8. When Returning Officer may Declare Members Selected without a Poll.—When a Poll shall be Taken.—The Returning Officer shall, in the event of there not being a greater number of persons nominated than are required to fill the vacancies created, make a return to the Registrar of the Board, and declare such person or persons to have been duly elected member or members of the Board; but if the number of persons nominated is greater than the number of persons required to fill such vacancies, a poll shall be taken. For this purpose the Registrar shall prepare a Roll of Registered Dentists in alphabetical order of surnames, and shall prefix to each name on the roll a number, beginning at the first name with the number one and continuing the numbers in regular arithmetical series to the last name on the roll; and the Returning Officer shall cause voting papers, each with a counterfoil attached, to be printed in the form given in the Second Schedule hereto, and shall sign or initial each of such papers on the face thereof, and shall write on the counterfoil and also on the back, near the lower edge of each of the voting papers so signed or initialed, the number corresponding with the number prefixed to the voter's name on the roll, and shall cause one of such voting papers (with counterfoil attached) to be enclosed in an envelope not fastened, with the name and address of the Returning Officer printed or written thereon, and shall post such voting paper and envelope under a fastened cover to the address of each and every registered dentist. The voter shall enclose such voting paper in the addressed envelope, and shall post the same so that it shall be received by the Returning Officer in course of post before Ten o'clock of the morning of the day fixed for holding such election.

9. Voting Papers may become Invalid.—Voting Paper to be Posted to Address of Returning Officer.—If any voter shall suffer to remain not struck out upon any voting paper a greater or less number of names than the number of members to be elected, or shall fail to write his signature on the counterfoil, the vote given on and by such paper shall be void and of no effect, and shall not be counted by the Returning Officer. Provided that the fact that a name not struck out is that of a candidate who is dead shall not invalidate the voting paper.

10. Appointment of Scrutineers.—Each candidate shall be entitled to appoint, in writing, one scrutineer, to be present when the Returning Officer shall open the envelopes containing the voting papers on the day of holding the election.

11. Returning Officer to Ascertain Number of Voters for each Candidate in Presence of Registrar and Scrutineers—Candidates Declared Duly Elected—Casting Vote of Returning Officer.—The Returning Officer shall, in the presence of the Registrar, or, in his absence, in the presence of any person appointed on that behalf by the Board, and of any scrutineers appointed by any candidates on the day named in such advertisement for holding any election, proceed to open the envelopes with his printed or written address thereon, and which have been returned to him, and to take out the voting papers therein contained, and without unfolding such voting paper or allowing it to be inspected he shall inspect and allow the scrutineers to inspect the number on the counterfoil; and if the vote is allowed by the Returning Officer he shall tear off the counterfoil without seeing or allowing the scrutineers to see the names of the candidates on the voting paper, and shall insert the voting papers in a separate ballot-box; and when all such voting papers have been so inserted he shall proceed to inspect the same, and also to allow the scrutineers to inspect them, but subject to the proviso that he shall not allow the scrutineers to see the number on the back of the voting paper; and if he is satisfied that each vote is properly given, he shall proceed to ascertain the number of such votes given for each candidate; and as soon as conveniently may be after the day of holding such election the Returning Officer shall give public notice, by advertisement, of the number of votes given to each candidate, and shall declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to be duly elected as members of the Dental Board of Victoria, and if two or more candidates shall have received an equal number of votes, the Returning Officer shall in each case have the casting vote.

At the Executive Council Chamber, Melbourne, the eighteenth day of October, 1921.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Lawson
Mr. McPherson

Mr. Baird.

HIS Excellency the Governor of the State of Victoria, with the advice of the Executive Council thereof, and pursuant to the petition of the Council of the municipality of the Shire of Heytesbury, doth by this Order, under the provisions of section 148 of the *Local Government Act 1915* (No. 2686) as amended by section 3 of the *Local Government Act 1918* (No. 2981), direct that the provisions of Division 14 of Part V. of *The Constitution Act Amendment Act 1915*, applicable and severally hereinafter set out, shall apply to the election of councillors for the said municipality, with the alterations of such provisions as are shown below, the same being alterations deemed necessary for the purpose of carrying into effect such provisions as so applied.

The Constitution Act Amendment Act 1915.
COMPULSORY PREFERENTIAL VOTING.

(Part V.—Division 14.)

How Votes to be Marked by Voter.

292. (1) When at any election for the municipality a person receives a ballot-paper instead of striking out the name of any candidate for whom he does not intend to vote he shall mark his vote on the ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference and shall give contingent votes for all the remaining candidates by placing figures 2, 3, 4 (and so on as the case requires) opposite their names so as to indicate by such numerical sequence the order of his preference.

