HIS Excellency the Governor of the State of Victoria, with the advice of the Executive Council thereof, has, by Order made on the 25th day of September, 1916, amended the Order of the 25th November, 1913, published on page 3122 of the *Gazette* of the 3rd December, 1913, by the substitution of the word "Woorayl" for "Warragul," relating to the Foster-Boolarra road, on page 5 of the said Order.

PROPOSED SEVERANCE OF CERTAIN AREA FROM THE SHIRE OF MORWELL, AND ITS ANNEXATION TO THE SHIRE OF MIRBOO.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Morwell described in their petition, and they desire that the area so described may be severed from the said shire of Morwell, and annexed to the shire of Mirboo.

Area described in petition :—

Starting from the south-east angle at the railway crossing; thence north along the Morwell-road to the south-west angle of block 111A; thence east to the south-east angle of block 56A; thence north along eastern boundary of blocks 56, 56B, 55c, 54a, to the north-east angle of block 52; thence west to the north-west angle of block 38; thence north along the Narracan-road to the north-east angle of block 20; thence along the Narracan shire boundary along the north of block 5 to the north-west angle; thence south to the south-west angle; thence west to the north-west angle of block 25; thence south to the north-east angle of block 29; thence west to the north-west angle of block 28; thence south to the south-west angle of block 31; thence east along the Mirboo shire boundary to the south-east angle of block 114; thence along the railway to the commencing point.

The petitioners state that they occupy an isolated position in the south-west corner of the Morwell shire, and should they at any time wish to transact business at Morwell, it would necessitate a day's journey over bad roads, whereas the town of Mirboo North, where all their interest lies, is only 4 miles distant, and they consider that they rightly belong to the Mirboo shire, as all their business in the buying and selling of stock is transacted at Mirboo North, within the said shire of Mirboo.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever the area above described from the shire of Morwell, and annex same to the shire of Mirboo.

Notices for the petitioners may be served on Mr. John Peter, Darlimurla Post-office.

SHEPPARTON ESTATE (IRRIGABLE AREA).—DUDELEY'S LAND.

ALLOTMENTS IN THE SHEPPARTON ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE

THE several allotments included in the Schedule hereunder are declared available as Farm Allotments until Saturday, 21st October, 1916. Applications must be made on the prescribed forms and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1.
A Local Land Board to deal with the applications will be held at the Court House, Shepparton, on Friday, 27th October, 1916, at 10 a.m.

Terms, Conditions, &c.

Applications must be made on the prescribed forms and lodged with the Secretary, Lands Purchase Board, Public Offices, Melbourne, accompanied by a deposit equal to that for the most valuable allotment applied for, as shown in accompanying Schedule.

The leases issued to successful applicants will be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the State Rivers and Water Supply Commission.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Applicants must be at least 15 years of age.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

No person shall be capable of applying for or holding an Agricultural Labourer's Allotment if at the date of his application he is directly or indirectly, either by himself or jointly with any other person or persons, the owner of any other land in Victoria, his interest in which with the allotment applied for would exceed in value £350.

Improvements must be effected as follows:—For a Farm Allotment, to the value of at least two instalments of the purchase money before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year. For an Agricultural Labourer's Allotment, a substantial dwelling house of the value of at least £300 within one year from the date of the lease, and the enclosure of the allotment with a substantial fence, within the meaning of the Fences Act, within two years from such date.

Lessees may remove any timber from their holdings after having obtained written authority from the Commission's Officer in Charge, but only on condition that the stumps be grubbed, debris cleared up, and the ground left fit for the plough.

The lessee must reside on the allotment. Personal residence by the lessee's wife or any of his children over 18 years of age may, with the approval of the Commission, be considered personal residence by the lessee. In special cases the Commission has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee of a Farm Allotment cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease. The lessee of an Agricultural Labourer's Allotment may do so at any time with the written consent of the Commission.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

The lessee has the option of paying the whole or any portion of the balance of purchase money at the end of any half-year, and securing a reduction of the instalment accordingly.

The deposit, after deducting the sum of £1 5s. for fees, will be credited as part payment of the capital value of the allotment, and the balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a less number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Enquiry Branch, Crown Lands Office, Melbourne.

W. HUTCHINSON,
Commissioner of Crown Lands and Survey.
