PRESENT:

His Excellency the Governor of Victoria.

Mr. Lawson Mr. Robertson.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915 (No. 2635)* has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Wonthaggi-Loch road in the shire of Phillip Island and Woolamai (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 14th January 1914 on page 93) should be made by the said Board. And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation. And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation. Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

His Excellency the Governor of Victoria.

Mr. Lawson Mr. Robertson.

WHEREAS by section 58 of the *Country Roads Act 1915 (No. 2635)* it is amongst other things enacted that when the Country Roads Board, under the provisions of the Country Roads Acts, has (whether before or after the commencement of the *Developmental Roads Act 1918*) by resolution declared a deviation to be a main road, the said Board may also declare that such deviation shall be in lieu of any existing road or part thereof named in such resolution and that on publication in the *Government Gazette* of the Order confirming such resolution the existing road or part thereof shall cease to be a main road or be discontinued as provided in the resolution. Contract from 1st July, 1918, to 30th June, 1919.

All timber to be selected and of first quality. It must be free from shakes, waney edges, sapwood, and absolutely free from knots of any kind or any other defects; thoroughly sound, well seasoned, and close-grained or free, as may be ordered.

All timber to be machine-planed on both sides and on all edges. The sizes quoted in the Schedules hereunder are before dressing, but the planing must be very fine, in order to leave the boards as full as possible.

No sub-letting will be allowed; all work must be carried out by the contractor; the hours of employment of any person engaged therein shall not exceed 48 per week, and every such person shall be paid in accordance with the Determination of the Woodworkers Board under the Shops and Factories Acts of Victoria; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory, mill, or yard (and in each part of the factory or mill where several parts are in use) in which timber is cut, sawn, or prepared under this Contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the Contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

MALLEE LAND AVAILABLE FOR APPLICATION AS SELECTION PURCHASE ALLOTMENT.

AVAILABLE ONLY FOR SOLDIERS HOLDING QUALIFICATION CERTIFICATES.

THE land is situated in the parish of Kattoong, and is 6 miles north-west of Walpeup Railway Station.

Applications must be made on the usual form, and delivered or forwarded by post to the Secretary for Lands, Melbourne, on or before Saturday, 17th August, 1918.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation, improvement, and all other conditions have been complied with, the lease will be indorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years (as the case may be) a Crown Grant will be issued on payment of the full amount of the purchase money.

The amount of loading (3s. per acre) is to be collected in instalments, therefore its cash value, about 1s. 11d. per acre only, will be the limit of expenditure for road and water improvements.

The half-yearly payment as set out in Schedule hereunder, includes the amount of loading.

The lease will contain (*inter alia*) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of the third year, and another 3s. 4d. before the end of the fourth year, and the balance of 10s. per acre before the end of the sixth year of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment unless and until the lease has been indorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable.)

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, free of charge, to enable them to inspect the land, or to attend the Local Land Board.