(2) The candidate opposite whose name the figure 1 is so placed shall be deemed to be the candidate to whom the elector gives his vote for the purpose of the election.

Marking of Ballot-paper where only Two Candidates.

293. Notwithstanding anything contained in this Division, at any election where there are only two candidates—

- (a) the requirements of this Division as to the marking of ballot-papers by electors shall be deemed to be sufficiently complied with in the case of any ballot-paper marked so as to indicate the elector's first preference only; and
- (b) in the case of a postal ballot-paper the elector's first preference shall be deemed to be sufficiently indicated if the surname of only one candidate is written thereon.

Invalid Ballot-papers.

294. (1) A ballot-paper shall under this Division be rejected at the close of the poll if it does not indicate the elector's first preference for one candidate and in the case of any election where there are more than two candidates his contingent votes for all the remaining candidates.

Ballot-papers Not Invalid.

(2) Except as otherwise expressly provided a ballot-paper shall not be rejected for any reason other than the reasons enumerated in this section but shall be given effect according to the elector's intention so far as his intention is clear.

Returning Officer to ascertain Results of Polling.

295. The returning officer (for the Riding) shall in manner hereinafter provided ascertain the total number of votes given for each candidate.

Procedure where only Two Candidates.

296. At elections where there are only two candidates section one hundred and forty-four of the *Local Government Act 1915* shall have full force and effect.

Procedure where more than Two Candidates.

297. At elections where there are more than two candidates the procedure by the returning officer and deputy returning officers for each Riding to ascertain the number of votes for each candidate shall be as follows:—

(1) Immediately upon the close of the poll the returning officer and every deputy returning officer at the polling place at which each presides shall in the presence and subject to the

inspection of such of the scrutineers as choose to be present and the poll clerk (if any) and of no other persons—

- (a) open the ballot-box at the polling booth at which he presides; and
 - (b) arrange the ballot-papers by placing in separate parcels all those on which a first preference is indicated for the same candidate and the full contingent votes are also given for all the remaining candidates omitting ballot-papers which require to be rejected; and
 - (c) count all such first preference votes given for each candidate respectively; and
 - (d) make and keep a record of the number of votes counted from each ballot-box; and
 - (e) abstain himself from inspecting the writing upon the back of the ballot-papers and take care that the same is not seen by any person.
- (2) Each deputy returning officer shall—
- (a) certify a list of the number of such first preference votes given for each candidate at the polling place at which he presides and transmit such certified list to the returning officer together with the ballot-papers and copy of voters' roll as required by section 144 of the *Local Government Act 1915*.
- (3) The returning officer shall—
- (a) make out in respect of the polling booth at which he presides a list of first preference votes given for each candidate; and
 - (b) seal up in separate parcels in respect of the said polling booth the ballot-papers and voters' rolls in like manner as is required in the case of deputy returning officers.
- (4) The returning officer shall as soon as practicable—
- (a) ascertain from the certified lists received from deputy returning officers the number of first preference votes given for each candidate; and
 - (b) add the first preference votes so given for each candidate to the votes counted by himself in favour of each such candidate so as to ascertain for the whole Riding the number of first preference votes polled by each candidate respectively.
- (5) The candidate who has received the greatest number of first preference votes shall if such number constitutes an absolute majority of votes (including the casting vote of the returning officer if necessary) be declared by the returning officer duly elected.

Counting of Votes by Returning Officer.

(6) If no candidate has an absolute majority of votes the returning officer shall upon receipt of the several sealed parcels from the deputy returning officers declare the candidate who has obtained the fewest first preference votes to be a defeated candidate, and with the assistance of such officers as he deems necessary shall (notwithstanding anything contained in the Act) in the presence and subject to the inspection of such of the scrutineers as choose to be present and the poll clerk (if any) but of no other persons then—

- (a) open all the sealed parcels containing used ballot-papers as well as the sealed parcel of used ballot-papers made up by himself; and
- (b) arrange such ballot-papers by placing in separate parcels all those on which a first preference is indicated for the same candidate and the full contingent votes are also given for all the remaining candidates omitting ballot-papers which require to be rejected; and the ballot-papers counted to such defeated candidate shall be distributed among the non-defeated candidates next in order of the voters' preference.

(7) After such distribution the number of votes given to each non-defeated candidate shall again be ascertained.

(8) If no candidate then has an absolute majority of votes the process of declaring the candidate who has the fewest votes to be defeated and distributing his ballot-papers amongst the non-defeated candidates next in order of the voters' preference shall be repeated and the votes recounted after every such redistribution until one candidate has obtained an absolute majority of votes, and such candidate shall then be declared duly elected.

Casting Vote for Exclusion during Progress of Count.

