PHARMACY BOARD OF VICTORIA.

REGULATIONS.

WHEREAS by Part III. of the *Medical Act 1915*, the Pharmacy Board of Victoria (hereinafter referred to as the "Board") is empowered to from time to time make, alter, and rescind Regulations for the purpose of carrying the said Part into effect: And whereas the Board is desirous, subject to the confirmation of the Governor in Council, of rescinding the Regulations made under the provisions of the said Part of the said Act on the 13th May, 1914, and all subsequent Regulations, and in lieu thereof, subject to such confirmation, is desirous of making under the powers so conferred, the Regulations following: Now therefore the Board doth make Regulations as set forth hereunder, and His Excellency the Governor in Council has, by Order made on the 13th day of February, 1917, confirmed the said Regulations, that is to say:—

General.

1. These Regulations may be cited as "The Pharmacy Regulations 1917," and they shall take effect as and from the date when after confirmation by the Governor in Council the same are published in the *Government Gazette*, whereupon all Regulations heretofore made under any of the provisions of Part III. of the *Medical Act 1915* shall be rescinded.

2. The words used in these Regulations in the singular shall be deemed to include the plural, and the words used in the plural shall be deemed to include the singular, unless the contrary is expressly provided.

Election of Members of Board.

3. *Appointment of Returning Officer.*—The Board shall from time to time appoint (and may remove) some fit and proper person who is registered as a pharmaceutical chemist, and not being a member of the Board, to be Returning Officer, and to conduct the election of members of the Board in accordance with the provisions hereinafter made in that behalf, and the Returning Officer so appointed may, by writing under his hand, subject to the approval of the Board, from time to time appoint and remove a Deputy Returning Officer.

4. *Expense of Elections.*—The Board shall pay to the Returning Officer for his own use, out of the moneys accruing under the *Medical Act 1915*, a fee of £2 2s. for each and every election conducted by such Returning Officer or his deputy, together with a sum of money sufficient to recoup him all expenses incurred for the purpose of holding and conducting such election.

5. *Annual Election.*—The Returning Officer or his deputy shall, in the month of February in each and every year, proceed to the election of as many persons to be members of the Pharmacy Board of Victoria as there are vacancies created (not being extraordinary vacancies) in each year; and the persons so elected at such annual election shall hold office for a term of three years then next ensuing from the date of such annual election, and no longer.

6. *Extraordinary Vacancies, how Filled.*—If any vacancy shall occur from any of the causes set out in Regulation 23, it shall be called an extraordinary vacancy, and the Returning Officer or his deputy shall, upon being notified by the Board that an extraordinary vacancy has occurred, proceed to the election of a person being a registered pharmaceutical chemist to fill such extraordinary vacancy, and the person so elected shall hold office for the unexpired portion of the term of office of the person whose vacancy created as aforesaid has been elected to fill, and no longer.

7. *Returning Officer to give Notice of Day of Election and Day of Nomination, Time, and Place when and where Nomination will be received.*—At every election for members to serve on the Board the Returning Officer or his deputy shall give twenty-one days' notice, by advertisement in such papers as may from time to time be approved by the Board, of his intention to proceed on a certain day, to be named in such advertisement, to hold an election of fit and proper persons to serve as members on such Board; and he shall also in such advertisement name a day, being not less than fourteen days nor more than twenty-one days prior to the day named for holding such election, on or before which all candidates for election must be nominated as hereinafter provided; and he shall also in such advertisement name the time and place when and where such nominations shall be received, and shall sign such notice and affix the date it is given thereto.

8. *Who may Nominate, and how.*—Any person registered as a pharmaceutical chemist in Victoria desirous of nominating any other person as a candidate shall fill up a nomination paper in the form of the First Schedule hereto, stating therein the christian name and surname of such candidate, together with the other particulars required by such Schedule, and such nomination

paper shall be signed by not less than five persons duly qualified to vote at such elections, and also by the person named therein as a candidate, accepting such nomination, and agreeing to act as a member of the Board if elected. Such nomination paper must be lodged or delivered by post before Four o'clock in the afternoon of the day fixed for nominations.

9. *When Returning Officer may declare Members Elected without a Poll—When a Poll shall be taken.*—The Returning Officer or his deputy shall, in the event of there not being a greater number of persons nominated than are required to fill the vacancies created, make a return to the Registrar of the Board, and declare such person or persons to have been duly elected member or members of the Board; but if the number of persons nominated is greater than the number of persons required to fill such vacancies a poll shall be taken, and he shall cause voting papers to be printed in the form given in the Second Schedule hereto, and shall sign each of such papers, and shall cause one to be enclosed in an envelope not fastened, with the name and address of the Returning Officer or his deputy printed thereon, and one of such voting papers and printed envelopes shall be sent by post under a fastened cover to the address of each and every registered pharmaceutical chemist in Victoria and resident in Victoria.

10. *Returning Officer to ascertain Number of Voters for each Candidate, in presence of Registrar and Scrutineers—Candidates Declared Duly Elected.*—The Returning Officer or his deputy shall, on the day named in such advertisement for holding any election, proceed, in the presence of the Registrar and of any scrutineers appointed by any candidate, to open the envelopes with his address thereon, and which have been returned to him, and to take out the voting papers contained therein. When the Returning Officer or his deputy deems advisable, or by the request of a scrutineer appointed by any candidate, he shall compare the signature of the voter on any voting paper with the signature of the voter in the signature book kept by the Registrar, and if he is satisfied that each vote is properly given, he shall proceed to ascertain the number of such votes for each candidate; and as soon as conveniently may be after the day of holding such election, the Returning Officer or his deputy shall give public notice, by advertisement, of the number of votes given to each candidate, and shall declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to be duly elected as members of the Pharmacy Board of Victoria, and if two or more candidates shall have received an equal number of votes the Returning Officer or his deputy shall in each case have the casting vote.

11. *Voting Paper may become Invalid—Voting Paper to be Posted to Address of Returning Officer.*—If any voter shall suffer to remain upon any voting paper a greater or less number of names not struck out than the number of members to be elected, or shall fail to attach his signature thereto, the vote given on and by such paper shall be void and of no effect, and shall not be counted by the Returning Officer or his deputy. The voter shall enclose such voting paper in an envelope furnished to him with the printed address of the Returning Officer or his deputy thereon, and shall post or deliver the same so that it shall be received by the Returning Officer or his deputy before the day fixed for holding such election, provided that the Returning Officer or his deputy may at his discretion accept as valid any voting paper enclosed in an envelope other than the printed envelope above referred to.

12. *How Candidate may Retire.*—If any person who shall duly have become a candidate for such election, and three of the persons having signed the paper nominating him, shall be desirous that he retire before the day of holding such election from such candidature, such candidate and the persons aforesaid, not later than twelve clear days before the day of holding such election, may sign and deliver a notice, in the form of the Third Schedule hereto, stating that such candidate so retires, and the Returning Officer or his deputy on receipt of such notice shall omit the name of such person so retiring from the voting paper, and if the number of candidates shall by such retirement be reduced to the number of members to be elected, the Returning Officer shall declare the remaining members duly elected.

13. *Appointment of Scrutineers.*—Each candidate shall be entitled to be present personally, and to appoint, in writing, one scrutineer, to be present when the Returning Officer shall open the envelopes containing the voting papers on the day of holding the election.
