SHIRE OF KERANG.

PROPOSED SEVERANCE AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686, section 46), the substance and prayer of a petition in accordance with the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Kerang which is described in their petition, and they desire that the area so described may be severed from the shire of Kerang and constituted a new municipality under the name and title of the shire of Cohuna.

Area Described in the Petition.

Commencing at the junction of the Deep Creek with the Murray River; thence westerly by the said creek to the Gunbower Creek; thence southerly by that creek to Taylor's Creek; thence south-westerly by the creek last named to the Elmore-Cohuna Railway; thence north-westerly by that railway to the northern boundary of the parish of Patho; thence westerly by that parish boundary to Kow Swamp; thence north-westerly and south-westerly by the swamp boundary to Box Creek; thence north-westerly by that creek and Pyramid Creek to the south-eastern angle of allotment 168, parish of Gannawarra; thence northerly by the eastern boundaries of allotments 168, 16, 13, and 12A to the north-eastern angle of the allotment last named; thence north-easterly by a line to the most southerly angle of allotment 11; thence north-easterly by the southern boundary of that allotment and allotment 11A to the most easterly angle of that allotment; thence south-easterly by a line to the north-western boundary of allotment 64; thence north-easterly and easterly by the north-western and northern boundaries of that allotment, northerly by the western boundary of allotment 63, north-westerly and north-easterly and south-easterly by the western and northern boundaries of allotments 65 and easterly by the northern boundaries of allotments 66 and 67 to a point on the north-eastern boundary of the allotment last named due west of the south-western angle of allotment 69; thence easterly by a line to the angle last named; thence easterly by the southern boundaries of the allotment last named and allotments 70 and 70A to the south-eastern angle of the allotment last named; thence northerly and easterly by the western and northern boundaries of allotment 77 and northerly by the eastern boundaries of allotments 85 and 78 and by a line to the Gunbower Creek; thence south-easterly by that creek to a point due east of the north-eastern angle of allotment 13 (lot 3, Wein Wein Curk Estate), parish of Cohuna; thence due easterly by a line to the Murray River; thence south-easterly by that river to the point of commencement.

The petitioners state—

1. The rapid growth of the staple industry of dairying, due to the closer settlement policy of the Government, the subdivision of privately-owned lands, and the great fertility of the whole area, renders necessary greater attention to and expenditure on the roads, bridges, culverts, and other municipal works in the area desired to be served.
2. The size of the existing shire makes such efficient attention and supervision impossible.
3. There are three rapidly growing towns—Cohuna, Leitchville, and Gunbower—all with direct rail communication to Melbourne, in the district proposed to constitute the new shire.
4. The area to be severed is remote from the existing centre of local government.
5. There is no community, but a conflict of interest, between the area proposed to be severed and generally other portions of the existing shire from which it is geographically and commercially distinct.
6. The area, population, and rateable value of the area proposed to be severed make such severance reasonable and proper, and justify local control.
7. The present representation is altogether inadequate, and local opinion and aspirations have practically no influence.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described and constitute it a separate municipality under the name and title of "The Shire of Cohuna," and that such shire may be undivided and governed by a council of nine members.

Notices for the petitioners may be served on Mr. Joseph Henry Hewison, 237 Collins-street, Melbourne.

Commissioner of Public Works.

SHIRES OF WYCHEPROOF, SWAN HILL, AND KARKAROOC.

PROPOSED SEVERANCE AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portions of the shires of Wycheproof, Swan Hill, and Karkarooc, described in their petition, and they desire that the area so described may be severed from the said shires of Wycheproof, Swan Hill, and Karkarooc, and constituted a new municipality under the name and title of the shire of Sea Lake.

Area described in the petition—

By a line commencing at the north-west corner of the parish of Panitya; thence southerly along the western boundary of the parish of Panitya to the parish of Woor-nack; thence easterly and southerly along the eastern boundaries of the shires of Walpeup and Karkarooc to the boundary road between the shires of Swan Hill and Wycheproof; thence westerly to the north-west corner of allotment 58, parish of Boorong; thence southerly along the western boundary of the parish of Boorong to the south-west corner of the said parish; thence easterly along the southern boundary of the parish of Boorong to the north-west corner of the parish of Bitchigal; thence southerly along the western boundary of the parish of Bitchigal to the south-west corner of the said parish; thence easterly along the southern boundary of the parish of Bitchigal to the south-east corner of allotment 27A, parish of Bitchigal; thence southerly along the western boundaries of the parishes of Wortongie and Willangie to the south-west corner of allotment 50A, parish of Willangie; thence easterly along the southern boundary of the parish of Willangie to the south-east corner of allotment 53, parish of Willangie; thence southerly along the western boundary of the parish of Willangie to the south-west corner of allotment 66, parish of Willangie; thence easterly along the southern boundaries of the parishes of Willangie and Tungie to the south-east corner of the last-mentioned parish; thence northerly along the eastern boundary of the parish of Tungie to the north-east corner of allotment 48, parish of Tungie; thence easterly along the southern boundary of the parish of Perritt Perritt to the centre of the Tyrell Creek; thence northerly along the centre of the Tyrell Creek to the south-west corner of allotment 49, parish of Murnungin; thence easterly along the southern boundary of the parish of Murnungin to the Lalbert Creek; thence northerly and westerly along the centre of the Lalbert Creek; thence along the southern boundary of the parish of Chillingollah to the 143rd meridian; thence northward along the centre of the said meridian to the north-east corner of the parish of Cocamba; thence westerly along the northern boundaries of the parishes of Cocamba, Manangatang, Larundel, Kulwin, and Panitya to the point of commencement.

The petitioners state that there is a strong community of interest between the ratepayers of the various portions of territory sought to be included in the proposed shire, and that Sea Lake is the business centre of such territory, and that the granting of the prayer of this petition would greatly facilitate the transaction of municipal business within such territory, and that the rates would be collected with greater facility and the revenue expended to greater advantage; that the seats of local government of the shires of which the territory sought to be included in the proposed shire now forms parts are so far distant from such territory that the respective Councils cannot ascertain and carry out the requirements of such territory and the ratepayers thereof.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever the area above described from the shires of Wycheproof, Swan Hill, and Karkarooc, and constitute it a separate municipality under the name and title of the shire of Sea Lake, such municipality to be subdivided into four ridings, viz.:—North-west riding, North-east riding, South-west riding, and South-east riding.

Notices for the petitioners may be served on Mr. Walter Gregson, Sea Lake.
