalf conferred by section 541 of the *Crimes Act* 1915 (6 Geo. V. No. 2637), and section 11 of the *Indeterminate Sentences Act* 1915 (6 Geo. V. No. 2758), the Governor of the State of Victoria, by and with the advice of the Executive Council of the same, doth make the Regulations following (that is to say) :—

APPLICABLE TO PERSONS DECLARED TO BE HABITUAL CRIMINALS UNDER SECTION 514, AND TO PERSONS DEALT WITH UNDER SECTIONS 515 AND 516 OF THE ACT, AND DETAINED IN A REFORMATORY PRISON SET APART FOR DECLARED HABITUAL CRIMINALS.

1. In these Regulations "Board" means the Indeterminate Sentences Board, constituted under the *Crimes Act* 1915.

"Inspector-General" means the Inspector-General of Penal Establishments.

"Superintendent" means the officer for the time being in charge of a reformatory prison, and includes the matron in charge of a reformatory prison for females.

"Prisoner" means any person detained in a reformatory prison for habitual criminals.

"Reformatory" means any prison or place set apart as a reformatory prison under the provisions of the *Crimes Act* 1915.

The Board.

2. The Board, or two members thereof, shall visit each reformatory at least once in each month, and shall see all the prisoners confined therein.

3. The Board shall have free access to every part of the reformatory, and may see any prisoner in private, and inspect the diets and examine any book kept in the reformatory. They may also hear reports from officers on the conduct, industry, and progress of any prisoner, and inquire generally into the treatment of the prisoners and the operation and effect of these regulations.

4. The Board shall report to the Chief Secretary any matter connected with the management of the reformatory and the treatment of the prisoners which they consider calls for report, or on which he may desire information.

The Superintendent.

5. The Superintendent shall furnish the Board with a full record of each prisoner admitted to the reformatory, accompanied by a report from the Medical Officer. He shall furnish such other returns as the Board may from time to time require.

6. The Superintendent shall keep a record of the conduct of each prisoner, and of the amounts earned, and of the amounts (if any) deducted for payment for food or clothing, or the purchase of extras, and the amounts (if any) remitted towards the maintenance of any persons dependent upon the prisoner for support, or deducted by way of punishment, and any prisoner shall be entitled to a monthly statement of the balance to his credit in his account.

Medical Officer.

7. The Medical Officer shall medically examine every prisoner as soon after admission as practicable, and shall furnish a report of the mental and physical condition of such prisoner to the Superintendent.

TREATMENT OF PRISONERS.

Classification.

8. Prisoners shall be classified into three grades—the first, or higher grade; the second grade; and the third, or lower grade. The higher grade shall consist of two divisions—lower and special. Each prisoner, on first admission, shall be placed in the second grade.

9. Promotion to the higher grade may be earned by good conduct, including prompt and cheerful obedience to all rules and regulations, loyalty to the government of the reformatory, faithful and diligent performance of work, and efforts to acquire skill and rapidity thereat, also attention to and interest in any lectures or classes, and generally the manifestation of a right spirit, and promise of reform.

10. Promotions in grade will be made by the Board.

11. The Board, in determining a prisoner's eligibility for the special division, will, in addition to consideration of his conduct reports, have regard to the prisoner's habits and disposition, his powers of self-control, and potentiality of reform, and the probability of his remaining at liberty without violating the law, in the event of his release on probation.

12. Except in such cases as may, in the opinion of the Board, be considered deserving of special remission, good conduct must be shown for at least twelve months to earn promotion to a higher grade, and for a like period at least to earn promotion from the lower to the special division of the first grade.

13. Reduction to a lower grade may follow upon idleness, misconduct, or behaviour which, in the opinion of the Board, is likely to be injurious to the discipline of the prison or to other prisoners, and shall be for such period as to the Board may seem fit.

14. When not at work the prisoners of the respective grades shall, except with the special approval of the Board, remain in the portion of the reformatory set apart for their special use.

15. Any prisoner reduced to the third grade for punishment for misconduct shall, before becoming eligible for the first grade, be required to serve in the second grade such period as to the Board may seem fit.

