PROPOSED SEVERANCE.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Flinders described in their petition, and they desire that the area so described may be severed from the said shire of Flinders and annexed to the shire of Frankston and Hastings.

Area described in the petition:—

Commencing at the mouth of the Warrandyte Creek on the west side of Western Port and following the boundary line between the Flinders and Frankston and Hastings shires to the north-west corner of allotment 73a; thence south to the south-west corner of allotment 72a; thence east to the junction of the Flinders and Mairs roads at the south-east corner of allotment 78; thence south-west along Mairs-road to the junction of Disney-road at the south-west corner of allotment 123; thence along Disney-road to the railway line; thence following the railway line to Stony Point; thence north following the foreshore to the starting point at the mouth of the Warrandyte Creek.

The petitioners state that they are so far from the shire offices, situate in Dromana, that they are unable to attend the meetings, and have no community of interests with other parts of the shire. That all the councillors reside at the other end of the riding and have always done so, and that they have not the voting power to elect a councillor. That even if they could elect a councillor, it would be almost, if not quite, impossible for him to attend the meetings at Dromana. In consequence this part of the riding is not represented, their rates are not spent there, and their roads are neglected. That being connected with Frankston by rail, their interests lie wholly in that direction.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever the area above described from the shire of Flinders and annex same to the shire of Frankston and Hastings.

Notices for the petitioners may be served on Mr. E. J. Stranger, Crib Point.

SHIRE OF MOORABBIN.

PROPOSED SEVERANCE AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Moorabbin described in their petition, and they desire that the area so described may be severed from the said shire of Moorabbin and constituted a new municipality under the name and title of the Borough of Mentone and Mordialloc.

Area described in the petition—

Commencing at a point on the shore of Port Phillip Bay in a line with the centre of Cromer-road; thence north along Cromer-road to Balcombe-road; thence east along Balcombe-road to Charman-road; thence north along Charman-road to Latrobe-street; thence east along Latrobe-street to Point Nepean-road; thence in a north-westerly direction along Point Nepean-road to Oak-grove; thence east along Oak-grove and Voltri-street and the northern boundary of Crown allotment 3, section 17, parish of Mordialloc, to the north-eastern corner of the said allotment; thence south along the eastern boundary of said allotment to Lower Dandenong-road; thence east along Lower Dandenong-road to Warren-road; thence south along Warren-road to Boundary-road; thence east along Warren-street to Boundary-road; thence south along Boundary-road to the centre of the Mordialloc Creek; thence in a westerly direction along the centre of the Mordialloc Creek to its entrance to Port Phillip Bay; thence in a westerly direction along the shore of Port Phillip Bay to the commencing point in line with the centre of Cromer-road.

The petitioners state that, by the constitution of the proposed new borough, a better supervision could be exercised over the area in question as to expenditure for maintenance, drainage, lighting, and other works, particularly in regard to health matters and the large seaside public reserves situated therein.

The area of the proposed new borough is 4½ square miles, and a rate of 2s. 6d. in the £1 would yield, approximately, £5,969, which would be ample to adequately maintain the new borough.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever the area above described from the shire of Moorabbin, and constitute it a separate municipality under the name and title of the borough of Mentone and Mordialloc, such municipality to be subdivided into three wards.

Notices for the petitioners may be served on Mr. H. Smart, 2nd Floor, The Centreway, Collins-street, Melbourne.

SHIRE OF TOWONG.

PROPOSED SEVERANCE AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686, section 46), the substance and prayer of a petition in accordance with the said Act, which has been presented to His Excellency the Lieutenant-Governor, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Towong which is described in their petition, and they desire that the area so described may be severed from the shire of Towong and constituted a new municipality under the name and title of the Shire of Upper Murray.

