Land Act 1915, Section 198.

MALLEE LANDS AVAILABLE FOR APPLICATION AS SELECTION PURCHASE ALLOTMENTS.

THE land is situated from 7 to 9 miles north of Underbool Railway Station.

Applications (with uncancelled Victorian duty stamp of 5s., or postal note for same amount affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Saturday, 29th September, 1917.

Two or more applications for allotments may be made at the same time by any one person without affixing more than one duty stamp of 5s.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation, improvement, and all other conditions have been complied with, the lease will be indorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years (as the case may be) a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will be £9 per allotment.

The amount of loading (2s. 6d. per acre) is to be collected in instalments, therefore its cash value, about 1s. 11d. per acre only, will be the limit of expenditure for road and water improvements.

The half-yearly payment on each allotment, set out in Schedule hereto, includes the amount of loading.

The lease will contain (inter alia) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land—if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of the third and fourth years, and the balance of 10s. per acre before the end of the sixth years of the lease. If in the second class, to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole, or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment unless and until the lease has been indorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any

further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable.)

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

Every licence granted under section 121 of the Land Act 1915 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 121st section of the Land Act 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1915, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for twelve months from 1st October, 1917, to 30th September, 1918.

2. The fee for the period as shown in the headlines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

Plans can be seen and information may be obtained in this office.

Section 121, Land Act 1915, provides:—

1. Where a licensee under section 121 of the Land Act 1915 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