PRIVILEGES OF GRADES.

Second Grade.

16. Prisoners of the second grade will take their meals in their cells. They will receive rations in accordance with the dietary scales under the gaol regulations, with the addition of $\frac{1}{4}$ oz. of ration tea, 1 oz. of ration sugar, and, in the case of males, a ration of tobacco per diem during sustained good conduct.

17. Subject to the conditions contained in the rules and regulations under the Gaols Act, they will be allowed to receive and write one letter monthly, and to have a visit from relatives and friends at intervals of not less than two months.

18. They will be privileged, while conduct remains satisfactory, to be present at lectures or addresses that may be given in the prison, to change their library books thrice weekly, and, under proper supervision, to associate for recreation outside working hours in the part of the prison set apart for their particular use, at such times as may be sanctioned by the Inspector-General.

First Grade.—Lower Division.

19. Prisoners of the first grade may be permitted to dine in association. They will receive the same dietary as the second grade, and, in addition, will be permitted to spend such portion of their earnings as may be sanctioned by the Board in the purchase of extras such as are included in the indulgence list—Regulation 33.

20. Subject to the conditions contained in the rules and regulations under the Gaols Act, they will be allowed to receive and write one letter fortnightly, and to have a visit from relatives and friends at intervals of not less than one month.

21. They shall attend lectures and other meetings that may be held in the prison, and will be given facilities for changing their library books as often as may be required. They will be granted extended privileges in regard to association and recreation in the discretion of the Inspector-General.

Special Division.

22. Prisoners in the special division will, as far as practicable, be kept apart from other prisoners. They will enjoy all the privileges of the first grade, and will be given access to such weekly journals and newspapers as may be sanctioned by the Board. The Inspector-General may accord them permission to receive and write a letter at any time, and may allow them to receive visits at frequent intervals from relatives and friends likely to take a benevolent interest in them on liberation, and to be of use to them in finding employment, or otherwise.

Third Grade.

23. Prisoners of the third grade will receive the ordinary rations.

24. Subject to the conditions contained in the rules and regulations under the Gaols Act, they will be permitted to receive one letter monthly, and to write one letter every two months. A visit will be allowed them at intervals of not less than three months. Books from the library will be issued to them twice weekly. Under proper supervision they may associate outside working hours at such times as may be sanctioned by the Inspector-General, but prisoners reduced to the third grade for misconduct will have their privileges in respect to recreation and association suspended until the higher grade is re-entered.

Discipline.

25. The rules and regulations made under the provisions of the Gaols Act, and all general orders in regard to prisons shall, as far as practicable, and when not inconsistent with these regulations, or with any special regulations which may hereafter be brought into operation, apply to every reformatory.

26. The Superintendent may curtail the privileges of a prisoner in regard to indulgences, recreation, attendance at lectures, visits, and letters, for inattention or want of interest in work, disobedience and conduct not amounting to a definite breach of discipline, provided that full particulars of the circumstances in each case shall be reported to the Inspector-General and the Board.

27. The Superintendent may exercise all or any of the powers conferred on the governor of a gaol, under the provisions of the Gaols Act, for the purpose of dealing with breaches of discipline.

28. Any prisoner guilty of any serious breach of discipline, or of any conduct which makes it inadvisable that he should associate with other prisoners, may be kept in separate confinement until further dealt with.

29. The visiting justice shall have power, in addition to, or in substitution for, any punishment he is empowered to inflict under the Gaols Act, to punish any prisoner for any breach of discipline by imposing a fine, not exceeding 20s., to be deducted from any sum at any time standing to the credit of such prisoner in the account kept in the reformatory.

Employment.