Area described in the petition—

Commencing at a point on the River Murray at the north-west corner of allotment 8, section 7, parish of Walwa; thence southerly by the west boundary of that allotment; thence easterly to the boundary between the parishes of Walwa and Tintalra; thence south-easterly and south-westerly to the north-east corner of allotment 54A, parish of Cudgewa; thence westerly to the north-west corner of the parish of Jemba; thence southerly to the north-west corner of allotment 62, parish of Wabba; thence westerly and northerly along the north boundary of allotment 60 to the south-east corner of allotment 22; thence northerly and along the northern boundary of said allotment to the east boundary of allotment 52, parish of Jingellie; thence southerly and easterly along the boundary of said allotment to the north-east corner of allotment 26; thence southerly to the north-east corner of allotment 33; thence westerly to the north-west corner of allotment 31; thence southerly along the boundary of allotments 31 and 39A to the south-east corner of allotment 39, parish of Berrigama; thence by a line following the northern boundaries of allotments 47 and 46, the eastern boundary of part of allotment 2, part of the northern boundary of allotment 45B; thence by the western boundary of that

allotment, the northern boundary of allotment 56A; thence southerly by the west boundary of allotment 56A, 65, 65A, 4, and 13; thence by part of the northern boundary of allotment 21; thence south to a point on the northern boundary of allotment 21A; thence easterly and southerly to the south-east corner of that allotment; thence south-easterly along the divide between the Tallangatta and Cudgewa Creeks watersheds to "Half-way"; thence southerly and easterly by road from Cravensville to Glandart to Dart River, and by that river southerly to the junction of Brown's Creek; thence by Brown's Creek southerly to the Gih Range, and along that range to boundary of Omcoo shire; thence easterly by that boundary to the Murray River, and by that river northerly and westerly to the point of commencement.

The petitioners state that the shire as at present constituted is too large for effective administration from one centre. The area is 2,545 square miles, and it is all very mountainous country. Corryong, the second largest town in the shire, is 50 miles distant from Tallangatta, where the council meets. The full length of the shire from east to west is over 100 miles, and it is up to 50 miles wide from north to south. That representatives from the Corryong district have 50 miles to travel to attend the council meetings, and thus lose considerable time in attending each monthly meeting, and are put to great personal inconvenience and business loss. That the shire is practically divided by a large belt of unsettled, mountainous country, and there is very little community of interest between the two portions. That under the present conditions it is impossible to give the outlying parts of the shire adequate attention, and the interests of the ratepayers suffer in consequence.

The area of the proposed new shire is, approximately, 1,000 square miles, and 1s. 6d. rate would yield £2,500, which, with revenue derived from other sources, would, it is stated by the petitioners, be ample to adequately maintain the new shire.

The petitioners, therefore, pray that His Excellency in Council may be pleased to sever the area above described, and constitute it a separate municipality under the name and title of the Shire of Upper Murray, such municipality to be subdivided into three ridings.

Notices for the petitioners may be served on Mr. D. Dalgety, solicitor, Corryong.

SHIRES OF STAWELL AND DUNMUNKLE.

PROPOSED SEVERANCE OF CERTAIN AREA FROM SHIRE OF STAWELL, AND ANNEXATION TO SHIRE OF DUNMUNKLE.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686, section 46), the substance and prayer of a petition in accordance with the said Act, which has been presented to His Excellency the Lieutenant-Governor, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Stawell which is described in their petition, and they desire that the area so described may be severed from the shire of Stawell and annexed to the shire of Dunmunkle.

Area described in the petition—

Commencing at a point on the Richardson River where the north boundary of the parish of Marnoo abuts thereon; thence east by parish boundary to the north-east angle of allotment 7, parish of Marnoo; thence south by a road to the south-west angle of allotment 33; thence east by that allotment, allotments 33A and 34, a road, and allotments 35A and 37A, to the south-east angle of the last-mentioned allotment; thence south by a road forming the east boundary of the parishes of Marnoo and Wallaloo, to the south-east angle of allotment 33, parish of Wallaloo; thence westerly by a 1-chain road to the south-east angle of allotment 86, parish of Wirchilloba; thence south by 1-chain road running east of allotments 127, 139, 168A, 168B, and 186 in the said parish, where road intersects the Richardson River; thence westerly and north-easterly along said river to commencing point.

The petitioners state that, owing to distance and geographical position, they have little or no community of interest with the town of Stawell, and find it almost prohibitive, as now constituted, to get satisfactory representation for the area under review. That the shire of Dunmunkle is their nearest banking, commercial, milling, and meat freezing centre, and to which all their interests gravitate owing to direct railway and road facilities thereto and community of interest therein.

