Printed forms of tender, schedules, conditions of contract, and stipulation of tendering, &c., may be obtained at the office of the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

Tenderers have the option of tendering to supply either f.o.b. at overseas port or c.i.f. or delivered in store to the Government Printer, at Melbourne.

Each item can be tendered for, and may be accepted or rejected separately.

Each tender must be accompanied by a preliminary deposit of 2½ per cent. of total of tender submitted.

The prices must be expressed without alterations or erasures, and the total amount of the tender must be stated.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacture indicated in the schedule and the rates charged are considered reasonable.

The tenderers must state where the supplies have been, or are to be, manufactured.

Tenders must be accompanied by the preliminary deposit, as shown and designated in the conditions of tendering.

The Government will not necessarily accept the lowest or any tender.

Tenders must be enclosed in a separate envelope, marked "Tender for Printing Paper," or as the case may be, and must be deposited in the Tender-box, at the Pay Office, Treasury, Melbourne, or if sent by post, must be addressed to the Chairman of the Tender Board, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. In these conditions and in the form of contract and schedule hereto annexed the words "Government Printer" shall include the officer bearing or acting under that title or such other officer as the Government may from time to time appoint to perform the duty in the matter in relation to which the expression is used. The word "Storekeeper" shall mean the officer (or officers) of the Government who inspects and takes delivery of the stores. The word "Schedule" shall mean and embrace the schedule or schedules hereunto annexed.

2. As regards supplies of Commonwealth manufacture no subletting will be allowed; all work must be carried out in the factory of the contractor.

3. *Under no circumstances will a contractor be permitted to abandon his contract.* In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

4. The Government will order from the contractor all the articles enumerated in the schedules.

5. The first delivery under this contract, equal to one-half the quantity contracted for, shall be made not later than 31st December, 1920, and the remainder to be made not later than 31st March, 1921. Should the contractor so desire, the whole quantity contracted for may be delivered on the first date specified.

6. The supplies are to be the same as sample and in accordance with schedule conditions where so stated, and of the particular manufacture indicated in the schedule of tenders. Substantial and effective preference will, however, be given to goods of Commonwealth manufacture, provided the quality is equal to the particular manufacture indicated in the schedule.

7. The value of all packages, cases, wrappings, &c., whether bulk be broken or not, all wharfage fees and duty of Customs must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, wrappings, &c. The net weight or quality only will be paid for. Contractors must provide, without extra charge, whatever labour, &c., may be required in the packing and delivery of the supplies.

8. All supplies shall be made to the Government Printer. The goods shall be delivered as may be directed by that officer in terms of contract. At the time of delivering the supplies, the contractor shall produce an invoice in duplicate to the officer authorized to accept delivery, and such officer shall give an acknowledgment to the contractor of the receipt of the stores tendered by him.

9. All papers supplied, except Item No. 5, must be supplied in reams, and must be equal in quality, weight, and colour to the samples furnished by the Government, and must be cut to the true size ordered. Each ream must contain 500 sheets, and must be supplied flat (not folded). No creased or damaged paper will be accepted.

Item 5 to be supplied in reels 39 inches wide, and to be wound on cores with a diameter of 2½ inches. Substance 25 x 40—30 lbs., 500 sheets. Ends of reels to be protected with wood. No creased or damaged paper will be accepted. Reels not to exceed 560 lbs.

10. The acceptance of the supplies shall be subject to the approval of the Government Printer, whose decision shall be final. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense, such expenses to be deducted as in clause 11. Delivery will not be deemed to have been made until the goods have been approved of. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in clause 11.

11. In the event of the goods not being delivered within the time stated, the Government Printer may, on giving the contractor twenty-four hours' notice, purchase the supplies,

or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

12. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Government Printer to the Tender Board, to such mulct, not exceeding One hundred pounds, for each and every default as the Treasurer may direct, and the amount may be deducted as set out in clauses 3 and 11. It will also be in the power of the Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

13. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

14. In the event of any alteration in the duties of Customs which may affect any of the items included in these contracts, the Government or the contractor, as the case may be, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, provided that the duty on such item at the altered rate has actually been paid.

15. In the event of an f.o.b. tender being accepted, the material will be inspected by the Government's representative, and if passed by him as being in accordance with the specification, then the contractor shall pack and deliver the material free on board steamer at the port of shipment. The Government agent's decision shall be final as to rejection or otherwise. The Government will provide at port of shipment cash in exchange for shipping documents, and will pay freight, insurance, and exchange.

16. In the event of a cost, insurance, and freight (c.i.f.) tender being accepted, the same condition as to inspection will apply as in the case of an f.o.b. tender, and the contractor will ship the material, paying all charges, to Melbourne wharf, excepting bank exchange, which charge will be paid by the Government, who will provide in Melbourne, London, or port of shipment cash in exchange for shipping documents.

17. Each package shall be branded "O.H.M.S., The Government of Victoria, the Government Printer, Melbourne," and numbered consecutively, and each package shall also be marked with the number of the contract and contents of same for identification purposes.

18. Every account must be in prescribed form, including the number of this contract and the number of item in same, and must show full details of how the same is made up.