30. Every prisoner shall work at some trade or vocation or be employed in some labour—

- (a) A prisoner of the first grade employed at a trade at which he is proficient, whose conduct is satisfactory, and the products of whose work are sold or disposed of, shall be credited with one-half of the net proceeds remaining after deducting the cost of his maintenance in the prison. Prisoners of the second grade shall be credited in like manner with not more than one-fourth, and prisoners of the third grade with not more than one-eighth of the net proceeds remaining after deducting the cost of their maintenance in the prison.
- (b) A prisoner of the first grade employed as a skilled artisan or tradesman, whose conduct is good, and the products of whose work are not sold, shall be credited with an amount not exceeding 1s. 6d. per diem, according to the nature and quality and quantity of the work. A prisoner of the first grade employed in the service of the prison, or at gardening or other unskilled labour, or in any trade at which he is not a skilled worker, whose conduct is good, and whose work is satisfactory in quality and quantity, shall be credited with an amount not exceeding 1s. per diem. Prisoners of the second grade shall be credited in like manner with not more than one-half, and prisoners of the third grade with not more than one-fourth of the above rates.

- (c) Provided that, after a prisoner has been in the lower division of the first grade for a period of two years, the amount with which he is to be credited, as herein provided, shall be reduced by one-half, and, after remaining in the lower division of the first grade for four years, shall be reduced by three-fourths.

31. For the purposes of these rules and regulations the cost of maintenance of each prisoner in the reformatory shall be fixed at 3s. per diem.

32. The Secretary of the Board shall receive, on behalf of the Board, all sums standing to the credit of each prisoner on his release, and shall keep an account thereof, and of the disbursements made by the Board, in accordance with the provisions of the *Crimes Act 1915* or any Act amending the same.

"Inspector-General" means the Inspector-General of Penal Establishments.

"Superintendent" means the officer for the time being in charge of a reformatory prison, and includes the matron in charge of a reformatory prison for females.

"Inmate" means any person detained in a reformatory prison.

"Reformatory" means any prison or place set apart as a reformatory prison under the provisions of the *Crimes Act 1915*.

The Board.

2. The Board shall meet from time to time as may be necessary; minutes of each meeting shall be kept by the Secretary, and signed by the Chairman.

3. The Board or two members thereof shall visit each reformatory at least once in each month, and shall see all the inmates confined therein.

4. The Board shall have free access to every part of the reformatory, and may see any inmate in private, and inspect the diets and examine any book kept in the prison; they shall generally satisfy themselves that the prison is properly conducted, the regulations duly enforced, and that proper attention is given to the health of the inmates and to the sanitary requirements of the prison.

5. The Board shall inquire into and adjudicate on all offences on the part of inmates that may be reported to them, and shall impose such punishments as may be hereinafter provided, and for that purpose may examine witnesses on oath.

6. The Board shall once at least in each quarter report to the Chief Secretary on the state of each reformatory to which these Regulations apply, and bring under his notice any matters connected therewith which they consider require attention. Such report shall contain a return of all punishments inflicted by their order during the preceding quarter.

Superintendent.

7. The Superintendent shall furnish the Board with a full record of each inmate admitted to the reformatory, accompanied by a report from the Medical Officer; and shall furnish such other returns as the Board may from time to time require.

8. The Superintendent shall keep a record of the conduct of each inmate, and of the amounts earned, and of the amounts (if any) deducted for payment for food or clothing or the purchase of extras; and the amounts (if any) remitted towards the maintenance of any persons dependent upon the inmate for support, or deducted by way of punishment, and any inmate shall be entitled to a monthly statement of the balance to his credit in his account.

Medical Officer.

9. The Medical Officer shall medically examine every inmate as soon after admission as practicable, and shall furnish a report of the mental and physical condition of such inmate to the Superintendent.

TREATMENT OF INMATES.

Classification.

10. Inmates shall be classified into three grades—the first, or higher grade; the second, or intermediate grade; and the third, or lower grade.

11. Each inmate on first admission shall be placed in the second grade. Promotions in grade shall be made by the Board, and promotion to the higher grade may be earned by good conduct, including prompt and cheerful obedience to all rules and regulations, loyalty to the government of the prison, faithful and diligent performance of work, and efforts made to acquire skill and rapidity thereat; also attention to and interest shown in any lectures or classes, and reasonable progress in subjects of instruction.