The petitioners, therefore, pray that His Excellency in Council may be pleased to sever the area above described, and annex same to the shire of Dunmunkle as a separate riding, to be called the Marnoo Riding.

Notices for the petitioners may be served on Mr. T. H. Newall, farmer, Marnoo.

MELBOURNE AND METROPOLITAN BOARD OF WORKS.

INSCRIBED STOCK REGULATIONS.

Approved by the Governor in Council on 30th March, 1920, and gazetted on 9th April, 1920, in lieu of Regulations approved by Order in Council of 25th September, 1916.

INTERPRETATION.

1. *Interpretation.*—In these Regulations, unless there be something in the subject-matter or context inconsistent therewith, the following terms shall have the meanings set against them respectively, that is to say:—

"The Board"—Melbourne and Metropolitan Board of Works.

"The Registrar"—The Treasurer or other officer for the time being appointed by the Board.

"The office"—The offices of the Board, at Melbourne.

"The Chairman"—The Chairman for the time being of the Board.

"Stock"—Inscribed stock created or issued by the Board under the provisions of the Melbourne and Metropolitan Board of Works Acts.

"Stock ledger"—The ledger or ledgers of the Board in which the stock held is recorded or inscribed.

"Stock-holder"—The person or persons whose name or names is or are inscribed in the stock ledger of the Board in respect of any stock.

Words importing the singular shall include the plural and *vice versa*.

Words importing the masculine shall include the feminine.

"Schedule"—The Schedule to these Regulations.

INSCRIPTION OF STOCK.

2. *Minimum Holding.*—Except with the approval of the Registrar to the contrary, stock shall be inscribed or remain inscribed only in sums of £100, or in sums which are multiples of £10, where the sum inscribed is in excess of £100.

3. *Application for Stock*—Form 1.—Persons who are desirous of purchasing stock shall transmit to the Registrar an application in the Form 1 contained in the Schedule, duly filled in and signed, together with a banker's cheque for the amount of stock applied for, or for the balance where portion thereof has already been paid by way of deposit, but where a tenderer has, in his tender, intimated his desire to take stock the Board may, if it deems fit, inscribe and issue the stock from such tender without any further or other application, and the price shall be paid in manner provided by such tender.

4. *Interim Receipt Allotment and Certificate of Inscription*—Form 2.—Form 3.—On receipt of the said application the Registrar shall transmit to the applicant an interim receipt in Form 2, contained in the Schedule, and thereupon the Board shall proceed to allot the stock applied for in accordance with the application and the name of the allottee, together with the amount of stock allotted, and such other matters and particulars as the Registrar may deem necessary shall be inscribed in the stock ledger. After such inscription a certificate of inscription in Form 3, contained in the Schedule, shall be transmitted by the Registrar to the allottee or his agent or attorney. The Registrar may at his discretion dispense with the issue of any certificate of inscription.

5. *Conversion of Debentures into Stock*—Form 4.—Where any person desires to convert debentures of the Board held by him into stock or *vice versa*, he shall transmit to the Registrar an application in Form 4, contained in the Schedule, and shall lodge therewith the debentures or (as the case may be) the certificate of inscription of the stock held by him, and thereupon the Board will issue and allot stock or (as the case may be) debentures in accordance with such application and the debentures or certificate of inscription lodged with such application shall be cancelled, and every such debenture shall thereupon be destroyed by the Registrar, in the presence of the State Auditor-General or an officer appointed by him for the purpose, who shall certify to the Board accordingly. For the purpose of conversion as aforesaid the value of the stock and debentures shall be taken as par and the conversion effected on that basis, and on every such conversion the appropriate entries shall be made in the stock ledger and duly attested under Regulation 10 hereof.

6. *Stock Certificate Lost or Destroyed may be Replaced.*—If any certificate of inscription is lost, mislaid, or destroyed, the Registrar shall, on being applied to, issue a duplicate certificate in place of the certificate so lost, mislaid, or destroyed, and such duplicate certificate shall be delivered only to the person whose name is inscribed in the stock ledger as the holder of the stock, or to his attorney or agent.

