The Constitution Act Amendment Act 1915.
COMPULSORY PREFERENTIAL VOTING.

(Part V.—Division 14.)

How Votes to be Marked by Voter.

292. (1) When at any election for the municipality a person receives a ballot-paper instead of striking out the name of any candidate for whom he does not intend to vote he shall mark his vote on the ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference and shall give contingent votes for all the remaining candidates by placing figures 2, 3, 4 (and so on as the case requires) opposite their names so as to indicate by such numerical sequence the order of his preference.

(2) The candidate opposite whose name the figure 1 is so placed shall be deemed to be the candidate to whom the elector gives his vote for the purpose of the election.

Marking of Ballot-paper where only Two Candidates.

293. Notwithstanding anything contained in this Division, at any election where there are only two candidates—

- (a) the requirements of this Division as to the marking of ballot-papers by electors shall be deemed to be sufficiently complied with in the case of any ballot-paper marked so as to indicate the elector's first preference only; and
- (b) in the case of a postal ballot-paper the elector's first preference shall be deemed to be sufficiently indicated if the surname of only one candidate is written thereon.

Invalid Ballot-papers.

294. (1) A ballot-paper shall under this Division be rejected at the close of the poll if it does not indicate the elector's first preference for one candidate and in the case of any election where there are more than two candidates his contingent votes for all the remaining candidates.

Ballot-papers Not Invalid.

(2) Except as otherwise expressly provided a ballot-paper shall not be rejected for any reason other than the reasons enumerated in this section but shall be given effect to according to the elector's intention so far as his intention is clear.

Returning Officer to ascertain Results of Polling.

295. The returning officer (for the ward) shall in manner hereinafter provided ascertain the total number of votes given for each candidate.

Procedure where only Two Candidates.

296. At elections where there are only two candidates section one hundred and forty-four of the *Local Government Act 1915* shall have full force and effect.

Procedure where more than Two Candidates.

297. At elections where there are more than two candidates the procedure by the returning officer and deputy returning officers for each ward to ascertain the number of votes for each candidate shall be as follows:—

(1) Immediately upon the close of the poll the returning officer and every deputy returning officer at the polling place at which each presides shall in the presence and subject to the inspection of such of the scrutineers as choose to be present and the poll clerk (if any) and of no other persons—

- (a) open the ballot-box at the polling booth at which he presides; and
- (b) arrange the ballot-papers by placing in separate parcels all those on which a first preference is indicated for the same candidate and the full contingent votes are also given for all the remaining candidates omitting ballot-papers which require to be rejected; and
- (c) count all such first preference votes given for each candidate respectively; and
- (d) make and keep a record of the number of votes counted from each ballot-box; and
- (e) abstain himself from inspecting the writing upon the back of the ballot-papers and take care that the same is not seen by any person.

(2) Each deputy returning officer shall—

- (a) certify a list of the number of such first preference votes given for each candidate at the polling place at which he presides and transmit such certified list to the returning officer together with the ballot-papers and copy of voters' roll as required by section 144 of the *Local Government Act 1915*.

(3) The returning officer shall—

- (a) make out in respect of the polling booth at which he presides a list of first preference votes given for each candidate; and
- (b) seal up in separate parcels in respect of the said polling booth the ballot-papers and voters' rolls in like manner as is required in the case of deputy returning officers.

- (4) The returning officer shall as soon as practicable—
- ascertain from the certified lists received from deputy returning officers the number of first preference votes given for each candidate; and
 - add the first preference votes so given for each candidate to the votes counted by himself in favour of each such candidate so as to ascertain for the whole city the number of first preference votes polled by each candidate respectively.
- (5) The candidate who has received the greatest number of first preference votes shall if such number constitutes an absolute majority of votes (including the casting vote of the returning officer if necessary) be declared by the returning officer duly elected.

Counting of Votes by Returning Officer.

