EXPLOSIVES MAGAZINE RESERVE AT TRUGANINA.

BY-LAWS.

(To replace By-laws made on the thirtieth day of June, 1913.)

At the Executive Council Chamber, Melbourne, the tenth day of September, 1918.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Lawson

Mr. Bowser

Mr. Robinson

Mr. Hutchinson

Mr. Clarke

Mr. Barnes

Mr. Robertson

Mr. McWhae.

WHEREAS by the Powder Magazines Act 1896 (60 Vict. No. 1456), it is amongst other things enacted that the Governor in Council may make By-laws for fixing the rents which may be charged for the use of sites of magazines for the storage of explosives (within the meaning of the Explosives Act 1915 and any Act amending the same), and for determining the terms and conditions on which such sites will be let or leased for such purpose, and also for all or any of the subjects or matters mentioned in section 128 of the Railways Act 1915 for which purpose the word "railway" in such section shall be read as "tramway": Now therefore His Excellency the Governor of the State of Victoria, with the advice of the Executive Council thereof, doth by this Order make the following By-laws for fixing the rents to be charged for sites at the Explosives Magazine Reserve at Truganina, and for determining the terms and conditions on which such sites will be let or leased, and for regulating the use of the jetty and tramway on the Truganina Explosives Reserve and fixing the amount of tolls to be paid on goods received or delivered upon or from the jetty aforesaid, viz.:—

BY-LAWS.

1. In the following By-laws the term "lessee" shall include person, corporation, firm, or company, and the successors, executors, administrators, or assigns of the same.

2. Sites for private magazines may be let or leased from time to time by the Board of Land and Works, hereinafter called the Board, for such term as the Board may think fit.

3. The rent to be charged for each site shall be calculated at the rate of One shilling and threepence for every 25 lbs. or fractional part of 25 lbs. weight of explosives (other than detonators) received into any private magazine on such site. Detonators to be charged for at the following rates:—

Detonators, ordinary—3s. for every case containing not more than 5,000 in number; 5s. for every case containing more than 5,000 in number.

Detonators, electric—2s. for every case containing 1,000 in number or fractional part thereof, with wire leads not exceeding 96 inches in length; 3s. for every case containing 1,000 in number or fractional part thereof, with wire leads exceeding 96 inches in length.

Such rent shall be payable on the first day of each month in respect of all explosives received during the preceding month, except in the case of the last rent payable upon the expiration or other sooner determination of the lease, which rent shall be payable on the date when the lease expires or is determined, and shall be in respect of all explosives received during the preceding portion of the same month up to the date of such expiry or determination.

The rent under any lease shall be payable to the Collector of Imposts at the office of the Chief Inspector of Explosives, Melbourne, or to such other officer as the Board may from time to time appoint in that behalf.

Conditional on the due payment of his rent the lessee shall be exonerated from the payment of any charges (duties of Customs or wharfage rates levied under the authority of any Act of Parliament excepted) otherwise payable to His Majesty or the Board in relation to the necessary handling and transport of the explosive between the Powder Anchorages and Laverton Railway Station. Provided that nothing in this By-law contained shall relieve the lessee from his obligation to bear the cost of any unusual or special service in handling, transporting, marking, or otherwise dealing with such explosives, or to pay the amount of the tolls as specified in By-law 12 hereunder, in cases where the explosives are not received into any private magazine on the Reserve.

4. The right of any person to become the lessee of a site of a magazine for the storage of explosives shall be conditional on his satisfying the Board that he is a fit and proper person to become such lessee, and that the annual rent will average not less than Twelve pounds per annum.

5. It shall be a further condition on which sites hereunder are to be let that the intending lessee shall execute a lease containing, in addition to any other conditions and covenants not inconsistent with these By-laws that the Board may in any particular case direct, covenants and conditions binding on the lessee to the following effect:—

(a) To pay the rent reserved in the manner and at the times appointed.

(b) Not to assign or sub-let the whole or any part of the site without the previous consent of the Board first obtained.

