IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Braybrook described in their petition, and they desire that the area so described may be severed from the said shire of Braybrook and annexed to the shire of Melton.

Area described in petition :—

Commencing at a point at the north-east corner of section 18, parish of Kororoit; thence west by a road and the north boundaries of allotment E, section 21, and allotment 5, section 13, to the road forming the west boundary of the last-mentioned section; thence southerly by that road to the Melbourne and Ballarat road; thence by that road north-westerly to the Toolern Toolern Creek; thence southerly by that creek and the Werribee River to the south boundary of the parish of Pywheitjorrk; thence east by that boundary to the east boundary of the same parish; thence north by the boundaries of the parishes of Pywheitjorrk and Kororoit to the commencing point.

The petitioners state that their interests being purely country interests, are identical with those of the shire of Melton, that the town of Melton is their market town, and that a great deal of the traffic from the area desired to be severed leads to the Melton Railway Station.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever the area above described from the shire of Braybrook, and annex same as a separate riding to the shire of Melton.

**PROPOSED SEVERANCE OF A PORTION OF THE SHIRE OF BROADMEADOWS AND ITS ANNEXATION TO THE SHIRE OF SPRINGFIELD.**

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Broadmeadows described in their petition, and they desire that the area so described may be severed from the said shire of Broadmeadows and annexed to the shire of Springfield.

Area described in petition :—

Commencing at the south-west angle of the parish of Darraweit Guim; thence easterly by the southern boundary of the said parish to the Deep Creek or Saltwater River; thence northerly by that creek or river to the south-eastern corner of allotment 45 in the parish of Bylands; thence bearing northerly along the boundary line between the parishes of Bylands and Wallan Wallan to the junction of the Darraweit Guim and Wallan Wallan road and the Darraweit Guim and Kilmore road; thence bearing westerly along the Darraweit Guim and Wallan Wallan road to a creek known as Boyd's Creek; thence southerly along the said Boyd's Creek to its junction with the said Deep Creek or Saltwater River; thence south-westerly by the course of that creek or river to the eastern boundary of the parish of Havelock; and thence southerly by that boundary to the commencing point.

The petitioners state that their most convenient outlet from the greater portion of the area desired to be severed leads to the Bolinda and Lancefield railway line through the Springfield shire, and that they have greater community of interest with the ratepayers of the South Riding of the shire of Springfield than with those of the shire of Broadmeadows.

That most of the said area is geographically severed from the municipality of Broadmeadows by the Deep Creek or Saltwater River, which is unbridged between the greater portion of the said area and the remainder of the municipality of Broadmeadows.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described from the shire of Broadmeadows and annex same to South Riding of the shire of Springfield.

Notices for the petitioners may be served on Mr. T. Quayle, Brighton Beach.

**PROPOSED SEVERANCE OF CERTAIN AREA FROM THE SHIRE OF BORUNG AND ITS ANNEXATION TO THE SHIRE OF DUNMUNKLE.**

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Borung described in their petition, and they desire that the area so described may be severed from the said shire of Borung and annexed to the shire of Dunmunkle.

Area described in petition :—

Commencing at the south-east angle of allotment A, in the parish of Dunmunkle, and proceeding thence north-westerly by the east boundary of the said parish to the north-east angle of allotment 30D of the said parish; thence westerly along a one-chain road to the north-west angle of allotment 43B, parish of Dunmunkle; thence southerly along a one-chain road to the south-east angle of allotment 42A, parish of Dunmunkle; thence westerly by a one-chain road to

The petitioners state that Minyip, in the North Riding of the shire of Dunmunkle, is their market town, and to which all their business converges, having the same community of interests owing to its geographical position thereto.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described from the shire of Borung, and annex same to the North Riding of the shire of Dunmunkle.

Notices for the petitioners may be served on Mr. John Stephens, Minyip.

**TENDERS** will be received on or before Wednesday, 26th April, 1916, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the *Land Act* 1915 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

**Conditions.**

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act* 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1915, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Lands Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1915* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible therefor.

#### Special Conditions.

1. The period of occupation will, except where otherwise specified, be for seventeen months from 1st May, 1916, to 30th September, 1917.

2. The fee for the period as shown in the head-lines— for which the licence will be issued, and fee for licence— must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides:—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