12. Except in such cases as may, in the opinion of the Board, be considered deserving of special remission, good conduct must be shown for at least six months before an inmate is eligible for promotion to the higher grade.

13. Reduction to a lower grade may follow upon idleness, misconduct, or behaviour which, in the opinion of the Board, is injurious to the discipline of the reformatory or to other inmates, and shall be for such period as to the Board may seem fit.

PRIVILEGES OF GRADES.

Second Grade.

14. Inmates of this grade will take their meals in their cells. They will receive rations except tobacco in accordance with the dietary scales under the gaol regulations, with the addition of a $\frac{1}{4}$ oz. of ration tea, and 1 oz. of ration sugar, and, on maintaining a good conduct record for three consecutive months, they may be allowed to spend such portion of their earnings as may be determined by the Board on the purchase of such extras as are marked with an asterisk in the indulgence list—Regulation 32.

15. Subject to the conditions contained in the rules and regulations under the Gaols Act inmates will be allowed to receive and write one letter, and to have a visit from relatives and friends at monthly intervals.

16. While conduct remains satisfactory inmates will be privileged to be present at lectures or addresses that may be given in the prison, to change their library books thrice weekly, and, under proper supervision, to associate for recreation outside working hours at such times as may be sanctioned by the Inspector-General.

First Grade.

17. Inmates of the first grade will be allowed to dine in association where facilities exist for this purpose. They will receive the same dietary as the second grade, and may be permitted to spend such larger portion of their earnings as the Board may determine on the purchase of extras included in the indulgence list.

18. Subject to the conditions contained in the rules and regulations under the Gaols Act, they will be allowed to receive and write a letter, and to have a visit at fortnightly intervals, and, on maintaining a good-conduct record for three consecutive months, they may receive and write letters, and have visits from reputable persons, at such other times as may be authorized by the Board.

19. They will be permitted to change their library books as often as may be required, and will be given access to such weekly journals and newspapers as may be sanctioned by the Board. They will attend lectures and other meetings that may be held in the prison, and may be granted extended privileges in regard to association and recreation in the discretion of the Inspector-General.

Third Grade.

20. Inmates of the third grade will receive the ordinary rations, but they will not be given any extras, or be permitted to purchase any indulgences.

21. Subject to the conditions contained in the rules and regulations under the Gaols Act, they will be permitted to receive one letter monthly, and to write one letter every two months. A visit will be allowed them at intervals of not less than two months. Books from the library will be issued to them twice weekly, and, under proper supervision, they may associate outside working hours at such times as may be sanctioned by the Inspector-General, but inmates reduced to the third grade for misconduct will have their privileges in respect to recreation and association suspended until the higher grade is re-entered.

Discipline.

22. The rules and regulations under the Gaols Act, and all general orders in regard to prisons, shall, as far as practicable, and when not inconsistent with these Regulations, or with any special regulations which may hereafter be brought into operation, apply to every reformatory.

23. The Superintendent may curtail the privileges of an inmate in regard to indulgences, recreation, attendance at lectures, visits, and letters, for inattention or want of interest in work, disobedience, and conduct not amounting to a definite breach of discipline, provided that full particulars of the circumstances in each case shall be reported to the Inspector-General and the Board.

24. The Superintendent may hear and determine all charges against any inmate for any minor breach of discipline, such as under the rules and regulations under the Gaols Act are directed to be submitted to the governor of a gaol, and may punish such inmate by solitary confinement for any term not exceeding 48 hours, or by close confinement on half rations for any term not exceeding four days, or by separate confinement for any term not exceeding seven days, or by stoppage of privileges in regard to indulgences, recreation, attendance at lectures, visits, and letters for any period not exceeding fourteen days. Provided always that a record of all such punishments shall be kept in a book, and a copy forwarded every month to the Inspector-General and the Board.

25. Any inmate charged with any serious breach of discipline, or with any conduct which makes it inadvisable that he should associate with other inmates, may be kept in separate confinement until further dealt with by the Board.