7. *Companies, Firms, Corporations, &c.*—Stock may be inscribed in the name or names of one or more persons, not exceeding four, or in the name of a registered company or other corporation, but the Registrar must first be furnished with a copy of the certificate of incorporation or special Act of Parliament under which such corporation is established, together with a certified specimen of the seal of the corporation, a duly verified copy of any regulations governing the mode of affixing the seal, and the full names and specimen signatures of all persons authorized to sign documents in connexion therewith. The document containing such information

must—unless the Registrar otherwise decides—be signed and sealed in the presence of an officer of the Board. The Registrar shall cause such document to be affixed in the Signature Book, and thereafter it shall not be necessary for an officer of the Board to witness the affixing of such Corporation's seal.

If from any cause any such authorized person is substituted by another person, notification in writing and under seal must be given to the Board.

Firms will not be registered as such, but in the names of the individual partners.

MINORS—PERSONS OF UNSOUND MIND.

8. *Minors and Persons of Unsound Mind.*—Where stock is inscribed in the name of an infant or person of unsound mind jointly with any person or persons not under legal disability, a power of attorney for the receipt of the interest on such stock shall be sufficient authority in that behalf if given under the hand and seal of the person or persons not under disability, and duly attested. The Registrar, before acting on any such power of attorney, may require proof to his satisfaction of the alleged infancy or unsoundness of mind by statutory declaration of competent persons or otherwise in such manner as he may reasonably require.

9. *Change of Address.*—Any change of address of a stockholder shall be at once notified in writing to the Registrar.

10. *Verification of Ledger Entries.*—Every entry in the stock ledger shall be attested by the Registrar or such officer of the Board as the Board shall from time to time appoint, and such ledger shall be audited from time to time by the State Government Auditor.

11. *Persons whose Names are Inscribed alone Recognised as Owners.*—The Registrar shall, for all purposes, be entitled to regard the person or persons whose name or names are inscribed in the stock ledger as the true and lawful owners and holders of the stock in relation to which such name or names is or are so inscribed, and all receipts, acquittances, discharges, releases, and documents whatsoever executed by such person or persons in relation to such stock, or the interest thereon, shall be deemed for all purposes and against all persons as documents duly executed by the person or persons entitled to such stock or interest, as the case may be.

12. *Trusts not Recognised.*—Save as herein or by Statute otherwise provided no Trust shall be made in the stock ledger, and the Board shall be entitled to treat the person or persons whose name or names are inscribed in the stock ledger in respect of any stock as the absolute owner or owners thereof, and accordingly shall not, except as ordered by a Court of competent jurisdiction, or as by Statute required, be bound to recognise any equitable or other claim to or interest in such stock on the part of any other person.

13. *Receipts of Joint Holders.*—The receipt of any one stockholder or of his attorney or agent in the case of stock inscribed in more than one name for any interest or for any document relating to such stock shall be a sufficient discharge to the Board in respect thereof, but with regard to the repayment of principal the discharge must be given by all stockholders in a joint account.

TRANSFERS OF STOCK.

14. *Transfer Books*—Form 5.—There shall be kept at the office of the Board books to be called "Transfer Books," wherein all transfers of stock, or any part thereof, shall be entered and registered, which entries shall be numbered in such manner as the Board shall determine, and all transfers shall be in the Form 5, contained in the Schedule, and shall be signed by the parties making and accepting such transfers, or if any such party or parties be absent by his or their attorney or attorneys thereunto, lawfully authorized as herein-after mentioned, and every such transfer shall pass the right to all interest becoming due and payable after the date of registration thereof, so that the Board shall not be under any necessity to apportion any such interest as between transferor and transferee.

All transfers shall, as far as practicable, be signed in the presence of the Registrar or other officer of the Board duly authorized for that purpose.

The Registrar may, if he thinks fit, without assigning any reason, decline to register any transfer of stock.

Registration will not be made of any transfer nor application therefor received one calendar month immediately preceding the date of maturity of stock.

On a transfer being lodged for registration, the Registrar may, if he thinks fit, require the production of the original Certificate of Inscription, which shall be cancelled and retained by him, and a fresh certificate shall be issued to the transferor for the balance of stock (if any) remaining to his credit.

