The general conditions hereunder will apply in every case, where not expressly stated to the contrary, and special conditions will also apply where provided. Full particulars may be obtained from the officer in charge in each case or on application to the Department.

GENERAL CONDITIONS.

1. No offer will necessarily be accepted.
2. The deposit mentioned in each case must accompany each tender.
3. Offers must be at a price per ton, irrespective of the species of wattle, and the bark must be weighed at the weighbridge named in each case, or at a weighbridge approved by the officer in charge and at the expense of the licensee. Duplicate weighbridge tickets must be provided, and, if so directed by him, the bark must be weighed in the presence of the officer in charge.
4. Royalty must be paid in two instalments, the first payment covering all bark removed by 3rd December, 1917, and the second payment covering all bark removed by 28th February, 1918, by which latter date all work must cease, and all bark, stripped or otherwise, remaining on the area after that date shall be the property of the Crown.
5. No tree shall be felled or stripped on any beauty spot, picnic ground, or on any portion of any area which the officer in charge points out as not to be operated upon, and no particular tree, specially marked by him to remain standing, shall be felled or stripped, wherever situated.
6. No tree shall be felled so as to fall into any water-course, or to obstruct any road or track.
7. No tree of less than 5 inches diameter at a height of 2 feet from the ground shall be stripped when of the black or feather-leaved variety, or less than 2½ inches in diameter at a height of 2 feet from the ground, when of the broad-leaved species, unless otherwise stated herein, and wherever a size limit is mentioned it shall be at a height of 2 feet from the ground. 12. No live tree, other than wattle, must be cut or broken, or firewood used, without the express permission of the officer in charge.
13. The violation of any of the above or following conditions will render the licence null and void, and the Minister of Forests shall have power to absolutely forfeit the whole or part of the deposit to the Crown, and to confiscate to the Crown all bark stripped to date of avoidance.