26. The Board may hear and determine any charge of idleness, insolence, disobedience of orders, refusal to work, use of indecent, abusive, or improper language, or infringement of any rule or regulation made, or any other charge of misconduct brought against any inmate. The Board may in their discretion punish such inmate by solitary confinement, either continuously or at such intervals as they may see fit, for any period not exceeding fourteen days, or by close confinement on half rations for any period not exceeding 21 days, or by separate confinement for any period not exceeding four weeks, or by reduction to any lower grade for such period, and with such terms of solitary, close, or separate confinement, limited as above, and with deprivation or curtailment of such indulgences and privileges, as the Board may see fit; provided always that the Board may, in addition to or in substitution for any such punishment, impose a fine to be deducted from any sum at any time standing to the credit of such inmate in the account kept in the reformatory.

27. The Board may inquire in a summary way into any charge brought against any inmate of escaping or attempting to escape, insubordination, assault upon or attempt to do any bodily injury to an officer or prisoner, or any wilful and malicious destruction or injury of the prison or of any furniture thereof, or any utensils or implements used therein. And the Board may, in their discretion, punish such inmate by solitary confinement, either continuously or at such intervals as they may see fit, for any period not exceeding three weeks, or by close confinement on half rations for any period not exceeding six weeks, or by separate confinement for any period not exceeding eight weeks, or by reduction to any lower grade for such period, and with such terms of solitary, close, or separate confinement, limited as above, and with deprivation or curtailment of such indulgences and privileges as the Board may see fit; provided always that, in addition to or substitution for any such punishment, the Board may impose a fine, to be deducted from any sum at any time standing to the credit of such inmate in the account kept in the reformatory prison.

28. Any inmate reduced to the third grade for punishment for misconduct shall, before becoming eligible for the first grade, be required to serve in the second grade such period as to the Board may seem fit.

Employment.

29. Every inmate shall work at some trade or vocation, or be employed in some labour—

- (a) An inmate of the first grade employed at a trade at which he is proficient, whose conduct is satisfactory, and the products of whose work are sold or disposed of, shall be credited with one-half of the net proceeds remaining after deducting the cost of his maintenance in the prison. Inmates of the second grade shall be credited in like manner with not more than one-fourth, and inmates of the third grade with not more than one-eighth of the net proceeds remaining after deducting the cost of their maintenance in the prison.
- (b) An inmate of the first grade employed as a skilled artisan or tradesman, whose conduct is good, and the products of whose work are not sold, shall be credited with an amount not exceeding 1s. 6d. per diem, according to the nature and quality and quantity of the work. An inmate of the first grade employed in the service of the prison, or at gardening or other unskilled labour, or in any trade at which he is not a skilled worker, whose conduct is good, and whose work is satisfactory in quality and quantity, shall be credited with an amount not exceeding 1s. per diem. Inmates of the second grade shall be credited in like manner with not more than one-half, and inmates of the third grade with not more than one-fourth of the above rates.
- (c) Provided that after an inmate has been in the first grade for a period of twelve months the amount with which he is to be credited, as herein provided, shall be reduced by one-fourth, and, after remaining in the first division for eighteen months, such amount shall be reduced by one-half.

30. For the purposes of these rules and regulations, the cost of maintenance of each inmate in the reformatory shall be fixed at 3s. per diem.

31. The Secretary of the Board shall receive, on behalf of the Board, all sums standing to the credit of each inmate on his release, and shall keep an account thereof and of the disbursements made by the Board, in accordance with the provisions of the *Crimes Act 1915*, or any other Act amending the same.

Closer Settlement Act.

THORNBURY ESTATE (SECOND SUBDIVISION).

WORKMEN'S HOME ALLOTMENTS IN THE THORNBURY ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE allotments mentioned in the schedule hereunder will be available for application till 16th September, 1916.

Applications must be made on the prescribed forms and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the registration fee of 5s., and a deposit as shown in the schedule hereunder for the most valuable allotment applied for, and the lease fee of £1.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made. A Local Land Board, to deal with applications received, will be held at a date to be notified, in the Board Room, Public Offices, Melbourne.

Terms, Conditions, &c., for Allotments in the Thornbury Estate.