(9) If on any count two or more candidates have an equal number of votes and one of them has to be declared defeated the returning officer shall decide which is to be declared defeated.

Adjournment of Count of Votes to be Announced.

(10) If on the polling day the count of the votes by the returning officer cannot be completed he shall adjourn such count and inform the scrutineers and the officers appointed to assist him at such count as regards the time and place when and where such count will be continued and conducted by him.

(11) The count of the votes may from time to time be adjourned as the returning officer may deem necessary until it has been duly completed; and each adjournment shall be announced by the returning officer to the scrutineers and the officers assisting him.

Before Adjournment Ballot-papers, &c., to be Sealed in Ballot-boxes.

- (12) Before every adjournment of the count of the votes—
- (a) all ballot-papers and other documents connected with such count shall be placed in one or more ballot-boxes; and
 - (b) the returning officer shall then in the presence of such scrutineers and officers as are present seal such ballot-box or boxes; and before re-commencing the count the seal on such ballot-box or boxes shall be exhibited unbroken to such of the scrutineers and officers as are present.

(13) In declaring a candidate duly elected under this section the provisions of sub-section (5) of section 144 of the Local Government Act 1915 shall have full force and effect.

Separate Parcels to be Enclosed in Packets according to Class and Sealed, &c.

298. At the conclusion of the count of votes the returning officer shall comply with the provisions of section 145 of the Local Government Act 1915.

Deposit Moneys.

299. The moneys paid to the returning officer by or on behalf of the candidates shall be dealt with in manner provided by section 154 of the Local Government Act 1915 as altered as if in the said section for the word "votes" wherever occurring there were substituted the words "first preference votes."

Voting by Post.

300. When an elector votes by post, then (in lieu of writing on his ballot-paper the surname of the candidate for whom he votes) such elector shall in the presence of the person authorized to witness his signature, but so that the witness cannot see the vote—

- (a) first write on the ballot-paper the surname of the candidate for whom he votes in the first instance and mark the figure 1 against such surname; and
- (b) also write the surnames of all the remaining candidates underneath such name and record contingent votes for such remaining candidates numbering them 2, 3, 4, and so on in the order of his preference.

(2) Any instructions to electors required by the Act relating to voting by post to be printed on postal ballot-papers shall for the purposes only of this section be altered so far as is necessary to make them correspond with the provisions of this section, and shall as so altered be printed on the ballot-papers accordingly.

Mr. McPherson
Mr. Baird.

WHEREAS by notice in writing dated the 11th day of April, 1921, to and duly served upon the councils of the borough of Dunolly and of the shire of Bet Bet respectively, on or about the 12th day of April, 1921, the Honorable Frank Clarke, His Majesty's Commissioner of Public Works in and for the State of Victoria, and the Minister of the Crown of the said State for the time being administering the Local Governments Acts of the same (hereinafter referred to as the "Minister") notified both councils of his intention to proceed to obtain an Order uniting such borough to the shire of Bet Bet, the municipal district of which, together with that of the said borough, form one continuous area by reason (as the case in fact is) of the territory of the said borough not containing rateable property capable of yielding upon a rate not exceeding one shilling in the pound on the annual value thereof, estimated, under the provisions of the *Local Government Act* 1915, a sum of Three hundred pounds, particulars of which notice were published in the *Government Gazette* of the 13th day of April aforesaid, and respectively in three consecutive issues of the *Age*, a newspaper generally circulating in Melbourne, and the *Dunolly and Bet Bet Shire Express*, a newspaper generally circulating in the several municipalities of Dunolly Borough and Bet Bet Shire (that is to say, in the *Age* of the 2nd, 3rd, and 4th of May, 1921, and in the *Dunolly and Bet Bet Shire Express* on the 15th, 19th, and 22nd of April, 1921): And whereas the said Minister has given to the councils of the municipalities of Dunolly Borough and Bet Bet Shire (no creditor of either of them within the period of three months from the 4th day of May now last past, or at all having notified the Minister of his or its desire so to do) full opportunity of showing cause why an Order in Council uniting the borough of Dunolly to the shire of Bet Bet should not be passed: And whereas the Minister having entertained inquiries into and decided upon all the representations made by or on behalf of such councils respectively, has recommended that the borough of Dunolly should, as on and from the first day of November now next, be united to the shire of Bet Bet and become part of the same, and that the territory of the said borough should thenceforth form portion of the Bet Bet Shire by being constituted a separate riding thereof: And whereas such recommendation has been duly considered and approved: Now therefore His Excellency the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, being satisfied that all conditions precedent to the making hereof have been fulfilled and observed, and acting under the authority conferred by the *Local Government Act* 1915, and under all other powers him enabling in that behalf, doth hereby order and direct as follows (that is to say):—
