Approved-H. S. W. Lawson, for Treasurer. 18.6.1920.

STIPULATIONS FOR SUPPLIES OF PROVISIONS.

Special attention is drawn to note re Bread, Flour, Butter, Cheese, and Potatoes re varying rates from time to time (Where practicable, all items must be manufactured or prepared within the Commonwealth.)

Under all Sub-schedules particular attention is drawn to Clause 1 of the Condition as to quality.

Supplies for Emergency and Influenza Hospitals under Government control in the Metropolitan area are included under these contracts for such quantities and for such time as supplies may be required during the currency of the contracts. GROCERIES, CANDLES, SOAP, TEA, ETC.

BEER AND SPIRITS.

For brandy, whisky, and for Guinness' porter in case, delivery will be taken at and from the bond.

The contractor will be bound to supply such of the brands named in the tender as the departments may order. In cases where delivery from the bond is taken by the Government, the contractor will be required to hand to the sceretary to the Tender Board the bond certificate and the locker's order that the contractor of the cont and a copy of the entry, and pay all charges, including re-gauging, before delivery is taken.

English ale, brandy, whisky, and Guinness' porter in case must be delivered as imported; if bottled in the State it will

not be accepted.

BREAD.

In the event of any increase in the price of Flour, consequent upon the increase in the price of Wheat and proportionate thereto, between the date fixed for receiving Tenders and the termination of the Contract period, an allowance will be made—

A—In the case of Bread, at the rate of 91d, per cental for each £1 per ton increase in the price of Flour;

B—In the case of Flour, equal to the increase in the market rate.

Should a decrease take place in the price of Flour, corresponding deductions will be made in the payments for Bread and Flour.

Should a decrease take place in the price of Flour, corresponding deductions will be made in the payments for Bread and Flour.

Samples of the best ordinarily retailed to the public will be considered as test loaves for first quality for fine wheaten and pure wheaten Meal Bread. Third quality (that issued to prisoners of the Crown) to be made of flour, fine sharps, the produce of prime, strong, thin-skinned; good-coloured wheat, to be perfectly free from coarse pollard or other offal. Pure wheaten Meal Bread of first quality may be substituted, wholly or in purt, for fine wheaten Bread at such times and in such quantities as in the opinion of the Medical Superintendent may be deemed necessary, and the contractor will be required to supply such Bread at the contract rate. Reasonable notice, however, of the intention to substitute wheaten Meal Bread must be given to the contractor by the officer ordering the supply. Bread may be baked at any Government establishment without infringing these contracts. At the Gaols, Beechworth, Ballarat, Geolong, Bendigo, Castlemaine, and Sale, if required, bread must be supplied one day old, due notice to be given to the contractor of such requirement.

Under sub-schedules for Bread no subletting will be allowed; all work must be carried out by the contractor; every person engaged in the manufacture, preparation, or delivery of the bread tendered for in these sub-schedules shall be paid such wages and shall be employed subject to such conditions as are or may be determined by any Wages Board under the provisions of the Factories and Shops Acts to which such persons are subject as employees; and a copy of these conditions hall be kept conspicuously and continually posted in legible Roman characters in the factory or shop (and in each part of the factory or shop where several rooms are in use) in which bread is prepared or manufactured under this contract. Any infringement of these conditions, or any breach of these said determinations, in the opinion of the Treasurer, will subject

security money, and the Transarder's decision shall be Minding, final, and conclusive as to the fact of infringement, and in all other respects.

In the event of bread being made at any Government establishment in the Melbourne District, during the currency of these contracts, the flour required will be drawn under the flour and maize meal sub-schedule. The maize meal for all the country gaols is included in the sub-schedule for flour and maize meal, Melbourne District, and delivery of same will be required to be made at the Victorian Railways, Spencer-street.

Should a supply of any article which may be reasonably included in a Baker's Price List, "and which is not included in the schedule hereunder, be required for the use of attendants and nurses resident at the Hospitals for the Insane or for inmates of any Government institution drawing supplies under sub-schedules for Bread during the currency of the contract, the contractor shall, with the exception of Ararat, Ballarat, and Beechworth, supply any such article at the current list rates at which it is retailed by the contractor to the public.

ss may be required during the currency of the contracts.

GROCERIES, CANDLES, SOAP, TEA, ETO.

Should the supply of any article which may be reasonably included in a Grocer's Price List, and which is not included in the schedule hereunder, be required for the use of the attendants and nurses resident at the Hospitals for the Insane or for immates of any Government institution drawing supplies under suc-schedules for Groceries during the currency of the contract, the contractor shall, with the exception of Ararat and Ballarat, supply such article at the current list rates at which it is retailed by the contractor to the public.

As a guarantee of quality, Rice, when ordered in quantities of 56 lbs. and over, must be supplied in original bags as delivered by the miller or dresser. Such bags must be branded "Rice, Dressed," and shall also have stencilled thereon the miller or dresser, and. The bags thus stencilled thereon the miller or dressed by the miller or dresser whose name appears thereon. Supplies not in conformity with the foregoing conditions will be absolutely rejected. Oatmeal must be supplied in original bags as delivered by millers.