Allotments in this Estate will be disposed of under Conditional Purchase Lease, extending over a term of 31½ years.

The amount to be paid for each allotment is shown in the schedule herewith.

Any person 18 years of age who is engaged in any form of manual, clerical, or other work for hire or reward, and is not possessed of real or personal property to a value exceeding £350, or whose salary does not exceed £220 per annum, may apply for one or more allotments, but no one can be granted more than one allotment.

No conditional purchase lease of an allotment can be granted to any person who is directly or indirectly the owner of any other land in the State, which, if Town or Suburban land, exceeds ¼ of an acre, or, if Rural land, exceeds 50 acres in area.

Every application must be made on the prescribed form, and be accompanied by a deposit equal to that prescribed for the most valuable allotment applied for.

The lessee has the option of paying the whole or any portion of the balance of purchase money at the end of any half-year, and securing a reduction of the instalment accordingly.

The deposit, after deducting the sum of £1 5s., for fees, will be credited as part payment of the capital value of the allotment, and the balance of the purchase money, with interest at 4½ per cent., must be paid by 63 or a less number of half-yearly instalments, calculated according to any of the tables in the sixth schedule of the *State Savings Bank Act 1915*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The lessee must, within four months, enter into *bonâ fide* occupation of his allotment and reside there permanently.

The lessee may at any time with the consent of the Lands Purchase Board mortgage his allotment, or transfer, assign, or sublet it to any person who is eligible to hold such an allotment.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money, and will be subject to the same condition as the lease in regard to permanent residence.

BUILDING ADVANCE.

Not more than one residence or place of business shall be erected on any one allotment, and no building or verandah attached thereto shall be erected within 20 feet of the street boundary line, except in the case of business premises.

A substantial residence to the value of at least £300 must be erected on each allotment, and an advance of £250 will be made by the Board to assist lessees to build.

Plans and specifications will be prepared by the Board's Architect, and submitted to the lessee for approval, after which tenders will be advertised by the Board.

All buildings will be erected under the supervision of the Board's Architect, and a fee of 2½ per cent. of the total contract price will be charged for the Architect's services, including the preparation of plans and specifications.

As soon as the plan has been approved by the lessee, he will be called upon to deposit the sum of £57 10s., being the amount required to complete payment for a house to the value of £300. If on acceptance of tender the cost exceeds £300, the lessee must, before the contract is signed, deposit the additional amount required to pay all charges due under the contract and for the Architect's supervision.

The amount paid by the lessee (less the charge for the Architect's services), together with the sum advanced by the Board, will be paid to the Contractor as the work proceeds, on the certificate of the Architect that the conditions of contract have been complied with in every particular.

The Board's advances of £250 will be repayable by monthly instalments of £1 12s. 11d., extending over a period of 20 years, and bearing interest at the rate of 5 per cent. per annum.

All buildings and fences are to be insured either with the Lands Purchase and Management Board or in the name of the Secretary, Lands Purchase and Management Board.

SEWERAGE ADVANCE.

The lessee may, on application to the Lands Purchase and Management Board, arrange to have his property sewered either by the Melbourne and Metropolitan Board of Works or by private contract.

The full cost of sewerage will, if required, be paid by the Lands Purchase and Management Board, and will be repayable by twenty half-yearly instalments, bearing interest at the rate of 5 per cent. per annum.

Plans and further information may be obtained from the Enquiry Branch, Crown Lands Office.

Printed forms of tender, showing estimates of requirements and conditions of contract, may be obtained from the Secretary Tender Board, Treasury, Melbourne, or from the officer in charge of police at any of the above-mentioned places, by whom also any information or explanation will be afforded to persons tendering.

The price, which must be expressed in words as well as in figures, and without alterations, erasures, or discrepancies, must be per ton of 40 cubic feet for firewood, including delivery at the offices and all charges. Prices should only be quoted for requirements where estimates are shown above.

Tenders, which must be upon the printed form, will be received for either one or more of the above-mentioned places, and accepted for one length only, if advisable.

