WHEREAS by the *Education Act 1915* (6 Geo. V. No. 2044) it is enacted that the Governor in Council may from time to time make and rescind regulations for all or any of the purposes therein mentioned, and generally for carrying the said Act into effect: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby rescind clauses 6 (a) and (h), 8 (b) and (c), 12, 14, 15, 39, and 41 of Regulation XXI.—Scholarships—under the *Education Act 1915*, and doth make the following in lieu thereof, viz.:—

## REGULATION XXI.—SCHOLARSHIPS.

6. Registered secondary schools at which holders of scholarships may attend will, after inspection, be approved by the Director, provided that they satisfy the following conditions, namely:—

(a) They shall provide a complete progressive course of instruction suitable for pupils between fourteen and nineteen years of age at least up to the standard of the School Leaving Certificate (Honors) examination;

(h) they shall provide three courses of equivalent standard to those approved by the University of Melbourne for the purpose of the School Intermediate Certificate and the School Leaving Certificate.

8. (b) Candidates for senior scholarships under clause 7(a) above must be or must have been holders of junior scholarships under clause 1 above, and must, at least two years previous to the competitive examination, have passed the School Intermediate Certificate examination of the University of Melbourne, or an approved equivalent examination.

(c) Candidates for senior scholarships under clause 7(b) above must, at least two years previous to the competitive examination, have passed the school Intermediate Certificate examination of the University of Melbourne, or an approved equivalent examination; and, for the two years immediately preceding the competitive examination, must have been in regular attendance at day classes at a district high school or a registered secondary school.

12. Sixty teaching scholarships, or any less number, shall be awarded annually for the preliminary training of candidate teachers intending to enter the service of the Department.

14. (a) The subjects of the competitive examination for the teaching scholarships under clause 12 above shall be those prescribed in clause 4 above for junior scholarships;

(b) The Director, with the approval of the Minister, shall determine, from time to time, the number of teaching scholarships under clause 12 above to be awarded in the subjects specified in sub-clauses (a) and (b) respectively of clause 4 above;

(c) The sixty teaching scholarships under clause 12 above shall be divided between pupils of State elementary schools, central schools, higher elementary classes, higher elementary schools, district high schools, and registered schools in such proportions as the Director, with the approval of the Minister, may, from time to time, determine.

(d) The Director, with the approval of the Minister, shall fix, from time to time, the number of teaching scholarships under clause 12 above to be awarded to girls and boys respectively.

15. Teaching scholarships under clause 12 above shall be tenable for such period, not exceeding three years, as will enable the holder to complete an approved course, under the following conditions, namely:—

(a) That the scholar shall become, at the commencement of the term immediately following the award of the scholarship, and thereafter during the tenure of the scholarship shall remain, a student at an approved district high school or approved registered secondary school, or alternatively at an approved higher elementary school for two years and thereafter during the currency of his teaching scholarship at an approved district high school or approved registered secondary school;

(b) That the scholar shall obtain satisfactory reports as to his attendance, conduct, and progress from the head teacher of the school which he is attending;

(c) That the scholar shall be recommended annually by an inspector of schools for a continuance of his scholarship;

30. (a) Where a scholar under clause 1, 12, or 17 above does not reside within five miles of a school at which his scholarship is tenable, the Minister may, if he considers the circumstances warrant it, allow him such sum (not exceeding £5 per annum) as will cover the cost of transit to and from school;

(b) Where it is necessary that any scholar under clause 1, 12, or 17 above shall reside apart from his parents or guardians, the Minister may, if he considers the circumstances warrant it, grant, in lieu of the cost of transit of such scholar, an allowance for board up to £26 per annum. If, however, the parents or guardians are in necessitous circumstances, the Minister may grant this allowance to scholars not residing apart from their parents or guardians;

(c) The allowances mentioned in sub-clauses (a) and (b) of this clause shall not be paid to any scholar if the total amount of net profits, emoluments, and income received by his parents or guardians during the preceding year exceeded £250 or a quota of £50 for each member of the family, including such parents or guardians and excluding children earning a wage of Ten shillings or more weekly;

(d) The Minister shall decide whether any scholar is eligible to receive an allowance under sub-clause (a) or (b) of this clause, and the decision of the Minister shall be final.

41. The Minister may at any time cancel any scholarship if—

(a) the prescribed conditions of tenure are not complied with; or if

(b) he is satisfied that the conduct of any scholar has been idle, unbecoming, disorderly, or immoral; or if

(c) it is shown, on the report of an inspector of schools, that any scholar has failed to make satisfactory progress; or if

(d) the parents of any scholar are not natural-born or naturalized British subjects;

and, thereupon, all advantages and allowances connected with such scholarships shall cease and determine.

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Friday, 23rd August, 1918.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

**TENDERS** will be received on or before noon on Friday, 23rd August, 1918, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the *Land Act 1915* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

#### CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1915*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1915*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1915* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture, if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of sawmillers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

#### SPECIAL CONDITIONS.

1. The period of occupation will, except where otherwise specified, be for thirteen months from 1st September, 1918, to 30th September, 1919.

2. The fee for the period as shown in the head-lines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands* (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides:—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
