If upon report to the Governor in Council by the referee, made under the said clause 25 of the Regulations in the Second Schedule of the said Act, the Governor in Council shall, as such sole judge, determine that there has been any failure of or non-compliance with or that any breach of any of the requirements contained in this Order has occurred by way either of commission or omission, then the powers conferred by this Order shall be forfeited, or shall cease and determine, or shall be suspended, as the Governor in Council shall direct; and in the case of the Governor in Council ordering a suspension only of such powers, then the Governor in Council shall, in his adjudication, state for what period such suspension shall take effect.

Clerk of the Executive Council.

MOORABBIN SHIRE COUNCIL, THE MINISTER OF PUBLIC WORKS, AND BEAUMARIS TRAMWAY CO. LTD.

DIRECTION TO HOLD AN INQUIRY, AND APPOINTMENT OF REFEREE.

At the Executive Council Chamber, Melbourne, the thirtieth day of October, 1916.

PRESENT:

His Excellency the Governor of Victoria.

Sir A. J. Peacock	Mr. Livingston
Mr. Hagelthorn	Mr. Adamson.

WHEREAS by an Order in Council dated the 7th day of July, 1887, made under the *Local Government Act Amendment Act 1883* (No. 786), the Council of the Municipality of the Shire of Moorabbin was authorized to construct a tramway in the Municipal District of the Shire of Moorabbin.

And whereas by the said Order in Council it is provided that the compliance with or of the breach of any of the requirements contained in the said Order and for the purpose of enabling the Governor in Council to arrive at a just decision, an inquiry into the facts of each case should be conducted in the manner provided in clause 26 of the Regulations contained in the Second Schedule of the said Act, before an officer to be appointed in that behalf by the Governor in Council, as provided in the Regulations in the said schedule:

And whereas by an Order in Council dated the 30th day of December, 1887, the Governor in Council approved of the said Shire of Moorabbin delegating the authority conferred by the said Order in Council dated the 7th day of July, 1887, to construct and maintain tramways within the said shire to the Beaumaris Tramway Company Ltd. subject to the observance from time to time by the said council and the said company of the conditions and stipulations contained in the said Order:

And whereas it is alleged that the said Beaumaris Tramway Company Limited has neglected to take every precaution necessary to secure the safety of passengers passing along the road upon the route of such tramway, as provided in the aforesaid Order in Council dated the 7th July, 1887:

And whereas an engineer of the Public Works Department under instructions from the Minister of Public Works made an inspection of the track and reported that the company appears to have entirely abandoned all pretence of maintaining the track in running order or of making any provision for the safety of vehicular traffic using the road and that the state of the track is such that it would be impossible to resume running unless the track was entirely reconstructed for the full distance between Sandringham and Beaumaris. That in his opinion the condition of the track is a menace to public safety, as many lengths of rails have entirely left the sleepers and stand up above the level of the roadway, that joints of rails have become uncoupled and rails pushed out of line and in places the filling between the rails has been washed out to the level of the sleepers and for considerable lengths in flat ground the rails are completely covered with silted sand and that the whole track is so bad that it is difficult to particularize:

And whereas the Governor in Council has taken into consideration such allegation and report, and deems it desirable that an inquiry into the facts of the same, so far as it relates to the allegations that proper precautions have not been taken to secure the safety of passengers passing along the road upon the route of such tramway, shall be conducted in the prescribed manner:

Now therefore His Excellency the Governor of the State of Victoria, acting by and with the advice of the Executive Council thereof, under the powers conferred by clause 25 of the Second Schedule to the *Tramways Act 1915* (No. 2739) (the provisions of which Act now apply to an Order for the construction of a tramway made under the Act firstly hereinbefore recited), doth hereby order—

- (a) That an inquiry into the allegation that the said Beaumaris Tramway Company Limited has neglected to take every precaution necessary to secure the safety of passengers passing along the road upon the route of such tramway and of the report of an engineer of the Public Works Department above referred to as to whether, in respect of the said Order in Council dated the 7th day of July, 1887, authorizing the said Council to construct a tramway within its municipal district, the requirements of the same, viz., "That every precaution necessary to secure the safety of the passengers upon the said tramway, and also to secure

the safety of the passengers passing along the streets or roads upon the route of such tramway," have been duly observed by the said Council and the Beaumaris Tramway Company Limited, to which has been delegated the authority to construct and maintain such tramway as hereinbefore recited.