Where the kind or kinds of wood is not mentioned in the tender form, tenderers must specify the kind or kinds of firewood they offer to supply.

Telegrams, or tenders not complying with the terms of advertisement, will not be entertained.

The successful tenderer will be required to enter into a bond for £10, with two approved sureties, for the due performance of the contract, within ten days after the acceptance is notified.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to again hold contracts for Government supplies.

Tenders must be enclosed in an envelope, marked "Tender for Firewood at _____," as the case may be, and deposited in the Tender-Box, Pay Office, Treasury, Melbourne; or, if sent by post, they must be addressed to the Chairman of the Tender Board, Treasury, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known by Gazette notice and by letter to accepted tenderers.

CONDITIONS OF CONTRACT.

1. As the exact quantity of firewood which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same at contract rates.

2. All the firewood supplied under these contracts must be split out of large timber, and must be perfectly sound, dry, and of the kind or kinds specified in the tender; neither burnt wood, heartwood, small branches, nor outside pieces of bark will be received. The billets must be not less than 4 inches nor more than 6 inches in diameter. The long wood to be not less than 9 inches nor more than 18 inches in diameter. Delivery to be made on the written order of the chief officer of the Department requiring the supply. The ton of firewood consists of 40 cubic feet. If the firewood is obtained from a State forest timber reserve, or ordinary Crown lands, persons cutting or removing same must be provided with a licence or permit from the State Forests Department.

3. Orders will be issued half-yearly (except in cases where the storage is small, when they will be issued quarterly); but the contractor must have 24 hours' notice before purchases are made at his risk.

4. The contractor will be bound to place the firewood in stacks for measurement on such ground as may be pointed out. The stacks are to be 2 feet wide (or 4 feet 6 inches for long wood) by 5 feet high, with space between each stack for measuring; and the billets (or lengths) are all to lie the same way, viz., crossways of the stacks in the form of a cord, and are to be laid as closely and solidly as possible in the stack and to the satisfaction of the officer receiving the supply. In the event of any inconvenience being felt, either through delay in delivery or of stacking the wood, the Department concerned will purchase the same or re-stack that delivered, at the risk of the contractor, from whose account any expense incurred thereby will be deducted.

5. The officer receiving the supply shall have full power to reject any wood which he may consider not in accordance with the contract, notice of which will be given to the contractor in writing, stating the reason. The contractor may, however, claim a survey; but in that case he must, within 48 hours after objection is made, give notice thereof in writing to the officer rejecting the wood.

6. The board of survey will be composed of persons appointed by the Honorable the Treasurer, and the decision of the board of survey is to be considered as final.

7. If the board of survey shall decide that the supply is not of proper quality, it must be immediately replaced by the contractor; failing which, it will be procured elsewhere, and the extra expense, if any, will be charged as in clause 4.

8. Accounts for firewood to be rendered to the Department receiving the supply immediately upon completion of the order, which must be attached to the account. Payment will be made at the receipt and pay office of the district, or at the Treasury, Melbourne, as the contractor may desire.

9. In the event of any irregularity on the part of the contractor being repeated, it will be competent for the Government, in case such irregularity should be established to the satisfaction of the Tender Board, to cancel the contract forthwith.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract.

12. No subletting will be allowed; all work must be carried out by the contractor. Every person engaged in any business or occupation connected with the preparation of the firewood for sale or connected with the sale or distribution of the firewood tendered for in this schedule shall be paid such wages and employed subject to such conditions as are or may be determined by the Fuel and Fodder Board, or the Country Fuel and Fodder Board, as the case may be, under the Factories and Shops Acts; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from any accounts which are or may be due to the contractor, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

13. The Contractor shall, before any account is passed for payment for supplies made, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 12 of these Conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.

A. J. PEACOCK,
Treasurer.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Tuesday, 26th September, 1916.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Tuesday, 26th September, 1916, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the *Land Act 1915* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1915*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1915*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1915* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for twelve months from 1st October, 1916, to 30th September, 1917.

2. The fee for the period as shown in the headlines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the *Secretary for Lands* (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides:—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