Candles, except those for prison cells, must be supplied in 1-lb. packets. Candles for prison cells must be delivered in boxes containing from 25 to 50 lbs, per box, the boxes for which must be legibly stencilled on one end, showing the estimated burning time and the gross, tare, and net weight of contents. The soap supplied must be hard throughout, ready for immediate use without waste. Soap for Lunatic Asylums is not included in these contracts. When the quantity admits, tea must be supplied in original and unopened packages, labelled, as landed. Raisins and currants must be present season's, and where the quantity admits, be supplied in original boxes labelled 3 crowns. For s.s. Lady Looh and Rip a certain quantity of Biscuits and fresh bread, and are included to meet such contingency only.

The contracts are not to be considered broken, infringed, or vitiated by purch

BUTTER, CHEESE, AND JAMS.

BUTTER, CHEESE, AND JAMS.

Butter is to be delivered to the s.s. Lady Lock and Rip, in 1 lb. pats, in such quantities as may be ordered, and no excess over the quantity ordered will be received.

All Butter supplied, as well as the cases in which it is packed, must bear the impress stamp of the creamery manufacturing the Butter, otherwise it will be rejected. The Butter supplied may be tested at any time by the Government Dairy expert if it is considered by the officer ordering that the supply is not up to standard quality. The cheese must be fairly matured and packed in boxes for transport.

As regards butter for Ararat, Ballarat, Beechworth, Lara, Sunbury, and Mont Park all supplies delivered from Melbourne must be submitted by the contractor to the Government Dairy Expert in Melbourne for test as to standard quality, and, if found to be satisfactory, shall be forwarded by that officer direct to the Institution ordering, the cost of freight being borne by the contractor in the usual way.

N.B.—Jams.—The weight stamped on the tins in accordance with the regulations under the Commerce Act, as indicating the minimum net quantity that each tin contains, shall for the purpose of this contract be taken as the actual contents when computing the quantity supplied.

When Jam is supplied in jars the jars remain the property of the contractor, and must be removed by the contractor at his own expense when empty.

The prices quoted in the Government Gazette each week shall be taken as the ruling market rates for supplies for Butter and Cheese for the week ending Saturday immediately preceding publication of same—

18. Slugs of 26 ems pica and over set in six point or smaller to be charged ad. per 1,000 ens extra; measures of 27 ems pica and over set in type larger than six point to be charged §d. per 1,000 ens extra.

19. Balance-sheets to be charged not less than one-third extra.

[Note. $-5\frac{1}{2}d. = 1\frac{1}{2}$; $6\frac{3}{16}d. = 1\frac{1}{2}$; $8\frac{1}{4}d. = double.$]

THIRD SCHEDULE.

Linotype or Monoline Work in the Offices of Daily (Morning or Evening) Newspapers, and Weekly or other Newspapers connected therewith.

1. All kinds of composition in the English language shall be cast up at the standard rate per 1,000 en quads. Where the twenty-six lower-case letters are less than the twenty-six en quads the cast-up shall be by the lower-case letters; a thick space to be considered as an en quad in the width. Em and en quads, or whatever may be used at the beginning or end of lines, to be reckoned in the width. Bastard founts to be cast up to the width of the smaller body of the founts to which they be long.

2. Matter consisting of subscribers' names, with the sums of money run out to the end of the line; names of horses, with st. and lb. run out; measurements of land, with acres, roods, and perches run out, and matter of a similar nature (see Appendix A), take no extra charge; but where there are two columns of such figures brought into the same width, one-third extra to be charged; three columns, one-half; four or more columns, double. Other matter which requires casting off for the purposes of ascertaining proper widths for the purposes of ranging (whether such matter consists of words or figures) each width or ranging to be considered a column, whether with or without rules or headings.

3. Run-on figure-matter, that is to say, matter corresponding with specimens (see Appendix B),

shall take a charge of one-third extra.

4. All matter with a border round, whether formed of rules, letters, or otherwise, to be charged

double if set on the machine.

5. Piece hands kept waiting for copy shall charge at the ordinary time rate. Under four minutes at any time not charged; four minutes or over to be cumulative during the shift; time thus accumulated to be charged as follows:—Eight minutes, quarter of an hour; twenty-five minutes, half-an-hour; thirty-five minutes three-quarters of an hour; fifty minutes, one hour.

6. Illegible or indistinct copy is to be charged one-third extra, subject to the approval of the

Printer. Instructions as to type, leads, &c., to be written on the first slip of copy.

7. All advertisements set in type larger than the standard shall be charged by depth according to the standard type of the advertisement columns.

8. Tabular or column matter, with headings in smaller type than the body, is to be cast up according

to the relative value of the two bodies.

9. Introductory lines or footnotes attached to tabular matter not exceeding six lines each to be

charged as part of the table.

10. All leads, other than those used in making up, to be charged by the compositor or operator; but if matter composed solid shall be afterwards leaded by the "house," the value of the leads shall be the property of the piece companionship.

