Notice to Boatmen, Etc.

[No. 1 of 1920.]

BOATMEN and others are hereby notified that permission has been granted to the Melbourne Amateur Regatta Association, in connexion with the Annual Regatta, to row races on the Henley course on the Upper Yarra on the 23rd October, 1920, and that motor and other boats permitted to be on the river during the day must observe the following Regulations, viz.:—

Boat races must not be obstructed, nor public safety or order endangered.

Every motor boat must have a supply of dry sand, and carry a bucket for fire extinguishing purposes, and no inflammable oil or spirit to be exposed.

All non-competing boats must keep off the course during the racing programme.

No boats (except racing boats) are allowed to land or take up passengers at the boat stagings (south bank), or from the bank along the Henley Reserve except at the landing stage.

Any boat overcrowded or incompetently managed may be ordered to disembark its passengers.

No boat deemed by the Port Officer or his Deputy to be too large or deemed to be offensive, dangerous, unsuitable, or unsightly shall remain on the river along the course or adjacent waters.

The direction of the officers in charge of the course must be strictly attended to.

All boats (except racing boats) must move up stream along the right hand (south) bank, and must move down stream along the opposite (north) bank.

No boat will be permitted to show any advertisement or objectionable device.

No fireworks or firearms are allowed to be discharged from any boat, except such as have permission of the Port Officer or his Deputy.

All motor boats shall hold a permit from the Port Officer to enter or remain on that part of the River Yarra between Prince's-bridge and the Punt-road bridge, between the hours of 10 a.m. and 12 midnight on Henley Day.

No motor or other boats will be allowed to ply for hire between Prince's-bridge and Punt-road bridge between the hours of 10 a.m. and midnight on Henley Day.

All motor boats to be moored in the positions allotted to them by 12.30 p.m., and shall remain moored until the finish of the racing programme.

Applicant for permit must apply at the office of the Port Officer, 423 Flinders-lane, Melbourne, and furnish the name and dimensions of the boat for which a permit is required; also the name and address of the owner, and of the person taking charge of the boat on Henley Day. If the boat is unnamed, some identification number must be affixed to each bow of the boat.

No permit shall be given to a motor boat exceeding a length of 35 feet from stem to stern, or with a beam exceeding 9 feet overall, unless the Port Officer shall see fit to do so. It is recommended that row boats shall be in attendance on large motor boats for transporting passengers, also that a gangway be provided for each motor boat to enable passengers to reach the bank.

No permit shall be given for boats burning other than liquid fuel.

Permit shall not be transferable by holder or in respect of motor boats.

Acceptance of permit shall be a guarantee that its holder and the boat it is issued for will observe the regulations, whether general or special.

A limited number of moorings will be available along Henley Reserve, and early application to the Port Officer for same is invited. Applicant must give name and dimensions of boat, and must provide his own mooring ropes. Pegs will be supplied.

Motor boats not moored along the Henley Reserve must use the mooring pegs provided on the north or south side of the river, and must moor at post bearing same number as shown on permit.

After sunset on Henley Day motor boats shall exhibit a red light, and go slow in the centre of the river only. Motor boats shall not tow any boat.

On Henley Day the length of oars used by any boat, other than racing boats, between Punt-road bridge and Prince's-bridge, shall not exceed 10 feet.
