TENDERS FOR GRAZING LANDS.

FOR THE PERIOD 1ST DECEMBER, 1921, TO 30TH SEPTEMBER, 1922, EXCEPT WHERE OTHERWISE STATED.

Tender forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box, on or before Noon on Wednesday, 30th November, 1921.

NOTE.—No tender will be accepted unless the fee for the full period, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Noon on Wednesday, 30th November, 1921, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the *Land Act 1915* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1915*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1915* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible therefor.

SPECIAL CONDITIONS.

The period of occupation will, except where otherwise specified, be for ten months from 1st December, 1921, to 30th September, 1922.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides:—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals, for damages arising from trespass by such cattle, sheep, or other animals.

All such sales as aforesaid shall be subject to and within the time limits set out in section 8 of this By-law, and if any salesman shall have concluded the sale or offering of his lot before the time allowed as a time for such sale (as to which the decision of the Inspector shall be final) the salesman next in order shall immediately begin his sales.

The first salesman shall be entitled to summon his customers five minutes before the time appointed for commencing the sale. Each succeeding salesman shall commence to sell as soon as the salesman immediately preceding him in the order of priority shall have concluded his sale, or if such preceding salesman shall not have concluded his sale at the expiration of the time limit appointed by the next succeeding section of this By-law, then at the expiration of such time limit. In all cases the time shall be taken from the watch of the Inspector, who shall act as timekeeper, and whose decision shall be final.

8. The limit of time to be allowed each auctioneer or salesman in selling or offering for sale the various kinds of cattle shall be as follows, and no auctioneer or salesman shall exceed any such limit of time:—

For cows in milk, springing cows, and springing heifers—
Two minutes for each lot.

But no auctioneer or salesman shall, in selling or offering for sale cows in milk and springing cows and springing heifers, exceed twenty minutes in all from the time when he shall be entitled to start his sales thereof till finishing the same. Upon the expiration of such period of twenty minutes, or earlier, if the salesman first in order shall have earlier concluded his sale of cows in milk, springing cows, and springing heifers, the salesman next in order of priority shall proceed to sell upon the like conditions and limits as those hereinbefore mentioned, and so until all the salesmen entitled to sell shall, subject to the said conditions and limits, according to their right of priority, have disposed of the cows in milk, springing cows, and springing heifers which they respectively have for sale.

But if any ten sheep belonging to one owner are offered singly, then three minutes only in all shall be allowed for sale or offer of the ten. Any auctioneer or salesman who shall have sold his lot or lots before the expiration of his time limit shall at once give place to the salesman next entitled to sell, which salesman shall forthwith proceed to offer his lot or lots.

9. At any special sale on other than the ordinary market days, the auctioneers and salesmen interested shall arrange amongst themselves as to the order and time of selling. Should they fail to do so, the provisions of clauses 6 and 7 and 8 of this By-law shall apply.

10. Each auctioneer shall declare to the Inspector the correct number and the description of the lot or lots of stock he intends to offer before he shall start selling. The Inspector shall allot the times for selling such lot or lots. No auctioneer shall neglect or omit to give the Inspector the correct number and description of any lot or lots of stock as aforesaid.

11. All cattle brought to the market for sale shall be placed in such pens or yards as the Inspector may direct. No person shall remove cattle from pen or yard to another without the consent of the Inspector. In case of any dispute arising as to the overcrowding of pens or yards, or as to priority or occupancy, the Inspector alone shall be competent to decide, and the disputants shall be bound by his decision. The Inspector shall have authority to remove, or order to be removed, cattle from one pen or yard to another, and any order he may give in that respect shall be promptly carried out and obeyed by any auctioneer, salesman, or other person placing, or who has placed cattle in the said pens or yards, or any of them.

12. The Inspector shall, two minutes before the expiration of the time limit for selling any kind of cattle, give the auctioneer selling notice of the time, and shall at the expiration of the said time ring a bell, and thereupon the auctioneer selling must immediately cease selling.

15. Every person placing cattle in the market for sale shall be responsible for all tolls, dues, and charges due or accruing due thereon. No cattle shall be taken out of the market until all tolls, dues, and charges payable in respect thereof shall have been first paid and satisfied.

16. No cattle which have been placed in any auctioneer's hands for sale shall be permitted to leave the market without the production and delivery of a written authority from the auctioneer in whose hands they were placed for sale in the market.

17. All cattle of any kind not removed from the said market by the hour of Ten o'clock on the morning next after any sale day may be removed by the Inspector at the expense and risk of the owner of any such cattle.

18. In all matters not specially provided for in this By-law and relating to the conduct of sales and the control of the market, the Inspector's decision shall be final and binding on all persons.

19. No person shall obstruct the Inspector of the said market in the performance of his duties, or release, or remove any cattle from the said market, or from one part of the said market to any other part thereof without the consent of the Inspector, nor shall any person wilfully break down or damage any of the gates, fences, buildings, fixtures, appurtenances or chattels of the said market, or cause any riot or disturbance, or curse or swear, or use any profane or indecent language, or be guilty of any indecent or gross conduct within the said market, or in the immediate approaches thereto.
