SATURDAY, AUGUST 11.

[1917.

Factories and Shops Acts.

## DETERMINATION OF THE COOPERS BOARD.

**NOTE.**—This Determination, on 23rd day of August, 1917, applied to the following parts of Victoria, namely:—The Metropolitan District as defined in the Factories and Shops Acts, the Cities of Ballarat, Bendigo, and Geelong; the Towns of Ballarat East and Warrnambool; and the Boroughs of Eaglehawk, Geelong West, Newtown and Chilwell, and Sebastopol.

**I**N accordance with the provisions of the Factories and Shops Acts, the Special Board appointed to determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process, trade, or business of a cooper, has made the following Determination, namely:—

(1) That on the 23rd August, 1917, the last previous Determination of this Board shall be revoked, and replaced by this Determination.

(2)

Apprentices or Improvers.				Other Employees.			
WAGES.				WAGES.			
				Per week of 48 hours.			
1st six months	..	..	..	..	..	..	..
2nd six months	..	..	..	..	..	..	..
2nd year	..	..	..	..	..	..	..
3rd year	..	..	..	..	..	..	..
4th year	..	..	..	..	..	..	..
5th year	..	..	..	..	..	..	..
PROPORTION (in any place).				Persons making, or partly making or repairing, or shaping timber for any article, including vats .. 80s. Labourers .. .. .. .. 62s.			
One apprentice to every three or fraction of three workers receiving not less than 62s. per week of 48 hours.							
PROPORTION (in any place).				.. .. .. .. .. } Time and a half. 48 hours in any week .. .. .. .. }			
One improver to the first three workers, and thereafter one improver to every nine additional workers receiving not less than 80s. per week of 48 hours.							

- Time of Beginning. Time of Ending.
- (3) TIME OF BEGINNING AND ENDING WORK { 7.30 a.m. .. .. .. 12.15 p.m. on the day on which the half-holiday is observed.  
 { 7.30 a.m. .. .. .. 5.30 p.m. on the other working days of the week.
- (4) OVERTIME.—(a) Outside the hours fixed as the times of beginning and ending work .. .. .. }  
 (b) Within the hours fixed as the times of beginning and ending work in excess of 48 hours in any week .. .. .. } Time and a half.
- (5) SUNDAYS AND PUBLIC HOLIDAYS.—Double time shall be the rate for all work done on Sundays, Good Friday, 21st April (Eight Hours Day), and Christmas Day, but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays the special rate shall only be payable on the day so substituted.
- (6) CASUAL LABOUR.—Casual hands, i.e., persons who are employed during any week for not more than one-half the maximum number of hours fixed in this Determination as a week's work, shall be paid at the rate of one shilling and elevenpence per hour.

PIECE-WORK PRICES.

(7) That the lowest piece-work prices payable to any person engaged in the following kinds of work shall be:—

- 3 or 4 hoops on each end, not to exceed 12 gauge, 2½ x 12 chimb hoop.
- Other hoops not to exceed 2 inches width x 14 gauge.
- Where 10 gauge is used in chimb hoop, width 2½ inches, the price to be ... 1½d. per hoop extra
- Where 12 gauge is used in chimb hoop, width 3 inches, the price to be ... 1½d. "
- Where 10 gauge is used in chimb hoop, width 3 inches, the price to be ... 3½d. "

Above prices to include Heading (75-78 gallons and 55-60 gallons), as follows :—

- Finished heads not to exceed 1½ inch in thickness. If the heads be 1½ inch 4½d. per head extra.
- Heads to have not more than five pieces of timber.
- All pieces over five to be 1½d. a piece extra.
- Cleft heads of oak or undressed blackwood to be 7d. a head extra.
- Heads of sawn blackwood (1½ inch thick) to be 3½d. a head extra.

Above prices to include Hooping (75-78 gallons and 55-60 gallons), as follows :—

- No iron to be heavier than 12 gauge, chimb hoop, 2½ inches in width, 14 gauge x 2 inches in width for other hoops, with three or four hoops on each end.

