Conditions of Lease.

The general conditions of the lease under the *Agricultural Colleges Act 1915* and Regulations, as approved by the Governor in Council, shall apply.

- The term of lease is thirty years.
 - The rental at which the lease is granted will apply for the first ten years of the lease, when a reappraisal of the rent shall be made, and further reappraisements shall be made at the end of every successive five years after the first ten years.
 - At any reappraisal should the rent be increased and the lessee desire to surrender his lease, the trustees of Agricultural College Reserves may accept such surrender, and all improvements (excepting buildings erected by lessee with consent of trustees, and which lessee may sell or remove within one month from date of surrender) become the property of the trustees, as at expiry of the lease.
- When any such land is again leased the trustees will obtain from the incoming lessee the value of all substantial and permanent improvements thereon, and the whole or any part of money received therefor may, if the trustees think fit, be paid to the person who immediately prior to the expiration or surrender or determination of the lease held the land.

The lessee shall comply with the requirements of the *Vermine Destruction Act* and *Thistle Act*, and will be liable for all rates and taxes payable on the land.

Fencing.

Each tenant will require to erect such fencing as may be necessary to be erected on his allotment, and shall erect same within six months from date of lease. All fencing to consist of seven wires and posts, four to the chain, with two droppers between posts. Posts to be sunk 2 feet, and if split 8 by 4 inches, sawn 6 by 3 inches; straining posts 12 inches diameter every 100 yards, to be sunk 2 ft. 6 in., and stayed both ways, or such other fence as the trustees may approve. Fencing to be erected to the satisfaction of the trustees, who reserve the right of constructing same at lessee's expense should he fail to comply with said conditions.

TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the Country.

Tenders should be placed in the Crown Lands Office Tender-box on or before noon on Tuesday, 25th June, 1918.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before noon on Tuesday, 25th June, 1918, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the *Land Act 1915* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

- The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1915*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1915*, or for mining purposes.
- In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.
- This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.
- Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.
- No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.
- This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.
- The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.
- That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.
- That where improvements are authorized under section 123 of the *Land Act 1915* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.
- The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture, if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like-manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of sawmillers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

SPECIAL CONDITIONS.

1. The period of occupation will, except where otherwise specified, be for fifteen months from 1st July, 1918, to 30th September, 1919.

2. The fee for the period as shown in the headlines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides:—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