- (c) The lease to become void at the option of the Board upon an assignment, whether by operation of law or otherwise.
- (d) To repair and keep in repair to the satisfaction of a Government Inspector of Explosives any buildings or erections now or at any time during the currency of the lease on the demised land.
- (e) Not to place on the demised land any buildings or erections except such as have been first approved of by the Board in writing, and for that purpose to submit all necessary plans, elevations, and particulars.
- (f) Not to receive or store, or continue to store, any explosives on the demised land until and unless the lessee be at the time the holder of a licence issued under the provisions of the law for the time being in force regulating the receipt and storage of explosives applicable to the lessee's case.
- (g) Not to remove, or permit to be removed, from off the demised land any explosives, the subject-matter of any calculation for assessing the amount of any rent accruing, due, or due and unpaid unless and until all rent, duty, and wharfage rates in respect thereof have either been paid or the payment thereof secured to the satisfaction of the Collector of Imposts at the office of the Chief Inspector of Explosives, Melbourne.
- (h) To obey and observe in connexion with the handling, carriage, receipt, and storage of all explosives brought or intended to be brought upon the demised land, or taken or intended to be taken therefrom, or stored or being thereon, the requirements and provisions of all Acts, requisitions, directions, laws, rules, by-laws, regulations, and licences for the time being required, given, issued, or in force with regard to the handling, carriage, receipt, and storage of explosives, and applicable to the lessee's case.
- (i) To obey and observe all the provisions of the Customs Acts and of the *Marine Act* 1915, and any regulations for the time being in force under such Acts, as to the landing of explosives intended to be stored on the demised land, and the payment of duty and wharfage in respect thereof, and the bonding and delivering of the same.
- (j) To permit the Board and all persons deputed by it, either generally or in connexion with the demised land, to enter thereon at any time and view every part thereof to ascertain if the covenants and conditions of the lease are being observed.
- (k) A condition permitting the lessee within 28 days from the date of the expiration, or other sooner determination of the lease if he has then paid and discharged all claims for rent, duties, rates, charges, or other claims in any way payable under the terms of the lease, to remove from off the demised land all buildings and erections other than boundary fences erected or placed thereon by him.
- (l) A condition giving the Board a right to determine the lease at any time in the event of the rent payable by the lessee within a period of three consecutive calendar months previous to the date of the exercise of such right being less than the sum of Four pounds for such period, and in the event of an exercise of such right giving the right to the Minister for Trade and Customs to withdraw any licence held by the lessee in respect of his premises as a bonded store under the Customs Acts.
- (m) A condition giving the Board a right to determine the lease at any time upon giving the lessee six calendar months' notice, in writing, of intention so to do.
- (n) A condition upon the lessee paying and discharging all claims for rent, duties, rates, charges, or other claims in any way payable under the terms of the lease, and having them removed from off the demised land and stored in a licensed magazine, or otherwise lawfully disposed of, all explosives theretofore on the demised land, conferring on him the right to at any time determine the lease by giving to the Board notice, in writing, of such his desire.
- (o) A proviso in the event of the rent being in arrear for 28 days, or in case of the non-observance or non-performance of the covenants and conditions of the lease, that the Board may forthwith determine the lease and re-enter the demised land.

6. No ship or vessel of any kind or description whatsoever shall go alongside the jetty belonging to the Truganina Explosives Reserve without the consent of the officer in charge of the reserve.

7. No goods of any description, other than explosives authorized by Order in Council to be manufactured or imported, shall be landed on or delivered from the aforesaid jetty, or conveyed over the tramway without the consent of a Government Inspector of Explosives or of the officer in charge of the reserve.

8. The discharge of explosives on or from the aforesaid jetty shall be carried out in accordance with the provisions of the *Explosives Act* 1915 and regulations thereunder and the Ports and Harbors Regulations.

9. Any powder lighter after completing the discharge or the loading of explosive cargo shall leave the jetty without unnecessary delay.

10. Any powder lighter having explosive on board shall not, without reasonable excuse, approach within 300 yards of the aforesaid jetty, except for the purpose of the immediate discharge of the explosive.

11. No explosive shall be allowed to remain on the aforesaid jetty, but must forthwith be placed in trucks or in the Government receiving magazine on the aforesaid jetty, or loaded into powder lighters.

12. Tolls, to include the cost of the necessary handling and transport between the Powder Anchorages and Laverton Railway Station, but not to include the cost of any unusual or special service in handling, transporting, marking, or otherwise dealing with such explosives, shall be paid on all explosives received upon the jetty aforesaid (other than those belonging to His Majesty's Government or received into any private magazine on the Truganina Explosives Reserve) at the following rates:—

Provided that if the explosives are re-shipped from the State of Victoria within three calendar months from the date of arrival, 1s. 3d. for every 50 lbs. weight of explosives (other than detonators) so re-shipped, and also the importation licence-fees, at the rate of 5s. for every 2,000 lbs. weight of explosives (other than detonators), shall be refunded.

A refund of 50 per cent. of rents and tolls levied on explosives passing through the Truganina Explosives Reserve shall be allowed on all explosives for blasting purposes manufactured in the State of Victoria.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 121st section of the Land Act 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1915, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

7. The taking in of stock for agistment or otherwise, or the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the Land Act 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture, if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