*Cleaning out.*

Shaving out inside cleansers (55-115 gallons), the price to be 1s. 1d. each extra.

**OLD TIMBER.**

- Casks, 18, 27, and 36 gallons in size, made from old brewers' casks, 4s. 11d. each, including levelling joints inside, and 3½d. extra for shaving out inside.
- Casks, 9, 10, and 13½ gallons in size, made from old brewers' casks, 4s. 3d. each, including levelling joints inside, and 3½d. extra for shaving out inside.
- Casks below 9 gallons in size, same price as new ones.

OLD TIMBER—continued.

Casks, 18 and 27 gallons in size, made from old whisky quarters, 4s. 3d. each, including levelling joints inside, and 3½d. extra for shaving out inside.

Casks, 9–36 gallons in size, old treacle casks or odd sets, and loose staves, requiring new heads and new hoops, same price as new-inch-square oak.

Casks 13½, 18, 27, 36 gallons in size, 1¼ of an inch to 1½ inch in thickness, 6s. 8d. each.

7d. for every ½ of an inch over 1½ inch to be added.

Casks 9 and 10 gallons, over 1 inch to 1¼ inch in thickness, 6s. 1d.

6d. for every ½ of an inch over 1¼ inch to be added.

In all cases, if pitched staves be used, 7d. per cask extra.

VINEGAR AND CORDIAL CASKS.

CORDITE CASKS (WITHOUT FITTINGS).

Casks, 26 in. long, 15½ in. at end, 17 in. at pitch, outside measurement, made from 3 in. by ¾ in. oregon, heads three pieces, hardwood cants, four copper hoops, head joints glued, wooden dowels ... 4s. 5d. each

MISCELLANEOUS.

(8) (a) That all bale hoops be straightened and pieced to length by employer. If pieced to length by employee, ¼d. per hoop extra.

(b) That all truss hoops and beak-irons be provided by employer.

(c) That rough split staves be measured at the thinnest end, and bucked or machine-dressed staves at the thickest.

(d) That where grooves exceeding ¼-inch in width and not more than ½-inch in width are required, the following extra rates be paid:—

Size of Casks.	Per Cask.
18 gallons or under	2½d.
19 " to 65 gallons	3½d.
66 " to 120 "	4½d.

(e) For casks made from machine dressed and jointed timber, the responsibility of the employee for broken staves or other defects shall end 24 hours after the cask is finished.

(f) That where linseed meal or other material is used in grooves and not provided for in the piece-work prices the following extra rates be paid:—

18 gallons and under	2½d. per cask
over 18 gallons	3½d. "

OVAL WORK.

Except where otherwise expressly provided, the piece-work prices fixed throughout this Determination are for round work; if oval work be made, not expressly provided for, the piece-work prices shall be double that fixed for round work for casks up to and including 10 gallons in size, and for all casks from 11 gallons to 120 gallons in size inclusive the piece-work price shall be that fixed for round work with half as much again added.

Dated at Melbourne this 16th day of July, 1917.

E. NOTLEY MOORE, P.M.,  
 Chairman.

SATURDAY, AUGUST 11.

[1917.

Factories and Shops Acts.

## DETERMINATION OF THE FARRIERS BOARD.

NOTE.—This Determination, on the 27th day of August, 1917, applied to the following parts of Victoria, namely:—The Metropolitan District as defined in the Factories and Shops Acts, the Cities of Ballarat, Bendigo, and Geelong, the Towns of Ballarat East and Warnambool, and the Boroughs of Eaglehawk, Geelong West, Newtown and Chulwell, and Sebastopol.

IN accordance with the provisions of the Factories and Shops Acts, the Special Board appointed to determine the lowest prices or rates which may be paid to any person or persons, or classes of persons, employed in the process, trade, or business of a farrier, has made the following Determination, namely:—

(1) That on the 27th day of August, 1917, the last previous Determination of this Board shall be revoked and replaced by this Determination.