- (b) That William Calder, Esq., Chairman, Country Roads Board, shall be and is hereby appointed referee to inquire into the truth or otherwise of the allegation hereinbefore recited.

And the Honorable William Addison Adamson, His Majesty's Commissioner for Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,  
Clerk of the Executive Council.

Provided that all the ballot-papers to which any person may be entitled at the polling booth shall be demanded and received by him at one and the same time; and no person having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

19. Ballot-papers to be numbered.—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll, and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

20. Informal Ballot-papers.—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of Commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

21. What Question may be asked.—At any election of Commissioners the returning officer may, if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote the question following:—

“Are you the person whose name appears as (A.B. in the roll now in force for this Trust, being enrolled therein in respect of property described to be situated in (here specify the street or other place described in the roll)?”

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

22. False Answer, Polling Twice, and Personation.—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once, or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling booth after having received a ballot-paper, without having deposited the same in the ballot-box, as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

23. Result of Polling, how ascertained.—Immediately on the close of the poll, the returning officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll, publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected Commissioners of the Trust, and if two or more candidates have received an equal number of votes, the returning officer shall determine by lot the candidate to hold office.

No. 198.—NOVEMBER 1, 1916.—14326.—3.

24. Ballot-papers, how disposed of.—The returning officer shall forthwith after the declaration of the poll indorse with a description of the contents thereof, and sign the sealed parcel of ballot-papers, and forward the same to the Secretary of the Trust, to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of three Commissioners of the Trust.

25. Minister to determine question arising upon first election.—If any question arise as to the due election of any Commissioner at the first election, the returning officer shall, at the request of any voter or candidate, submit such question, in writing, to the Minister, who shall decide the same; and such decision shall be final and binding.

26. Questions arising upon subsequent election to be determined by the Trust.—If any question arise as to the due election of any Commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been so determined; and the majority of the Commissioners whose election is not in dispute shall form a quorum.

27. Appeal to Minister from Determination of Trust.—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just; and such determination of the Minister shall be final and binding.

28. Failure to Elect deemed to create Extraordinary Vacancies.—If at any election of Commissioners any vacancies less than the whole number which should have been filled up at such election are not filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected or appointed to fill such vacancies shall go out of office as if elected at such election.

29. Expenses of Election to be paid by Trust.—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the Trust.

His Excellency the Governor of Victoria.

Sir A. J. Peacock	Mr. Hutchinson
Mr. Lawson	Mr. Livingston
Mr. McLeod	Mr. Membrey.

WHEREAS by the 6th section of the Act of the Parliament of Victoria numbered 2610, intituled *An Act to Consolidate the Laws relating to the Aboriginal Natives of Victoria*, it is amongst other things enacted that it shall be lawful for the Governor in Council from time to time to make Regulations and orders for any of the purposes therein specified and at any time to rescind or alter such Regulations—

Now therefore His Excellency the Governor, by and with the advice of the Executive Council, doth make the following Regulations and orders, in which the word "Board" has the meaning attached to it by the Act, and the words "Prescribed Station" in such Regulations mean "any place now or hereafter to be prescribed by the Governor in Council as the place where any aboriginal or tribe of aboriginals shall reside."

3. Any person desiring the approval of the Board to any such contract shall apply therefor by transmitting to the local guardian or other authorized agent of the Board in or nearest to the district in which the applicant resides, an application signed by him in the subjoined form (hereinafter referred to as the contract) :—

6. The Board may modify any such contract at the time of approving the same by directing all or any part of the money payment payable to the aboriginal to be made to some local guardian or other person specified in that behalf instead of to the aboriginal himself, and shall in such case indorse such direction in manner hereinbefore provided with respect to their approval; and after the time at which the approved contract so modified would in course of post have reached the address given in the contract, the contractor shall not be entitled to credit under the contract for any payment so directed, to be made unless made as directed.