11. All appearing lines to be charged.12. Compositors or operators called on time for any description of "house" work to charge not

less than one hour, beyond that the fractional parts of an hour to be charged at the ordinary time rate.

13. Men employed on morning papers brought in to produce extra issues on Saturdays or on Sundays before the usual hour for taking up copy shall be paid double rates for a minimum shift of three hours. When brought in for extra issues before the time fixed for taking up copy at other times, a minimum of three hours at ordinary rates shall be paid. Men employed on evening papers brought in to produce extra issues on Saturday nights or on Sundays shall be paid double rates for a minimum shift of three hours. When brought in on other nights for extra issues, a minimum of three hours at ordinary rates shall be paid. Men brought in for extra issues shall not be required to set stock copy, but will be required to do any work necessary for the production of the issue.

14. All stoppages of five minutes and upwards on morning, evening, and weekly papers connected therewith, to be cumulative, and are to be charged at the ordinary time rate of the office, provided the

machine stoppage is not caused by the fault of the operator.

15. The following are the extra charges to be made for column or tabular matter cast on one bar: Two columns—two justifications or arrangements—to constitute half measure, one-third extra. Three columns—three justifications or arrangements—to take the charge of one-half extra. Four columns—four or more justifications or arrangements—to be charged double. (The above charges are to be made whether the matter is with or without headings or rules.) For specimens of the above see Appendix C.

16. All lines cast on the machine shall be charged as full lines.

17. Matter requiring two bars of the ordinary measure of the papers to complete one measure (not being tabular matter) to be charged one-third extra; three, one-half extra; four or more, double.

18. One line extra shall be charged for each word of small caps, italics, clarendon, &c., fed in by hand; but where such words are set on the keyboard one line extra shall be charged for each line containing such words, excepting small caps, which shall be charged one line extra for each word.

19. Where advertisement dividing rules do not appear, one line shall be allowed for every

advertisement that might carry the rule.

20. Matter having to be transposed by the operator (i.e., which is not set up in the order in which

it appears in copy) shall be charged one-third extra.

21. All first-proof and revise corrections (marks left undone in the first proof) to be done by the operator. "House" marks to be charged double if done by the operator. All "slugging" to be done by the "house." The "house" shall be entitled to correct all revises or authors' proofs on time.

:)

THIRD SCHEDULE—continued.

22. All matter set from books or copy that will not go on the copy tray to be charged one-third extra.

23. Twelve lines of 13-ems pica or less, or their equivalent in wider measure, to constitute a machine "take" of copy. Copy given out at one time, whether referring to different articles or not, shall constitute one "take."

24. That matrices coming down wrong channel, repeated transposition of matrices, repeated missing of matrices, matrices repeating of their own accord, space bands transposing, and sunken letters shall constitute machine errors, and shall be charged as "house" marks provided they are not caused by fault of operator. The attention of the engineer shall immediately be called to such defect.

25. All displayed advertisements to be charged at movable piece rate. The "house" shall have the option of composing same on time, the matter afterwards to be charged by the piece companionship at

machine rates.

26. Operators shall complete all "takes" as far as possible on machine, but where such "take" requires type heading, leads, rules, rules to advertisements, whiting, cutting, fitting, or extension of any kind, all such work required to complete "take" shall be done by the "house," the completed "take" as appearing to be charged by the operator. Leads cast on the bar shall be charged by the operator.

27. No charge for standing time shall be made for the first change of magazine during the night or

day's work, but for any subsequent change standing time shall be charged.

28. If a machine is changed by order to a different type, the operator shall not be required to

change it again to make corrections, which shall be done by the operator on a vacant machine.

29. Any machine hand required to go upon time to be paid at the ordinary time rate. The same rate of payment to apply to any case hand sent temporarily to machine, and to any machine hand sent temporarily to case.

30. Matter of and above four lines composed in other than ordinary English (e.g., dialects) to be

charged one-half extra, and foreign languages double for each line.

31. All block headings, let-in or other blocks in news or advertisements shall be charged by the operator. In permanently illustrated papers the "house" shall be entitled to all blocks, illustrations,

&c., except in advertisements, blocks in which shall be charged by the operator.

32. Alterations from copy in the first proof to be charged at the rate of two lines for every line affected by such alterations. Authors' proofs to be charged at the same rate, but not less than 12 lines to be charged for any number of authors' proof or copy given out at one time. The "house" shall be entitled to correct all revises or author's marks on time.

33. Standing advertisements are the property of the employer until they are given out for distribution. Alterations in standing advertisements must be charged at the rate of two lines for each line "set." Where such alterations affect more than half the length of the advertisement, if 12 inches or under, or three-fourths if above 12 inches, the whole to be given out as ordinary copy. All extensions to standing advertisements, whether by "leading" or "whiting out," to be charged in lines by the operators.

34. If any difficult matter should in the opinion of the Printer take an extra charge, the same shall be granted by the "house," and the charge settled by the specimens mutually agreed to.

35. All newspapers composed on the piece system shall be given out to the piece hands in their entirety. No undue advantage hall be permitted to one hand over another, and all advantageous matter shall be equitably divided in such manner as the piece hands may decide.
