SHIRE OF WALPEUP.

BY-LAW No. 8.

A By-law of the shire of Walpeup, made under Part 22 of the *Local Government Act 1915*, and numbered eight (8), for enforcing the provisions of such Act relating to the width of tyres:—

NO person shall in or by means of a vehicle carry on any public road a greater weight than the next mentioned—that is to say—For each wheel of any two-wheeled vehicle a total weight of four hundred weight (avoirdupois) and for each wheel of any four-wheeled vehicle a total weight of four and a half hundred weight (avoirdupois) for each half inch width of bearing surface of the tyre or felloe. The weight of the vehicle shall in all cases be reckoned as part of the weight which may be so carried.

2. In this section the words "width of bearing surface" means the actual width of the bearing surface of the tyre or felloe that would actually come in contact with or bear upon a hard smooth level surface when the wheels are attached to the axle and ready for use; and when the tyres or felloes of any vehicles are not of uniform width the width of the narrowest tyre or felloe shall be deemed to be the width of each of the tyres or felloes.

3. Nothing in this section shall be deemed to apply to the conveyance of any piece of heavy machinery which cannot be taken apart without great loss or expense.

4. Any person who in, on or by means of a vehicle carries on any public road a greater weight than that allowed by this Act or any regulation made thereunder by the Governor in Council shall for each offence be liable on conviction to a penalty of not more than Forty shillings for each hundred weight or part of a hundred weight carried in excess of the quantity allowed by this Act or such Regulation.

5. Every person in charge of any vehicle carrying goods on any public road upon being so requested by any inspector of weights and measures, member of police force, or officer of or person acting by or under the authority of the municipality shall allow (a) such inspector, member, or officer or other person to measure such goods with view of ascertaining the weight thereof in accordance with any such Regulation made as aforesaid; or (b) take such vehicles and goods to the nearest weighbridge or weighing machine on the route towards the place to which such vehicle and goods are being taken or to any weighbridge or weighing machine within two miles in any direction from the place at which the request is made.

6. If the weight of such goods is ascertained by such inspector, member of the police force, officer or other person by measurement only then the result of such measurement shall be taken to be the actual weight of such goods for the purposes of this division, unless the owner or driver of the vehicle at the time gives notice of his intention of having the same weighed and forthwith at his own expense proceeds to have the same weighed at the nearest or most convenient weighbridge or weighing machine.

7. Any person who when requested as aforesaid refuses to allow a vehicle and goods to be weighed or goods so carried to be measured as aforesaid shall be liable to a penalty not exceeding Ten pounds.

8. Any Council or its surveyor or engineer or any person acting by or under its authority or any officer of the Council or any member of the police force may measure and examine or cause to be measured and examined the wheels of every vehicle on any public road in such district.

9. Every vehicle carrying or constructed to carry goods of any kind whatever, and every vehicle carrying passengers for hire shall have the weight of such vehicle legibly painted on some conspicuous part of the off side thereof in white letters or figures; such letters or figures not being less than one inch in length and of a breadth in proportion.

10. If the owner of any such vehicle neglects to have such weight painted as aforesaid or has the same painted incorrectly he shall for each offence be liable to a penalty of not more than Two pounds.

11. Nothing in this section shall apply to any private passenger vehicle not plying for hire and ordinarily used for private passenger purposes only; even on that particular occasion, goods are carried in such private passenger vehicle.

12. This By-law shall come into full force six months after publication thereof in the *Government Gazette*, and shall have operation within the municipal district of the shire of Walpeup.