15. *Transfers to be Lodged on a Transfer Day.*—Every transfer of stock shall be lodged at the office on a transfer day; the transfer days will be Monday, Tuesday, Wednesday, Thursday, and Friday in each week, from 10 o'clock a.m. to 12.30 o'clock p.m. and 1.30 p.m. to 3 p.m., except when any such days fall on a public holiday.

16. *Stock Ledger, &c., to be Closed.*—The Registrar will cause the stock ledger and transfer books to be closed for a period of fourteen days next before any of the days on which interest on the stock is payable, and shall cause the amount of the stock respectively standing to the credit of the several holders thereof to be ascertained and the balances to be struck and carried forward in the proper ledger, and the persons

who on the day such books are so closed are inscribed as holders of stock shall be entitled to receive the interest next payable thereon.

17. Entries in Stock Ledger.—As soon as possible after the registration of any transfer or declaration of transmission of stock the amount of stock transferred or transmitted shall be debited in the proper account in the stock ledger, and shall be forthwith credited in the same ledger to the account of the person or persons to whom it shall have been so transferred or transmitted, and the Registrar shall cause the said stock ledger to be compared daily with the transfers and applications so as to ascertain that all the business transacted on that day has been duly and properly entered and recorded.

In the event of any stock being inscribed incorrectly owing to a mistake in any document, the account may be amended by a letter or declaration or in such other manner as the Registrar may reasonably require, and in the event of the alteration of any name or names, a request from the transferor in the original transfer shall be required by the Registrar.

18. Inspection of Stock Ledger.—Any stock-holder or his attorney, on production of authority in writing, shall be at liberty to inspect his account in the stock ledger at all reasonable times on payment of the prescribed fee.

TRANSMISSION OF STOCK.

19. Executors or Administrators alone recognised.—

- (a) The executors or administrators of a deceased stock-holder (not being one of several joint holders) shall be the only persons recognised by the Board as having any title to the stock inscribed in the name of such deceased stock-holder, and
- (b) in the case of the death of any one or more of the joint holders of any stock, the survivor shall be the only person recognised by the Board as having any title to or interest in such stock.

- (i) The death may be proved by the production of probate of will, letters of administration or certificate of death, and, if required by the Registrar, by a declaration by some disinterested person as to the identity of deceased as the owner.

- (ii) On completion of the proof of death in a joint account, the stock and dividends thereon will be registered in the name of the survivor or survivors.

- (iii) On the decease of the last survivor in a joint account, the death must be proved as in the case of an owner on sole account, and steps taken to inscribe the stock in the name of the executor or administrator of the last survivor.

20. Transmission—Evidence of.—If any stock has become transmitted in consequence of the death or bankruptcy or insolvency of any stock-holder or by any lawful means other than by a transfer under these Regulations, such transmission shall be authenticated by a declaration, in writing, as herein-after mentioned, and in such other manner (if any) as the Registrar shall require, and every such declaration shall state the manner in which and the name of the said party to whom such stock shall have been so transmitted, and shall be made and signed by some credible person, and also by such party before a justice of the peace of the State of Victoria, and when made and signed outside the said State before a notary public or British Consul or Vice-Consul, and shall be delivered to the Registrar, and shall be numbered by him in such manner as he shall determine. Every application for transmission shall be made in Form 6.

21. Documents to be Lodged on Transmission.—If such transmission shall have taken place by virtue of any testamentary instrument or by intestacy, the probate of the will or the letters of administration or an office copy thereof shall, together with such declaration, be produced to the Registrar, and if such transmission shall have taken place by virtue of any bankruptcy or insolvency, the adjudication or order of sequestration or an office copy thereof respectively shall, together with such declaration, be produced to the Registrar.

22. Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Thursday, 29th April, 1920.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Noon on Thursday, 29th April, 1920, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the *Land Act* 1915 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act* 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act* 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible therefor.

SPECIAL CONDITIONS.

1. The period of occupation will, except where otherwise specified, be for seventeen months from 1st May, 1920, to 30th September, 1921.

2. The fee for the period as shown in the head-lines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, Land Act 1915.

Plans can be seen and information may be obtained in this office.

Section 121, Land Act 1915, provides:—

1. Where a licensee under section 121 of the Land Act 1915 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