(6) If no candidate has an absolute majority of votes the returning officer shall upon receipt of the several sealed parcels from the deputy returning officers declare the candidate who has obtained the fewest first preference votes to be a defeated candidate, and with the assistance of such officers as he deems necessary shall (notwithstanding anything contained in the Act) in the presence and subject to the inspection of such of the scrutineers as choose to be present and the poll clerk (if any) but of no other persons then—

- open all the sealed parcels containing used ballot-papers as well as the sealed parcel of used ballot-papers made up by himself; and
 - arrange such ballot-papers by placing in separate parcels all those on which a first preference is indicated for the same candidate and the full contingent votes are also given for all the remaining candidates omitting ballot-papers which require to be rejected; and the ballot-papers counted to such defeated candidate shall be distributed among the non-defeated candidates next in order of the voters' preference.
- (7) After such distribution the number of votes given to each non-defeated candidate shall again be ascertained.
- (8) If no candidate then has an absolute majority of votes the process of declaring the candidate who has the fewest votes to be defeated and distributing his ballot-papers amongst the non-defeated candidates next in order of the voters' preference shall be repeated and the votes recounted after every such redistribution, until one candidate has obtained an absolute majority of votes, and such candidate shall then be declared duly elected.

Casting Vote for Exclusion during Progress of Count.

(9) If on any count two or more candidates have an equal number of votes and one of them has to be declared defeated the returning officer shall decide which is to be declared defeated.

Adjournment of Count of Votes to be Announced.

- (10) If on the polling day the count of the votes by the returning officer cannot be completed he shall adjourn such count and inform the scrutineers and the officers appointed to assist him at such count as regards the time and place when and where such count will be continued and conducted by him.
- (11) The count of the votes may from time to time be adjourned as the returning officer may deem necessary until it has been duly completed; and each adjournment shall be announced by the returning officer to the scrutineers and the officers assisting him.

Before Adjournment Ballot-papers, &c., to be Sealed in Ballot-boxes.

- (12) Before every adjournment of the count of the votes—
- all ballot-papers and other documents connected with such count shall be placed in one or more ballot-boxes; and
 - the returning officer shall then in the presence of such scrutineers and officers as are present seal such ballot-box or boxes; and before re-commencing the count the seal on such ballot-box or boxes shall be exhibited unbroken to such of the scrutineers and officers as are present.

(13) In declaring a candidate duly elected under this section the provisions of sub-section (5) of section 144 of the *Local Government Act 1915* shall have full force and effect.

Separate Parcels to be Enclosed in Packets according to Class and Sealed, &c.

298. At the conclusion of the count of votes the returning officer shall comply with the provisions of section 145 of the *Local Government Act 1915*.

Deposit Moneys.

299. The moneys paid to the returning officer by or on behalf of the candidates shall be dealt with in manner provided by section 154 of the *Local Government Act 1915* as altered as if in the said section for the word "votes" wherever occurring there were substituted the words "first preference votes."

Voting by Post.

300. When an elector votes by post, then (in lieu of writing on his ballot-paper the surname of the candidate for whom he votes) such elector shall in the presence of the person authorized to witness his signature, but so that the witness cannot see the vote—

- first write on the ballot-paper the surname of the candidate for whom he votes in the first instance and mark the figure 1 against such surname; and
- also write the surnames of all the remaining candidates underneath such name and record contingent votes for such remaining candidates numbering them 2, 3, 4, and so on in the order of his preference.

(2) Any instructions to electors required by the Act relating to voting by post to be printed on postal ballot-papers shall for the purposes only of this section be altered so far as is necessary to make them correspond with the provisions of this section, and shall as so altered be printed on the ballot-papers accordingly.

FOR THE PERIOD 15TH OCTOBER, 1919, TO 30TH SEPTEMBER, 1920, EXCEPT WHERE OTHERWISE STATED.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

The areas described in the Schedule hereunder will be open for tender on Wednesday, 1st October, 1919.

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Tuesday, 14th October, 1919.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Noon on Tuesday, 14th October, 1919, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the *Land Act* 1915 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act* 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1915, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the Land Act 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible therefor.

SPECIAL CONDITIONS.

1. The period of occupation will, except where otherwise specified, be for eleven and a half months from 15th October, 1919, to 30th September, 1920.

NOTE.—Licences authorizing occupation from the 1st of November, 1919, will be for a period of twelve months from that date.

2. The fee for the period as shown in the head-lines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the *Secretary for Lands* (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides:—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
